Grave Descend - Michael Crichton 2013-08-27

An Edgar Award finalist from the #1 New York Times–bestselling author of Jurassic Park: A diver enters dangerous waters to recover a sunken yacht. The Grave Descend lies under more than sixty feet of clear blue Caribbean water, guarded by a coral reef and schools of hungry hammerhead sharks. Raising it would be a near-impossible task, but James McGregor is suited to the impossible. An expert diver, he makes his living exploring sunken ships. But there's something strange about the wreck of the Grave Descend. How did she sink? Why do none of the survivors tell the same story? And what was the cargo inside her hull? To answer these questions, McGregor will have to contend with the deadliest sharks around—both underwater and on land. This ebook features an illustrated biography of Michael Crichton including rare images from the author's estate.

Fly by Wire - Ward Larsen 2010

"Falling like a stone from six miles up, a brand new C-500 crashes in central France, killing two pilots aboard. With over one hundred C-500s in service around the world, interest is keen to get to the bottom of the mystery. When French officials take over this highly public investigation, they call in the best there is: they call Frank 'Jammer' Davis. A retired U.S. Air Force fighter pilot, Davis is part of the National Transportation Safety Board's 'go team.' With a reputation for getting things done—and for steamrolling anyone who gets in his way—Davis starts to dig. But just as Davis starts his investigation, news of the crash is overshadowed by a more spectacular disaster: suicide bombers attack oil refineries across the world, sending governments and financial markets into a tailspin. A relentless Davis keeps working, but when he finally uncovers the cause of the crash, and its terrifying connection to the terrorist attacks, it is a conspiracy of unthinkable proportions. A conspiracy he might not be able to stop"—Cover, p. 2.

Scratch One - Michael Crichton 2013-07-23

"Set in the ultra-glamorous French Riviera of the late sixties . . . pure, high-octane entertainment" from the blockbuster author of Jurassic Park (Pop Mythology). An arms dealer in Copenhagen dies after sipping a poisoned martini. An American diplomat in Lisbon is shot in the back of the head. A Frenchman survives being pushed in front of a train, only to be murdered in his hospital bed. Though seemingly unconnected, these events are part of an international conspiracy that could spell death for Roger Carr. Carr is a lawyer, but he has no love for Lady Justice. A dilettante playboy sent to France on a cushy assignment, he lands himself right in the middle of an international arms deal. Both sides of the conflict have mistaken him for an agent, and the secret service interventions of a dozen countries will do anything to secure him—dead or alive. This ebook features an illustrated biography of Michael Crichton including rare images from the author's estate.

Travels - Michael Crichton 2012-05-14

From the bestselling author of Jurassic Park, Timeline, and Sphere comes a deeply personal memoir full of fascinating adventures as he travels everywhere from the Mayan pyramids to Kilimanjaro. Fueled by a powerful curiosity—and by a need to see, feel, and hear, firsthand and close-up—Michael Crichton's journeys have carried him into worlds diverse and compelling—swimming with mud sharks in Tahiti,

tracking wild animals through the jungle of Rwanda. This is a record of those travels—an exhilarating quest across the familiar and exotic frontiers of the outer world, a determined odyssey into the unfathomable, spiritual depths of the inner world. It is an adventure of risk and rejuvenation, terror and wonder, as exciting as Michael Crichton's many masterful and widely heralded works of fiction.

Passenger 19 - Ward Larsen 2016-01-03

USA Today Best-Selling Author Florida Book Award Silver Medal Jammer Davis has investigated many aircraft crashes—but never one with his daughter on board. Jammer Davis has spent most of his life investigating aircraft accidents. When a small regional jet disappears over the jungles of Colombia, it is a tragedy like dozens of others he has seen...but for one terrible detail—his young daughter, who was en route to a semester abroad in South America, is listed on the passenger manifest. A distraught Davis rushes to Bogota and bulls his way into the inquiry. When the wreckage is located, it becomes clear the crash was unsurvivable. As the investigation gains momentum, the facts go astray. Two pilots had been shot before the crash, along with one passenger. The possibility of a hijacking looms large as the search begins to focus on two passengers who boarded the plane, yet their remains cannot be found. Davis uncovers an even more sinister plot behind the entire disaster—one that goes to the highest levels of the United States government. But how could it possibly involve his daughter? Perfect for fans of Daniel Silva, Tom Clancy, and Michael Creighton. While all of the novels in the Jammer Davis Series stand on their own and can be read in any order, the publication sequence is: Fly by Wire Fly by Night Passenger 19

