Stopped for speeding while on the way to her 19th birthday party, the sexy young Jessica Miller assumes she'll get by with the usual warning. Although her glove box is filled with unpaid tickets, she's sure that her daddy, the Mayor, will take care of it, just as he always does. However, once the officer pulls her driving records, he abruptly orders her from the car, subjects her to a demeaning pat down, then cuffs her ankles and wrists, and shoves her into the back of his cruiser. Arrested for attempted armed robbery! Oh, but this is a huge mistake! On the way to the police station, the stunned Jessica rattles off a battery of questions, only to learn from the smooth-talking officer that she's not been arrested at all. She's been kidnapped! Taken to a secluded grist mill, she'll be held until her daddy pays the ransom demands. Once in the mill her terror multiplies, as her captor begins an S&M birthday celebration, during which she's bound and gagged, in a bobbing for apples style contest with a tub of water and balls, then photographed in her dire state. The photos will land in daddy's email, proof she's alive and in danger. The officer continues her torment with his roving hands moving adroitly over her body and rousing her sexual desires. Much to her further distress, her excited body climaxes in its prison of rope. While waiting for daddy to respond, the officer begins the training portion of her captivity: a regime of bondage and female pony training designed to turn the terrified girl into a human pony, fitted with the appropriate harness, bridle, bit, tack and tail. There's always a good market for a well-trained filly, he tells her. If daddy doesn't want her, he's sure some wealthy man will. In time, Jessica will learn the shocking truth about her nightmarish captivity. Until then, she'll endure humiliating and often painful pony workouts as she learns to become both a hard-working draft pony and a prized show pony in a fancy costume.

Art of Fernando Carcupino - 2019-07

This is the third volume in the Sex and Horror series, which celebrates the publishing craze known as "fumetti sexy: " Italian adult comics and cartoons with a unique take on such genres as horror, crime, fantasy, history, and fairy tales. Magical Capitalism - Brian Moeran 2018-07-16

This volume of essays examines the ways in which magical practices are found in different aspects of contemporary capitalist societies. From contract law to science, by way of finance, business, marketing, advertising, cultural production, and the political economy in general, each chapter argues that the kind of magic studied by anthropologists in less developed societies – shamanism, sorcery, enchantment, the occult – is not only alive and well, but flourishing in the midst of so-called 'modernity'. Modern day magicians range from fashion designers and architects to Donald Trump and George Soros. Magical rites take place in the form of political summits, the transformation of products into brands through advertising campaigns, and the biannual fashion collections shown in New York, London, Milan and Paris. Magical language, in the form of magical spells, is used by everyone, from media to marketers and all others devoted to the art of 'spin'. While magic may appear to be opposed to systems of rational economic thought, Moeran and Malefyt highlight the ways it may in fact be an accomplice to it.
