Gyn/Ecology - Mary Daly 2016-07-26

This revised edition includes a New Intergalactic Introduction by the Author. Mary Daly's New Intergalactic Introduction explores her process as a Crafty Pirate on the Journey of Writing Gyn/Ecology and reveals the autobiographical context of this "Thunderbolt of Rage" that she first hurled against the patriarchs in 1979 and no hurls again in the Re-Surging Movement of Radical Feminism in the Be-Dazzling Nineties.

Heart - Dick Cheney 2013-10-22

Former Vice President Dick Cheney and his longtime cardiologist, Dr. Jonathan Reiner, share the story of Cheney's thirty-five-year battle with heart disease—providing insight into the incredible medical breakthroughs that have changed cardiac care over the last four decades. For as long as he has served at the highest levels of business and government, Vice President Dick Cheney has also been one of the world's most prominent heart patients. Now, for the first time ever, Cheney, together with his longtime cardiologist, Jonathan Reiner, MD, shares the very personal story of his courageous thirty-five-year battle with heart disease, from his first heart attack in 1978 to the heart transplant he received in 2012. In 1978, when Cheney suffered his first heart attack, he received essentially the same treatment President Eisenhower had had in 1955. Since then, cardiac medicine has been revolutionized, and Cheney has benefitted from nearly every medical breakthrough. At each juncture, when Cheney faced a new health

challenge, the technology was one step ahead of his disease. Cheney's story is in many ways the story of the evolution of modern cardiac care. Heart is the riveting, singular memoir of both doctor and patient. Like no US politician has before him, Cheney opens up about his health struggles, sharing harrowing, never-before-told stories about the challenges he faced during a perilous time in our nation's history. Dr. Reiner provides his perspective on Cheney's case and also gives readers a fascinating glimpse into his own education as a doctor and the history of our understanding of the human heart. He masterfully chronicles the important discoveries, radical innovations, and cutting-edge science that have changed the face of medicine and saved countless lives. Powerfully braiding science with story and the personal with the political, Heart is a sweeping, inspiring, and ultimately optimistic book that will give hope to the millions of Americans affected by heart disease.

History of Lace - Mrs. Bury Palliser 1865

A Forest Journey: The Story of Wood and Civilization - John Perlin 2005-09-20

A contemporary view of the effects of wood, as used for building and fuel, and of deforestation on the development of civilization. Until the ascendancy of fossil fuels, wood has been the principal fuel and building material from the dawn of civilization. Its abundance or scarcity greatly shaped, as A Forest Journey ably relates, the culture, demographics, economy, internal and external politics, and technology of

successive societies over the millennia. The book's comprehensive coverage of the major role forests have played in human life--told with grace, fluency, imagination, and humor—gained it recognition as a Harvard Classic in Science and World History and as one of Harvard's "One-Hundred Great Books." Others receiving the honor include such luminaries as Stephen Jay Gould and E. O. Wilson. This new paperback edition will add a prologue and an epilogue to reflect the current situation in which forests have become imperative for humanity's survival.

Peace Like a River - Leif Enger 2007-12-01
Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

Tennessee Williams: One Act Plays -

Tennessee Williams 2020-01-30

The peak of my virtuosity was in the one-act plays. Some of which are like firecrackers on a rope. Tennessee Williams Tennessee Williams's lesser-known one-act plays reveal a tantalising and fascinating perspective to one of the world's most important playwrights. Written between 1934 and 1980, the plays of the very young writer, then of the successful Tennessee

Williams, and finally of the troubled man of the 1970s, this volume offers a panoramic yet detailed view of the themes, demons, and wit of this iconic playwright. The volume depicts American life during the Great Depression and after, populated by a hopelessly hopeful chorus girl, a munitions manufacturer ensnared in a love triangle, a rural family that deals "justice" on its children, an overconfident mob dandy, a poor couple who quarrel to vanquish despair, a young "spinster" enthralled by the impulse of rebellion, and, in *The Magic Tower*, a passionate artist and his wife whose youth and optimism are not enough to protect their 'dream marriage.' This collection gathers some of Williams's most exuberant early work and includes one-acts that he would later expand to powerful full-length dramas: 'The Pretty Trap,' a cheerful take on *The Glass Menagerie*, and 'Interior: Panic,' a precursor to *A Streetcar Named Desire*. Plays included are: *At Liberty*, *The Magic Tower*, *Me*, *Vashya*, *Curtains for the Gentleman*, *In Our Profession*, *Every Twenty Minutes*, *Honor the Living*, *The Cast of the Crushed Petunias*, *Moony's Kid Don't Cry*, *The Dark Room*, *The Pretty Trap*, *Interior: Panic*, *Kingdom of Earth*, *I Never Get Dressed Till After Dark on Sundays* and *Some Problems for The Moose Lodge*. The volume also features a foreword by Terence McNally.