Sole Survivor - Dean Koontz 2007-06-29

A catastrophic, unexplainable plane crash leaves three hundred and thirty dead -- no survivors. Among the victims are the wife and two daughters of Joe Carpenter, a Los Angeles Post crime reporter. A year after the crash, still gripped by an almost paralyzing grief, Joe encounters a woman named Rose, who claims to have survived the crash. She holds out the possibility of a secret that will bring Joe peace of mind. But before he can ask any questions, she slips away. Driven now by rage (have the authorities withheld information?) and a hope almost as unbearable as his grief (if there is one survivor, are there others?), Joe sets out to find the mysterious woman. His search immediately leads him into the path of a powerful and shadowy organization hell-bent on stopping Rose before she can reveal what she knows about the crash. Sole Survivor unfolds at a heart-stopping pace, as a desperate chase and a shattering emotional odyssey lead Joe to a truth that will force him to reassess everything he thought he knew about life and death -- a truth that, given the chance, will rock the world and redefine the destiny of humanity. BONUS: This edition contains an excerpt from Dean Koontz's The City.

Airframe - Michael Crichton 1996

This thriller with a scientific background comes from the author of Jurassic Park and Disclosure.

Sphere - Michael Crichton 2012-05-14

From the author of Jurassic Park, Timeline, and Congo comes a psychological thriller about a group of scientists who investigate a spaceship discovered on the ocean floor. In the middle of the South Pacific, a thousand feet below the surface, a huge vessel is unearthed. Rushed to the scene is a team of American

scientists who descend together into the depths to investigate the astonishing discovery. What they find defies their imaginations and mocks their attempts at logical explanation. It is a spaceship, but apparently it is undamaged by its fall from the sky. And, most startling, it appears to be at least three hundred years old, containing a terrifying and destructive force that must be controlled at all costs.

Dealing - Michael Crichton 2013-07-23

A wild, “entertaining—slick and cool and savvy” novel of the sixties drug culture from the #1 bestselling author of Jurassic Park and his brother (The New York Times). The suitcase looks like a standard weekend bag. But like the man who carries it, it isn’t what it seems. Lined with tinfoil to mask the smell, it is a smuggler’s bag and will soon be filled to the brim with marijuana bricks. The smuggler is a Harvard student who has come to California to make his fortune. He hopes to score not just with his connection but with his new girlfriend, a Golden State beauty with an appetite for fine weed. When the deal goes south, she takes the fall, and a crooked FBI agent swipes half the stash. To free his girl, this pothead will have to make the deal of a lifetime. This ebook features an illustrated biography of Michael Crichton including rare images from the author’s estate.

The Falling Woman - Richard Farrell 2021-05-11

“This is the kind of novel I like best . . . Great writing, great plotting, and a thoughtful plumbing of what makes us human.” —B. A. Shapiro, bestselling author of *The Art Forger* and *The Collector’s Apprentice* First, it’s just a barely believable rumor: one person may have survived the midair explosion of a passenger jet on a cross-country course from Washington, DC, to San Francisco. But soon she becomes a national media sensation when “the Falling Woman,” as the press dubs her, is said to have been taken to a Wichita hospital—and then to have disappeared without a trace. As a dedicated National Transportation Safety Board agent joins the search for clues, he becomes drawn into the woman’s moving and personal fight to keep secret the story of her survival, even from her own family, and possibly at risk to his own career. *The Falling Woman* is a novel that asks compelling and controversial questions about the value of life and what should be sacrificed in the name of love.

