Tafsir Ibn Kathir Juz' 21 - Muhammad Saed Abdul-Rahman 2009-11-01

This is Part 21 of the 2nd edition of Tafsir Ibn Kathir. The first edition of this book contained many formatting and typing errors. In this new

edition, we have corrected all the errors found in the first edition. We have also re-arranged the structure and size of the books. We have divided this tafsir into thirty parts to correspond with the thirty parts of The Glorious Qur'an, and have

published each part as a self-contained book. Our aim is to gather in one place, for the English-speaking public, all relevant information needed to make the Qur'an more understandable and easier to study. This book tries to do this by providing the following: 1. The Arabic Text for those who are able to read Arabic 2.

Transliteration of the Arabic text for those who are unable to read the Arabic script. This will give them a sample of the sound of the Qur'an, which they could not otherwise comprehend from reading the English meaning. 3. The meaning of the Qur'an (translated by Dr. Muhammad Taqi-ud-Din Al-Hilali, Ph.D. and Dr. Muhammad Muhsin Khan) 4. Background introductions by two famous Islamic scholars, Maududi and Ibn Kathir 5. An Anthropology of the Qur'a Ahmed Achrati
2021-11-30

This book presents an anthropological study of the Qur'an, offering an unprecedented challenge to some of the epistemological and metaphysical assumptions of the tawhīdic discourses. Combining primary textual materials and

anthropological analysis, this book examines transcendence as a core principle of the Qur'an, uniquely signified in the divine name al-Quddūs (the Holy). It shows how the tawhīdic representations of Allah constitute an inversion of this attribute; examines how this inversion has been conceived, authorized, and maintained; and demonstrates how it has affected Islamic thinking and practices, especially as relates to authority. This book also explores how a return to the Qur'anic primacy of God's otherness as al-Quddūs can influence Islamic thinking and practices moving forward. Therefore, it will be highly useful to scholars of Islamic Studies, philosophical theology, Qur'anic studies, political science, ethics, anthropology, and religious studies.

Tafsir As-Sa'di is a straightforward, easy to read, easy to understand explanation of the meaning of Qur'anic Ayat and statements. In addition to the simplicity of Ibn Sa'di's writing, it is also articulate and eloquent. Consequently, for those newly acquainted with Tafsir and those new to Islam, this Tafsir provides an uncomplicated, deep and insightful comprehension into the meaning and explanation of the Qur'an. The uniqueness of this Tafsir is in the style the Shaikh used to explain the Ayat in a way that it is similar to everyday writing, without listing the various prophetic sayings or statements of the scholars of Tafsir, which Shaikh Ibn Sa'di used as a basis of his Tafsir.

Tafsir Al Tustari - Sahl B 'abd Allah Al Tustari 2019-01-05

A collection of the long-unavailable tafasir, or commentaries on the Qur'an, which help to properly explain and contextualize the revelation, this series aims to make leading exegetical works-in translation, unabridged, and faithful to the letter and meaning of the Arabic-widely available for study and research. The earliest surviving Sufi commentary on the Qur'an, this record is not only one of the few

authenticated works in Tustari's name but is also a key source for understanding the mystical thought and teachings of this important and influential Sufi. In addition to insights into the spiritual significance of almost 1,000 verses of the Qur'an, this commentary, presented in complete English translation for the first time, includes numerous references to traditions of the Prophet, explanations of the ethical and mystical dimensions of the religious life, stories of the prophets, and anecdotes about earlier mystics. Generously augmented with explanatory footnotes throughout, the book will provide readers with an invaluable introduction to the Sufi tradition of Qur'anic interpretation and acquaint them with spiritual doctrines fundamental to the later development of Sufism.

Sufi Commentaries on the Qur'an in

Classical Islam - Kristin Sands 2006-07-13

Meeting the ever increasing interest in Islam and Sufism, this book is the first comprehensive study of Sufi Qur'anic commentaries and

includes translations of many writings previously unavailable in English. It examines the shared hermeneutical assumptions of Sufi writers and the diversity in style of Sufi commentaries. Some of the assumptions analyzed are: * the Qur'an is a multi-layered and ambiguous text open to endless interpretation * the knowledge of deeper meanings of the Qur'an is attainable by means other than transmitted interpretations and rational thought * the self is dynamic, moving through states and stations which result in different interpretations at different times. The styles of Sufi commentaries are explored, which range from philosophical musings to popular preaching to literary narrative and poetry. Other commentaries from the classical period are also investigated to provide context in understanding Sufi approaches and exegetical styles.

