Words of Radiance - Brandon Sanderson 2014-03-04

From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. The Lost Metal - Brandon Sanderson 2022-11-15

Return to #1 New York Times bestseller Brandon Sanderson's Mistborn world of Scadrial as its second era, which began with The Alloy of Law, comes to its earth-shattering conclusion in The Lost Metal. For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trell, worshipped by the Set. And Trell isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial...at any cost. Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin. Firstborn - Brandon Sanderson 2010-07-20

Of the son of a High Duke of the interstellar Empire, much glory is expected. And expected. And still expected, despite endless proof that young Dennison Crestmar has no talent whatsoever for war. But the life Dennison is forced to live will have its surprising lessons to impart... Brandon Sanderson's novels include Elantris, the Mistborn series (Mistborn, The Well of Ascension, and The Hero of Ages), Warbreaker, and the several volumes of the Stormlight Archive beginning with 2010's The Way of Kings. Following the death of Robert Jordan in 2007, Jordan's wife and editor Harriet McDougal recruited Sanderson to finish Jordan's multi-volume fantasy series The Wheel of Time from Jordan's extensive drafts and notes. Published in 2009, The Gathering Storm, by Jordan and Sanderson, is the first of the three volumes that will conclude Jordan's epic. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Cytonic - Brandon Sanderson 2021-11-23

NEW YORK TIMES BESTSELLER • The third book in an epic series about a girl who will travel beyond the stars to save the world she loves from destruction from the author of the Reckoners series, the Mistborn trilogy, and the Stormlight Archive. Spensa's life as a Defiant Defense Force pilot has been far from ordinary. She proved herself one of the best starfighters in the human enclave of Detritus and she saved her people from extermination at the hands of the Krell—the enigmatic alien species that has been holding them captive for decades. What's more, she traveled light-years from home as an undercover spy to infiltrate the Superiority, where she learned of the galaxy beyond her small, desolate planet home. Now, the Superiority—the governing galactic alliance bent on dominating all human life—has started a galaxy-wide war. And Spensa's seen the weapons they plan to use to end it: the Delves. Ancient, mysterious alien forces that can wipe out entire planetary systems in an instant. Spensa knows that no matter how many pilots the DDF has, there is no defeating this predator. Except that Spensa is Cytonic. She faced down a Delver and saw something eerily familiar about it. And maybe, if she's able to figure out what she is, she could be more than just another pilot in this unfolding war. She could save the galaxy. The only way she can discover what she really is, though, is to leave behind all she knows and enter the Nowhere. A place from which few ever return. To have courage means facing fear. And this mission is terrifying.

The Alloy of Law - Brandon Sanderson 2011-11-08

After 20 years in the Roughs, Waxillium Ladrian—a rare Twinborn who can Push on metals with his Allomancy—is forced by family tragedy to return to Elendel, where he learns the hard way that the mansions and elegant tree-lined streets of the city can be more dangerous than the dusty plains of the Roughs.

And the Trees Crept In - Dawn Kurtagich 2016-09-06

A stunning, terrifying novel about a house the color of blood and the two sisters who are trapped there, by The Dead House author Dawn Kurtagich When Silla and Nori arrive at their aunt's home, it's immediately clear that the "blood manor" is cursed. The creaking of the house and the stillness of the woods surrounding them would be enough of a sign, but there are secrets too—the questions that Silla can't ignore:

Who is the beautiful boy that's appeared from the woods? Who is the man that her little sister sees, but no one else? And why does it seem that, ever since they arrived, the trees have been creeping closer? Filled with just as many twists and turns as *The Dead House*, and with achingly beautiful, chilling language that delivers haunting scenes, *AND THE TREES CREPT IN* is the perfect follow-up novel for master horror writer Dawn Kurtagich.

Skyward - Brandon Sanderson 2018-11-06

A NEW YORK TIMES BESTSELLER! From Brandon Sanderson, the #1 New York Times bestselling author of the *Reckoners* series, *Words of Radiance*, and the internationally bestselling *Mistborn* series, comes the first book in an epic new series about a girl who dreams of becoming a pilot in a dangerous world at war for humanity's future. Spensa's world has been under attack for decades. Now pilots are the heroes of what's left of the human race, and becoming one has always been Spensa's dream. Since she was a little girl, she has imagined soaring skyward and proving her bravery. But her fate is intertwined with her father's—a pilot himself who was killed years ago when he abruptly deserted his team, leaving Spensa's chances of attending flight school at slim to none. No one will let Spensa forget what her father did, yet fate works in mysterious ways. Flight school might be a long shot, but she is determined to fly. And an accidental discovery in a long-forgotten cavern might just provide her with a way to claim the stars. Even Though I Knew the End - C. L. Polk 2022-11-08

C. L. Polk turns their considerable powers to a fantastical noir with *Even Though I Knew the End*. "Stylish supernatural noir with a heart and a thrumming pulse. I devoured it."—Laini Taylor A magical detective dives into the affairs of Chicago's divine monsters to secure a future with the love of her life. This sapphic period piece will dazzle anyone looking for mystery, intrigue, romance, magic, or all of the above. An exiled augur who sold her soul to save her brother's life is offered one last job before serving an eternity in hell. When she turns it down, her client sweetens the pot by offering up the one payment she can't resist—the chance to have a future where she grows old with the woman she loves. To succeed, she is given three days to track down the White City Vampire, Chicago's most notorious serial killer. If she fails, only hell and heartbreak await.