Molasba - Charles Dusenbury 2013-03-06

Within months of the Japanese sneak attack on Pearl Harbor, Jimmy Doolittle lead his squadron of B-25's off the deck of the USS Hornet on a raid into the heart of the enemy. As the war in the Pacific progressed, B-25s, retrofitted with twelve 50 caliber machine guns, swept in at treetop level to wreak devastation on enemy shipping and airfields at Rabaul, New Guinea, Borneo, The Philippines and Formosa. Now, in another century, against another enemy, but again in the same locale, they were on a super-secret mission which would never be reported and officially denied. The Mighty B-25 Mitchell Bombers were, for the last time, out against a distant enemy in a distant land. Again those who would stifle freedom had launched a series of extremist's attacks on America and her allies. Old, but still very useful, the WW II planes and the veteran pilots who had flown them are called upon again to defend freedom. For both man and machine, this would be the old warriors' last hurrah.

Last Days of the Condor - James Grady 2015-02-17

Now on television: Condor, an AT&T Audience Network original series inspired by James Grady's first Condor novel. Look in the mirror: You're nobody anybody knows. You know pursuing the truth will get you killed. But you refuse to just fade away. So you're designated an enemy of the largest secret national security apparatus in America's history. Good guys or bad guys, it doesn't matter: All assassins' guns are aimed at you. And you run for your life branded with the code name you made iconic: Condor. Everyone you care about is pulled into the gunsights. The CIA star young enough to be your daughter-she might shoot you or save you. The savvy political aide who lets love trump the law. The lonely woman your romantic dreams make a fugitive. The Middle Eastern child warrior you mentored into a master spy. Last Days of the Condor is the bullet-paced, ticking clock saga of America on the edge of our most startling spy world revolution

since 9/11. Set in the savage streets and Kafkaesque corridors of Washington, DC, shot through with sex and suspense, with secret agent tradecraft and full-speed action, with hunters and the hunted, Last Days of the Condor is a breakneck saga of America's secrets from muckraking investigative reporter and author James Grady. Freefall - Jessica Barry 2019-01-08

A MOST ANTICIPATED BOOK OF 2019: Entertainment Weekly | USA Today | Parade | Cosmopolitan | New York Post | PopSugar | Goodreads “Jessica Barry’s *Freefall* is not only an enthralling, impossible-to-put-down mystery that keeps the pages flying, but it is also a gorgeous, resonant tale of a mother’s unconditional love for her daughter. I could not recommend this more!” —Aimee Molloy, New York Times bestselling author of *The Perfect Mother* “An absorbing treat.” – PEOPLE Magazine “The corporate malfeasance and shady conspiracies of John Grisham, with the frank feminism of two rounded female protagonists.” — Entertainment Weekly They say your daughter is dead. You know they’re wrong. When her fiancé’s private plane crashes in the Colorado Rockies, everyone assumes Allison Carpenter is dead. But Maggie, Allison’s mother back home in Owl Creek, Maine, refuses to believe them. Maggie knows her daughter – or she used to, anyway. For the past two years, the two women have been estranged, and while Maggie doesn’t know anything about Ally’s life now – not even why she was on a private plane to begin with – she still believes in her girl’s strength, and in their love for each other. As Allison struggles across the treacherous mountain wilderness, Maggie embarks on a desperate search for answers about the world Allison has been involved in. What was she running from? And can Maggie uncover the truth in time to save her? Told from the perspectives of a mother and daughter separated by distance but united by an unbreakable bond, *Freefall* is a heart-stopping, propulsive thriller about two tenacious women overcoming unimaginable obstacles to protect themselves and the ones they love.