Al- Baḥr Al-Madīd - Aḥmad ibn Muḥammad Ibn 'Ajībah 2009

Providing commentary on three oft-recited chapters of the Holy Qur'an, this excerpt of the monumental discourse by 18th-century mystic and scholar Ahmad ibn 'Ajiba presents both an example of Islamic erudition based on traditional sources as well as insight into his own personal journey of discovery. Each verse is expounded upon with an exoteric explanation as well as related with an esoteric commentary to the mystic path of Islam, Sufism. As one of the few scholarly translations of traditional Qur'anic

exegesis, this volume affords the previously unacquainted access not only to how educated Muslims have understood the dominant themes of these three chapters since the earliest days of Islam but also to how traditional Sufic sources have viewed the same themes in respect to the microcosm of the soul and the journey towards God.

The Maqasidic Tafsir - Karim Abuzaid 2021-04-14

The Maqasidic Tafsir (Al-Tafsir Al-Maqasidi) concentrates on evaluating the higher objective (The Maqasid) of each chapter of the Qur'an methodologically. It then describes how each chapter's contents reveal the harmony between

the higher purpose and the means to achieve it. The Maqasidic Tafsir is mainly a combination of both Evidence and Opinion-based Tafsir. It represents an exclusive Maqasidic (Higher Aim) approach to explain the Quran. In Tafsir's available trends, the Maqasidic method has yet to be treated exclusively and has been subject to only partial and inclusive discussions. After Allah established Islam on earth, and with the death of the prophet the revelation ceased. The early Muslims were able to reapply the Quran in their lives. Hence, they gained dominance and strength on earth, because they were able to read the Quran again in light of their present time. The time between the present and the revelation has prolonged. Hence, the process of reapplication took a backseat. Eventually, reapplication ceased to exist in the lives of the Muslims. There is a huge difference between the previous age and the modern age. In the modern age, the process of reapplication needs a different approach. The in-depth comprehension

of the Quran and to apply its suitable verses that fit our present deficiencies and weaknesses can eliminate them and turn them into forces. The Maqasidic Tafsir, that is pursuing the higher aims of the Quranic script is a means to recover this bond between the Muslims of today and the Quran, we must understand that each verse and chapter of the Quran has a (Maqsid), which means an aim, purpose, objective, goal, and wisdom. The Scholars of Tafsir successfully, thoroughly, and orderly revealing The Higher Aims (The Maqasid) of the hundred and fourteen chapters of the Quran and turn them into progressive, executable action plans. The Muslim Ummah will gradually realize the change to better by the will of Allah. Recovering the bond between today`s Muslims and the Quran is not a choice. It is crucial to amend and reform our conditions and restore our destined position amongst humanity. The hope in Allah alone, to correct the condition of the Muslim Ummah, but the rope between Allah and us is the Quran.

The Meaning of the Quran Abd al-Aziz Kamal 1983

A Thematic Commentary on the Qur'an - Muḥammad Ghazali 2000

In a multi-faith world, Islam is widely regarded as dogmatic and exclusivist. Yet in the Qur'an we have a great and worthy example of how to live in diversity, of powerful scriptural tenets that lend themselves precisely to engagement with those of other faiths. As such Islam has much to add to the debate on Religious Pluralism. For Muslims the issue is a delicate one. Aside from being tolerant and respectful of other faiths, advocating freedom of faith, and peaceful coexistence for all humanity, Muslims have to intellectually engage on matters of religious truth whilst defending the validity of their own Islamic tenets. This study is focused on the Qur'anic text. It explores the Qur'anic conception of normative religious pluralism with a view to providing answers to questions such as whether the Qur'an itself regards normative religious pluralism as a value system or simply a method through which the Qur'anic world view

can be actualized. In doing so the author corrects some highly controversial misquoted, mistranslated, and/or quoted out of context verses of the Qur'an, including the so-called verse of the sword and the perception of not taking non-Muslims as friends. In reality, the Qur'an calls for freedom of faith and peaceful coexistence, but condemns oppression, religious persecution, and those who initiate hostilities. In this way it not only invokes human dignity, but restores it when it is violated.

Islamic Law and Muslim Same-Sex Unions
Junaid Jahangir 2016-10-03

This book is written with the objective of reasonably addressing the need of Muslim gays and lesbians for a life which involves intimacy, affection and companionship within the confines of a legal contract. Contemporary conservative Muslim leaders unreasonably promote false marriages with straight spouses, failing which they prescribe the "solution" of permanent

celibacy as a “test.” This book delves into an extensive scholarship on the same sources that conservative Muslim leaders draw on—the Qur’an, Hadith and jurisprudence. It is argued that the primary sources of Muslim knowledge addressed sexual acts between the same gender in the context of inhospitality, exploitation, coercion and disease, but not true same-sex unions; past Muslim scholarship is silent on the issue of sexual orientation and Muslim same-sex unions. The arguments of contemporary conservative Muslim leaders are deconstructed and the case for Muslim same-sex unions is made based on jurisprudential principles and thorough arguments from within the Muslim tradition.