Sunreach (Skyward Flight: Novella #1) Brandon Sanderson 2021-09-28

From #1 bestselling author Brandon Sanderson and Janci Patterson comes the first of three *Skyward* series novellas, each told from the perspective of a different member of the team back on Detritus. Read FM's story between Starsight and Cytonic. When a planet-destroying Delver suddenly appears in the sky of Detritus and vanishes just as suddenly, FM knows that the last free human society got lucky. Her *Skyward Flight* companion, Spensa, figured out how to draw this Delver away, but it won't be so easy next time. The forces of the Galactic Superiority will be back—and if the Defiant Defense Force can't figure out a way to escape the planet, humanity's destruction is only a matter of time. Spensa's mission to infiltrate the Superiority unveiled the secret to their hyperdrives—a cytonic slug species called the Taynix. Now FM's flightleader, Jorgen, has found a large group of Taynix hiding in the caverns far below Detritus's surface. FM and Jorgen must work together with the engineer Rig to awaken the mysterious alien Alanik and unlock the powers of the Taynix, or humanity will be trapped. With Spensa's friend Minister Cuna of the Superiority stranded at the outpost of *Sunreach*, they need to figure out how to rescue them—or the Superiority government will be in the sole clutches of those who want to wipe out Detritus once and for all. Edge of Extinction #1: The Ark Laura Martin 2016-05-10

Jurassic World meets Dawn of the Planet of the Apes in this epic new middle grade series full of heart-pounding action and breathtaking chills! "Amazing adventures!" raves *Brightly.com* as they recommend *Edge of Extinction* as a 2016 Holiday Gift for Tween Readers. One hundred and fifty years ago, the first dinosaurs were cloned. Soon after, they replaced humans at the top of the food chain. The only way to survive was to move into underground compounds. . . . Five years ago, Sky Mundy's father vanished from North Compound without a trace. Now she has just stumbled on a clue that not only suggests his disappearance is just the tip of an even larger mystery, but also points directly to the surface. To find her dad—and possibly even save the world—Sky and her best friend, Shawn, must break out of their underground home and venture topside to a land reclaimed by nature and ruled by dinosaurs. Perfect for fans of Brandon Mull, Lisa McMann, and Rick Riordan, this exhilarating debut novel follows two courageous friends who must survive in a lost world that's as dangerous as they've always feared but also unlike anything they could ever have imagined.

The Rithmatist - Brandon Sanderson 2013-05-14

From #1 New York Times bestselling author Brandon Sanderson: his debut novel for the young adult audience More than anything, Joel wants to be a Rithmatist. Chosen by the Master in a mysterious inception ceremony, Rithmatists have the power to infuse life into two-dimensional figures known as Chalklings. Rithmatists are humanity's only defense against the Wild Chalklings—merciless creatures that leave mangled corpses in their wake. Having nearly overrun the territory of Nebraska, the Wild Chalklings now threaten all of the American Isles. As the son of a lowly chalkmaker at Armedius Academy, Joel can only watch as Rithmatist students study the magical art that he would do anything to practice. Then students start disappearing—kidnapped from their rooms at night, leaving trails of blood. Assigned to help the professor who is investigating the crimes, Joel and his friend Melody find themselves on the trail of an unexpected discovery—one that will change Rithmatists—and their world—forever. Bestselling author Brandon Sanderson brings his unique brand of epic storytelling to the teen audience with an engrossing tale of danger and suspense—the first of a series. With his trademark skills in world-building, Sanderson has created a magic system that is so inventive and detailed that that readers who appreciate games of strategy and tactics just may want to bring Rithmatists to life in our world. What the Storm Means: Prologue to the Gathering Storm - Robert Jordan 2009-09-17

The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. In the Prologue to *The Gathering Storm*, the first volume of the last trilogy of Robert Jordan's *Wheel of Time* epic, Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he attempts to halt the Seanchan encroachment northward—wishing he could form at least a temporary truce with the invaders—his allies watch in terror the shadow that seems to be growing within the heart of the Dragon Reborn himself. As with the previous three titles in the *Wheel of Time* series, this prologue from Robert Jordan's *The Gathering Storm*, completed by Brandon Sanderson, is available for sale before the book's official release date (October 27, 2009). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Legion: Lies of the Beholder - Brandon Sanderson 2020-03-10