Dragon Teeth - Michael Crichton 2017-05-23

Michael Crichton, the #1 New York Times bestselling author of *Jurassic Park*, returns to the world of paleontology in this recently discovered novel—a thrilling adventure set in the Wild West during the golden age of fossil hunting. The year is 1876. Warring Indian tribes still populate America's western territories even as lawless gold-rush towns begin to mark the landscape. In much of the country it is still illegal to espouse evolution. Against this backdrop two monomaniacal paleontologists pillage the Wild West, hunting for dinosaur fossils, while surveilling, deceiving and sabotaging each other in a rivalry that will come to be known as the Bone Wars. Into this treacherous territory plunges the arrogant and entitled William Johnson, a Yale student with more privilege than sense. Determined to survive a summer in the west to win a bet against his arch-rival, William has joined world-renowned paleontologist Othniel Charles Marsh on his latest expedition. But when the paranoid and secretive Marsh becomes convinced that William is spying for his nemesis, Edwin Drinker Cope, he abandons him in Cheyenne, Wyoming, a locus of crime and vice. William is forced to join forces with Cope and soon stumbles upon a discovery of historic proportions. With this extraordinary treasure, however, comes exceptional danger, and William's newfound resilience will be tested in his struggle to protect his cache, which pits him against some of the West's most notorious characters. A page-turner that draws on both meticulously researched history and an exuberant imagination, *Dragon Teeth* is based on the rivalry between real-life paleontologists Cope and Marsh; in *William Johnson* readers will find an inspiring hero only Michael Crichton could have imagined. Perfectly paced and brilliantly plotted, this enormously winning adventure is destined to become another Crichton classic.

The Silent Listener - Lyn Yeowart 2021-02-02

'The Silent Listener is simply unforgettable.' Sydney Morning Herald 'A tale of suspense and revenge, beautifully written.' The Age 'A deftly wrought suspense novel from a remarkable new literary talent . . . A book that should be atop of everyone's reading list.' J. P. Pomare, author of Call Me Evie Propelling the reader back and forth between the 1940s, 1960s and 1980s, The Silent Listener is an unforgettable literary suspense novel set in the dark, gothic heart of rural Australia. In the cold, wet summer of 1960, 11-year-old Joy Henderson lives in constant fear of her father. She tries to make him happy but, as he keeps reminding her, she is nothing but a filthy sinner destined for Hell . . . Yet, decades later, she returns to the family’s farm to nurse him on his death bed. To her surprise, her ‘perfect’ sister Ruth is also there, whispering dark

words, urging revenge. Then the day after their father finally confesses to a despicable crime, Joy finds him dead - with a belt pulled tight around his neck . . . For Senior Constable Alex Shepherd, investigating George's murder revives memories of an unsolved case still haunting him since that strange summer of 1960: the disappearance of nine-year-old Wendy Boscombe. As seemingly impossible facts surface about the Hendersons - from the past and the present - Shepherd suspects that Joy is pulling him into an intricate web of lies and that Wendy's disappearance is the key to the bizarre truth. **** 'A book that should be atop of everyone's reading list. The prose is spectacular, and the characters so richly imagined. This is a novel about inherited violence and redemption packaged as a cracking psychological thriller.' J. P. Pomare, author of Call Me Evie 'Intense, intricate, emotionally devastating. This is proper Australian gothica.' Liam Pieper, author of Sweetness and Light 'Totally addictive.' Books+Publishing 'A cracking thriller with heart.

It intrigues, it twists and turns, it deftly combines the muddy domestic details of life on a Victorian farm with a black, Gothic sensibility of lies and violence and the heartbreaking fantasy world of a young child.' Jane Sullivan 'A heartbreaking, terrifying and stunningly accomplished novel that had me holding my breath. Yeowart instantly pulled me into the life of a rural family dominated by an angry, insecure despot from its unnerving beginnings to its shocking end.' Kirsten Alexander, author of Half Moon Lake 'Steeped in atmosphere and with taut, intricate plotting, The Silent Listener, contrary to its title, had me audibly gasping throughout.' Benjamin Stevenson, author of Either Side of Midnight 'An ingenious form of storytelling archaeology: down through layers of family trauma, the truths are finally brought to light.' Jock Serong, author of The Rules of Backyard Cricket