The Crazyladies of Pearl Street - Trevanian
2006-06-06

Legendary writer Trevanian brings readers his most personal novel yet: a funny, deeply felt, often touching coming-of-age novel set in 1930s America. Six-year-old Jean-Luc LaPointe, his little sister, and his spirited but vulnerable young mother have been abandoned—again—by his father, a charming con artist. With no money and nowhere else to go, the LaPointes create a fragile nest in a tenement building at 238 North Pearl Street in Albany, New York. For the next eight years, through the Great Depression and Second World War, they live in the heart of the Irish slum, surrounded by ward heelers, unemployment, and grinding poverty. Pearl Street is also home to a variety of "crazyladies": Miss Cox, the feared and ridiculed teacher who ignites Jean-Luc's imagination; Mrs. Kane, who runs a beauty parlor/fortune-telling salon in the back of her husband's grocery store; Mrs.

Meehan, the desperate, harried matriarch of a thuggish family across the street; lonely Mrs. McGivney, who spends every day tending to her catatonic husband, a veteran of the Great War; and Jean-Luc's own unconventional, vivacious mother. Colorful though it is, Jean-Luc never stops dreaming of a way out of the slum, and his mother's impossible expectations are both his driving force and his burden. As legendary writer Trevanian lovingly re-creates the neighborhood of his youth in this funny, deeply moving coming-of-age novel, he also paints a vivid portrait of a neighborhood, a city, a nation in turmoil, and the people waiting for a better life to begin. It's a heartfelt and unforgettable look back at one child's life in the 1930s and '40s, a story that will be remembered long after the last page is turned.

An Innocent Abroad - J. Hillis Miller
2015-11-30

Since 1988, J. Hillis Miller has traveled to China to lecture on literary theory, especially the role of globalization in literary theory. Over time, he has assisted in the development of distinctively Chinese forms of literary theory, Comparative Literature, and World Literature. The fifteen lectures gathered in *An Innocent Abroad* span both time and geographic location, reflecting his work at universities across China for more than twenty-five years. More important, they reflect the evolution of Miller's thinking and of the lectures' contexts in China as these have markedly changed over the years, especially on either side of Tiananmen Square and in light of China's economic growth and technological change. A foreword by the leading theorist Fredric Jameson provides additional context.

This Is Real and You Are Completely Unprepared
- Alan Lew 2003-08-01

There are times in life when we are caught utterly unprepared: a death in the family, the end of a relationship, a health crisis. These are the times when the solid ground we thought we stood on disappears beneath our feet, leaving us reeling and heartbroken, as we stumble back to our faith. The Days of Awe encompass the weeks preceding Rosh Hashanah up to Yom Kippur, a period in which Jews take part in a series of rituals and prayers that reenact the journey of the soul through the world from birth to death. This is a period of contemplation and repentance, comparable to Lent and Ramadan. Yet, for Rabbi Alan Lew, the real purpose of this annual passage is for us to experience brokenheartedness and open our heart to God. In *This is Real and You Are Completely Unprepared*, Lew has marked out a journey of seven distinct stages, one that draws on these rituals to awaken our soul and wholly transform us. Weaving together Torah readings, Buddhist parables, Jewish fables and stories from his own

life, Lew lays bare the meanings of this ancient Jewish passage. He reveals the path from terror to acceptance, confusion to clarity, doubt to belief, and from complacency to awe. In the tradition of *When Bad Things Happen to Good People, This Is Real And You Are Completely Unprepared* enables believers of all faiths to reconnect to their faith with a passion and intimacy that will resonate throughout the year.

Civil Procedure - Jack H. Friedenthal 1997-01

Stay Close - Libby Cataldi 2009-04-28

During his early teens, Jeff Bratton started using drugs. At first, alcohol and pot, but quickly he spiraled into using cocaine, ketamine, crystal meth and eventually heroin. How could this wonderful son, loving brother, and star athlete lose himself to drugs? How could his parents be so clueless? How could his mother, the long-term head of a private school, be so blind? "Stagli vicino", an Italian recovering addict told the author. "Stay close—never leave him, even when he is most unlovable." This is not a book about saving a child. It is a book about what it means to stay close to a loved one gripped by addiction. It is about one son who came home and one mother who never gave up hope. Stay Close is one mother's tough, honest, and intimate tale that chronicles her son's severe drug addiction, as it corroded all relationships from the inside out. It is a story of deep trauma and deep despair, but also of deep hope—and healing. Here is Libby Cataldi's story about dealing with addiction without withdrawing love, learning to trust again while remaining attuned to lies, and the cautious triumph of staying clean one day at a time. He told her, "Mom, never quit believing." And she didn't.