The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This Stormlight Archive discounted ebook bundle includes: The Way of Kings, Words of Radiance, Oathbringer The #1 New York Times bestselling epic fantasy series by Brandon Sanderson! The Stormlight Archive is the wildly imaginative epic fantasy from New York Times bestselling author Brandon Sanderson: welcome to the remarkable world of Roshar, a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Roshar is shared by humans and the enigmatic, humanoid Parshendi, with whom they are at war. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them, but in the war against the Parshendi, the ancient weapons and armor may not be enough. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. --- Other Tor books by Brandon Sanderson The Cosmere The Stormlight Archive The Way of Kings Words of Radiance Edgedancer (Novella) Oathbringer The Mistborn trilogy Mistborn: The Final Empire The Well

Shadows for Silence in the Forests of Hell - Brandon Sanderson 2015-03-03

Originally appearing in the Dangerous Women anthology and now available as a solo ebook, Shadows for Silence in the Forests of Hell is a chilling novella of the Cosmere, the universe shared by Brandon Sanderson's Mistborn series and the #1 New York Times bestselling Stormlight Archive. When the familiar and seemingly safe turns lethal, therein danger lies. Amid a forest where the shades of the dead linger all around, every homesteader knows to follow the Simple Rules: "Don't kindle flame, don't shed the blood of another, don't run at night. These things draw shades." Silence Montane has broken all three rules on more than one occasion. And to protect her family from a murderous gang with high bounties on their heads, Silence will break every rule again, at the risk of becoming a shade herself.

Mitosis: A Reckoners Story - Brandon Sanderson 2013-12-03

Epics still plague Newcago, but David and the Reckoners have vowed to fight back. Praise for the Reckoners Series: #1 New York Times Bestselling Series "Another win for Sanderson . . . he's simply a brilliant writer. Period." —Patrick Rothfuss, author of the New York Times and USA Today bestseller The Name of the Wind "Action-packed." —EW.com "Compelling. . . . Sanderson uses plot twists that he teases enough for

readers to pick up on to distract from the more dramatic reveals he has in store." —The A.V. Club

Alcatraz - Brandon Sanderson 2012

On his thirteenth birthday, Alcatraz - a foster child - gets a bag of sand in the mail which purports to be his 'inheritance' sent from his father and mother. The Librarians, of course, immediately steal the bag of sand from him. This sparks a chain of events which leads Alcatraz to realize that his family is part of a group of freedom fighters who resist the Evil Librarians - the secret cult who actually rule the world. Alcatraz's grandfather shows up and tows him off to infiltrate the downtown library to steal back the mystical bag of sand. The ensuing story involves talking dinosaurs, sentient romance novels, and a dungeon-like labyrinth hiding beneath the innocent-looking downtown library.

Skyward Flight: The Collection - Brandon Sanderson 2022-04-05

Return to the planet Detritus with FM, Alanik, and Jorgen in this must-have three-novella collection featuring exclusive character art and deleted scenes from Skyward with commentary from Brandon Sanderson. Journey with Skyward Flight to Detritus—humanity's final refuge from the hostile Galactic Superiority government. In Skyward, Spensa Nightshade became a starfighter pilot in the Defiant Defense Force's Skyward Flight to battle Superiority forces. In Starsight she impersonated the alien Alanik to infiltrate a Superiority space station and steal their hyperdrives. And in Cytonic she traveled the strange dimension of the Nowhere to discover the secrets of the planet-destroying Delves and unlock her own Cytonic powers. As she is stuck in the Nowhere, Spensa's companions FM and Jorgen in Skyward Flight are left on Detritus with a new mandate: figure out how to use the hyperdrives so that humanity can escape the planet and find allies among other species oppressed by the Superiority. First comes a distress call from Minister Cuna and other diones on the abandoned outpost of Sunreach. Alanik's people on the planet ReDawn and the Kitsen from the planet Evershore also need Skyward Flight's aid in their desperate battles. The tales of FM, Alanik, and Jorgen combine to expand the universe of the New York Times bestselling Skyward series to new action-packed heights. Once you've claimed the stars, can you keep them free?

Legion: Skin Deep - Brandon Sanderson 2014-11-24

From #1 New York Times bestselling author Brandon Sanderson, Stephen Leeds is back in a new, double-length novella that Library Journal says has "the pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis." It's not his own genius that Stephen Leeds gets hired for. Clients want to tap into the imaginary experts that populate his mind—and it's getting a bit crowded in there. Now Stephen and his internal team of "aspects" have been hired to track down a stolen corpse—but it's not the corpse that's important, it's what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen's uneasy peace with his own hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have used Stephen's hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?
