The Book of Lost Names - Kristin Harmel
2021-05-25

Eva Traube Abrams, a semiretired librarian in Florida, is at the returns desk one morning when her eyes lock on to a photograph in a newspaper nearby. She freezes; it's an image of a book she hasn't seen in sixty-five years--a book she recognizes as the Book of Lost Names. The accompanying article describes the looting of libraries across Europe by the Nazis during World War II--an experience Eva remembers all too well. As a graduate student in 1942, Eva was forced to flee Paris after the arrest of her father, a Polish Jew. Finding refuge in a small mountain town in the Free Zone, she begins forging identity documents for Jewish children fleeing to neutral Switzerland. But erasing people comes with a price, and along with a mysterious, handsome forger named Rémy, Eva decides she must find a way to preserve the real names of the children who are too young to remember who they really are. The records they keep in the Book of Last Names will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer--and help reunite those lost during the war?

"Cat Person" and Other Stories Kristen Roupenian
2019-01-15

FEATURING A BRAND NEW STORY "What's special about 'Cat Person,' and the rest of the stories in *You Know You Want This*, is the author's expert control of language, character, story—her ability to write stories that feel told, and yet so unpretentious and accessible that we think they must be true." —The New York Times Book Review "Kristen Roupenian isn't just an uncannily great writer, she also knows things about the human psyche—things that I always supposed I would learn at some point, but never did...The world has made a lot more sense since reading this book." —Miranda July, New York Times bestselling author "If you think you know what this collection will be like, you're wrong. These stories are sharp and perverse, dark and bizarre, unrelenting and utterly bananas. I love them so, so much." —Carmen Maria Machado, National Book Award Finalist and author of *Her Body and Other Parties* A compulsively readable collection of short stories that explore the complex—and often darkly funny—connections between gender, sex, and power across genres. Previously published as *You Know You Want This*, "Cat Person" and *Other Stories* brilliantly explores the ways in which women are horrifying as much as it captures the horrors that are done to them. Among its pages are a couple who becomes obsessed with their friend hearing them have sex, then seeing them have sex...until they can't have sex without him; a ten-year-old whose birthday party takes a sinister turn when she wishes for "something mean"; a woman who finds a book of spells half hidden at the library

and summons her heart's desire: a nameless, naked man; and a self-proclaimed "biter" who dreams of sneaking up behind and sinking her teeth into a green-eyed, long-haired, pink-cheeked coworker. Spanning a range of genres and topics—from the mundane to the murderous and supernatural—these are stories about sex and punishment, guilt and anger, the pleasure and terror of inflicting and experiencing pain. These stories fascinate and repel, revolt and arouse, scare and delight in equal measure. And, as a collection, they point a finger at you, daring you to feel uncomfortable—or worse, understood—as if to say, "You want this, right? You know you want this."

Jane, Unlimited - Kristin Cashore 2018-07-10
An instant New York Times bestseller—from the award-winning author of the Graceling Realm series—an ambitious novel about grief, adventure, storytelling, and finding yourself in a world of seemingly infinite choices. Jane has lived an ordinary life, raised by her aunt Magnolia—an adjunct professor and deep sea photographer. Jane counted on Magnolia to make the world feel expansive and to turn life into an adventure. But Aunt Magnolia was lost a

few months ago in Antarctica on one of her expeditions. Now, with no direction, a year out of high school, and obsessed with making umbrellas that look like her own dreams (but mostly just mourning her aunt), she is easily swept away by Kiran Thrash—a glamorous, capricious acquaintance who shows up and asks Jane to accompany her to a gala at her family's island mansion called Tu Reviens. Jane remembers her aunt telling her: "If anyone ever invites to you to Tu Reviens, promise me that you'll go." With nothing but a trunkful of umbrella parts to her name, Jane ventures out to the Thrash estate. Then her story takes a turn, or rather, five turns. What Jane doesn't know is that Tu Reviens will offer her choices that can ultimately determine the course of her untethered life. But at Tu Reviens, every choice comes with a reward, or a price. "A genre-obliterating book...all but rewires your brain as you read it." —The New York Times Book Review

2020-05-12

A Gentleman's Guide to Vice and Virtue meets Miss Fisher's Murder Mystery in this rollicking romp of truth, lies, and troubled pasts. New Year's Eve, 1929. Millie is running the show at the Cloak & Dagger, a swinging speakeasy in the French Quarter, while her aunt is out of town. The new year is just around the corner, and all of New Orleans is out to celebrate, but even wealthy partiers' diamond earrings can't outshine the real star of the night: the boy in the red dress. Marion is the club's star performer and his fans are legion--if mostly underground. When a young socialite wielding a photograph of Marion starts asking questions, Millie wonders if she's just another fan. But then her body is found crumpled in the courtyard, dead from an apparent fall off the club's balcony, and all signs point to Marion as the murderer. Millie knows he's innocent, but local detectives aren't so easily convinced. As she chases clues that lead to cemeteries and dead ends, Millie's attention is divided between the wry and beautiful Olive, a waitress at the Cloak & Dagger, and Bennie, the charming bootlegger who's offered to help her solve the case. The clock is ticking for the fugitive Marion, but the truth of who the killer is might be closer than Millie thinks.