The Other Side of Charleston - Michael Trinkley 1996

A study of the 1994 archaeological and historical survey of the block in Charleston, S.C.--bounded by King St., Princess St., Archdale St., and Market St.--proposed for the construction of the Saks Fifth Avenue department store. Five site areas are explored, one associated with a standing structure used as a saloon and grocery throughout its history (corner of Market and Archdale), two associated with free persons of color, one associated with a middle-income white family, and a fifth associated with the rear alleyway of a businessman's hotel during the 19th century.

The Underpants - Steve Martin 2015-08-04

Theobald Maske has an unusual problem: his wife's underpants won't stay on. One Sunday morning they fall to her ankles right in the middle of town--a public scandal! Mortified, Theo swears to keep her at home until she can find some less unruly undies. Amid this chaos he's trying to rent a room in their flat. The prospective lodgers have some underlying surprises of their own. In *The Underpants*, Steve Martin brings his comic genius and sophisticated literary style to Carl Sternheim's classic 1910 farce, *Die Hose*. His hilarious new version was staged by Artistic Director Barry Edelstein, and opened in March '02 on Off-Broadway to critical acclaim.

The Uneasy Conscience of Modern Fundamentalism - Carl F. H. Henry 2003-08-29

Originally published in 1947, *The Uneasy Conscience of Modern Fundamentalism* has since served as the manifesto of evangelical Christians serious about bringing the fundamentals of the Christian faith to bear in contemporary culture. In this classic book Carl F. H. Henry, the father of modern fundamentalism, pioneered a path for active Christian engagement with the world -- a path as relevant today as when it was first staked out. Now available again and featuring a new foreword by Richard J. Mouw, *The Uneasy*

Conscience of Modern Fundamentalism offers a bracing world-and-life view that calls for boldness on the part of the evangelical community. Henry argues that a reformation is imperative within the ranks of conservative Christianity, one that will result in an ecumenical passion for souls and in the power to meaningfully address the social and intellectual needs of the world.

Subversive Southerner - Catherine Fosl 2006-08-01

With a Foreword by Angela Y. Davis Winner of the 2003 Oral History Association Book Award Winner of the 2003 Gustavus Myers Center for Human Rights Outstanding Book Award Anne McCarty Braden (1924-2006) was a courageous southern white woman who in the late 1940s rejected her segregationist and privileged past to become a lifelong crusader

against racial discrimination. Arousing the conscience of white southerners to the reality of racial injustice, Braden was branded a communist and seditious by southern politicians who used McCarthyism to buttress legal and institutional segregation as it came under fire in deferral courts. She became, nevertheless, one of the civil rights movement's staunchest white allies and one of five southern whites commended by Rev. Martin Luther King Jr. in his 1963 "Letter from Birmingham Jail." Although Braden remained a controversial figure even in the movement, her commitment superseded her radical reputation, and she became a mentor and advisor to students who launched the 1960s sit-ins and to successive generations of peace and justice activists. In this riveting, oral history-based biography, Catherine Fosl also offers a social history of how racism, sexism, and anticommunism overlapped in the twentieth-century south and how ripples from the Cold War divided and limited the southern civil rights movement.

Designing Successful Professional Meetings and Conferences in Education
Susan Mundry
2000-08-15

This book outlines the principles of planning, implementing, and evaluating successful professional meetings and conferences in education. The following are among the topics discussed: (1) the knowledge base of effective meetings and conferences (nine principles held by effective meeting designers; characteristics of effective meetings and conferences; principles of effective adult learning); (2) early planning (identification of target audiences, conference budgets, identification of cosponsors or partners; selection of locations and dates; delegation of responsibility for conference design and planning); (3) design issues (selecting activities and approaches; identifying the view of participants assumed in the design; using the authentic task approach; choosing and supporting speakers; communicating with leaders, facilitators, and presenters; marketing conferences; preparing preconference participant mailings; managing conferences); (4) evaluating a conference or meeting (focusing the evaluation; identifying the evaluation's audience; choosing data collection methods; evaluating the meeting design and process; selecting evaluation methods; using evaluation information to make improvements; and conducting regular evaluations of small meetings and working

sessions; and (5) producing conference proceedings (purposes of proceedings and ways to capture the meeting and add analysis to reporting). The following items are appended: examples of topics addressed by professional meeting planners; sample agendas; and sample evaluations. The bibliography lists 23 references. (MN)