Etiquette & Manners: Eating

Tafsīr Ibn ‘Abbās - Muḥammad ibn Ya‘qūb Fīrūzābādī 2008

A collection of the long-unavailable tafasir, or commentaries on the Qur'an, which help to properly explain and contextualize the revelation, this series aims to make leading exegetical works—in translation, unabridged, and faithful to the letter and meaning of the Arabic—widely available for study and research. One of the most pivotal works for understanding the environment that influenced the development of Qur'anic exegesis, this volume—originally written by Abdullah Ibn 'Abbas and Ibn Ya'qub al-Firuzabadi—offers valuable insight into the circulation and exchange of popular ideas between Islam, Judaism, and Christianity during the formative phase of Islamic exegesis. In addition, the work avoids elaborate theological, philosophical, and grammatical explanations, making it easily accessible to nonspecialists.

Al-Ghazali the Islamic Reformer - Mohamed Abu Bakr a. Al-Musleh 2019-10-16

Numerous studies have been done on Imam al-Ghazali (1058-1111) in almost all major languages. So much is the academic attention given to him, and deservedly so, that it is difficult to find any element of originality in a new study on him. Various aspects of his life and thought have yet to be adequately studied, one of them being his role in islah (Islamic reform). It is also true that the study of islah as a separate topic is somewhat new, and available literature on the subject is limited within the views and the achievements of a number of distinguished scholars in the modern times. This work attempts to discover part of the rich legacy of the reformers by introducing a pre-modern scholar as Imam al-Ghazali.

Opening the Qur'an - Walter H. Wagner 2010-07-02

Opening the Qur'an can be a bewildering experience to non-Muslim, English-speaking readers. Those who expect historical narratives, stories, or essays on morals are perplexed once they pass the beautiful first Surah, often shocked and then bogged down by Surah 2, and even offended by Surah 3's strictures against nonbelievers. Walter H. Wagner "opens" the Qur'an by offering a comprehensive and extraordinarily readable, step-by-step introduction to the text, making it accessible to students, teachers, clergy, and general readers interested in Islam and Islam's holy Book. Wagner first places the prophet Muhammad, the Qur'an, and the early Muslim community in their historical, geographical, and theological contexts. This background is a basis for interpreting the Qur'an and understanding its role in later Muslim developments as well as for relationships between Muslims, Jews, and Christians. He then looks in detail at specific passages, moving from cherished devotional

texts to increasingly difficult and provocative subjects. The selected bibliography serves as a resource for further reading and study. Woven into the discussion are references to Islamic beliefs and practices. Wagner shows great sensitivity toward the risks and opportunities for non-Muslims who attempt to interpret the Qur'an, and sympathy in the long struggle to build bridges of mutual trust and honest appreciation between Muslims and non-Muslims.

The Message of the Qur'ān - 2003

Tafsir Ibn Kathir - Ismā'īl ibn 'Umar Ibn Kathīr
2000

Quran - Talal Itani 2014-08-17

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to

read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word "Allah" to refer to the Creator. Edition (B) uses the word "God". Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And

the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, "This is the she-camel of Allah, so let her drink." 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

Islam in Retrospect - Maher S. Mahmassani
2014-07-27

RENEWING OUR UNDERSTANDING OF ISLAM IN TODAY'S WORLD Islam, in many of its current guises, no longer resembles its original Message. In a world of intractable conflicts

plagued by political Islam and Islamophobia—and where other forms of fundamentalism within the major religious creeds are on the rise, as well—this book serves as a reminder. It aims to recover and reaffirm Islam's underlying and guiding principles. Setting out to distinguish the divine from the human in order to elucidate the pristine nature of the divine Message, Mahmassani reasserts Islam's universal, secular, and progressive character. In Part One of this comprehensive and meticulously researched volume, the author places the Message of Islam within its historic, geographic, and cultural contexts. Focusing on the primacy of the Holy Qur'an among the sources of Islam, he examines the controversies which have surrounded the Prophetic Tradition—Sunna and Hadith—as a source of Islam, demonstrating the full scope of Islam's universality. In Part Two he goes on to clarify Islam's secular nature by reconsidering inherited beliefs about the relationship between

Islam and the state, and Islam and Sharia'a law, revealing Islam's inherent humanism. This leads, in Part Three, to reflections on the progressive nature of Islam, and on the importance of the role of the mind in understanding and taking full benefit of religion as an engine of progress. In particular, the author focuses on human rights, including issues of human dignity, freedom of faith, and gender equality. Islam in Retrospect: Recovering the Message is a rich contribution to continuing efforts to reform perceptions of Islam. Scholars and students in the fields of Islamic studies, religion, and the humanities, teachers, policy makers, and general readers will find this carefully constructed sourcebook invaluable for its fresh outlook and approach to understanding Islam and Muslim Scriptures in the light of today's world. As Mahmassani affirms, "Islam, as a divine message, has been—and continuously remains—perfect."
