## **The Greatest Treasure Hunt in History: The Story of the Monuments Men (Scholastic Focus) -**

Robert M. Edsel 2019-01-29

Robert M. Edsel brings the story of his #1 NYT bestseller for adults The Monuments Men to young readers for the first time in this dynamic, narrative nonfiction project packed with photos. Robert M. Edsel, #1 New York Times bestselling author of The Monuments Men, brings this story to young readers for the first time in a sweeping, dynamic adventure detailing history's greatest treasure hunt. As the most destructive war in history ravaged Europe, many of the world's most cherished cultural objects were in harm's way. The Greatest Treasure Hunt in History recounts the astonishing true story of 11 men and one woman who risked their lives amidst the bloodshed of World War II to preserve churches, libraries, monuments, and works of art that for centuries defined the heritage of Western civilization. As the war raged, these American and British volunteers -- museum curators, art scholars and educators, architects, archivists, and artists, known as the Monuments Men -- found themselves in a desperate race against time to locate and save the many priceless treasures and works of art stolen by Adolf Hitler and the Nazis.

What Do Fish Have to Do with Anything? - Avi 2016-02-09

Avi charts the turning points in seven young lives in this extraordinary collection of short stories. In the overlapping years when childhood and adolescence blend and shift like waves and sand, nothing is certain and everything is changing. Now award-winning author Avi creates seven astonishing portraits of life in the middle-school years. In these stories you will meet, among others, William, of "What Do Fish Have to Do with Anything?" who wonders why he shouldn't ask questions that have no answers. Is it because he might discover the truth? A minister's son, the baddest of the bad, is dared to be good in "The Goodness of Matt Kaizer." And in the chilling tale, "Pets," Eve is haunted by the ghosts of her cats. Always with a surprise built in, an angle unseen, these are stories that step just beyond the edge of the everyday.

I Am Malala - Malala Yousafzai 2013-10-08

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

My Friends/Mis Amigos - Taro Gomi 2012-09-14

A little girl experiences the many gifts of friendship in this edition of the colorful children's book presented simultaneously in English and Spanish. Vibrant illustrations and a simple, rhythmic text are perfectly blended in this spirited homage to friendship as a little girl recounts all the things she has learned from an enchanting menagerie of animal friends: "I learned to run from my friend the horse. I learned to sing from my friends the birds. I learned to read from my friends the books. And I learned to love from a friend like you." The bold graphic design and brightly colored illustrations that have become the trademark of Taro Gomi's work will appeal to both children and adults. Praise for *My Friends* "In this ode to everyday activities and things, a free-spirited girl hops, jumps and kicks her way across the countryside, paying homage to her friends along the way. . . . Gomi's meticulous sense of design and careful use of brilliantly colored, highly delineated images imbues the story with a sense of the wonder and delight to be derived from life's simplest—but bountiful—moments." —Publishers Weekly "A little girl recites all the pleasurable things she has learned from her friends. . . . including such meaningful things as reading and studying and, most importantly, loving. . . . An elemental story that will reach toddlers and older preschoolers alike." —Booklist

**The Mitten**- Jan Brett 2009-10-05

In this bestselling modern classic, a young boy's lost mitten leads to a charming snowy adventure. Jan Brett's beautiful retelling makes a perfect holiday gift. When Nicki drops his white mitten in the snow, he goes on without realizing that it is missing. One by one, woodland animals find it and crawl in; first, a curious mole, then a rabbit, a badger and others, each one larger than the last. Finally, a big brown bear is followed in by a tiny brown mouse and what happens next makes for a wonderfully funny climax. As the story of the animals in the mitten unfolds, the reader can see Nicki in the borders of each page, walking through the woods unaware of what is going on. In her distinctive style, Jan Brett brings the animals to life with warmth and humor, and her illustrations are full of visual delights and details faithful to the Ukrainian tradition from which the story comes. Jan Brett is also the creator of such wintery classics as *The Hat*, *The Snowy Nap*, *Three Snowy Bears*, *The Animal's Santa*, and *The Night Before Christmas*. This book is also available in Spanish, as *El mitón*.

**Baseball Fever** Johanna Hurwitz 2000-02-02

Ezra Feldman, almost ten, likes baseball more than anything else in the world. But his father cannot understand why his son would rather rot his brains watching men swinging big wooden sticks than read a book or play chess. Can an unwanted car trip, a grumpy old professor, and a surprising chess victory help father and son find a little common ground--and convince Ezra's dad that cheering for the national pastime isn't completely off base? **The Curious Incident of the Dog in the Night-Time** - Mark Haddon 2009-02-24

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents'

marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

**Nearing Ninety** - Judith Viorst 2019-04-02

The newest illustrated poetry collection in beloved author Judith Viorst's "decade" series (from *It's Hard to Be Hip Over Thirty* to *Unexpectedly Eighty*), exploring, with her signature savvy and humor, what it means to be an impending nonagenarian. In *Nearing Ninety*, bestselling author Judith Viorst candidly shares the complicated joys and everyday tribulations that await us at the age of ninety, all with a large dose of humor and an understanding that nothing—well, almost nothing—in life should be taken too seriously. While she struggles to make it to midnight on New Year's Eve, while she's starting to hear more eulogies than symphonies, while she'll forever be disheartened by what she weighs (and forever unable to stop weighing herself), there is plenty to cherish at ninety: hanging out with the people she loves. Playing a relentless game of Scrabble. And still sleeping tush-to-tush with the same man to whom she's been married for sixty years. Accompanied by Laura Gibson's whimsical illustrations, *Nearing Ninety's* amusing and touching reflections make this collection relatable to readers of all ages. With the wisdom and spunk of someone who's seen it all, Viorst gently reminds us that everybody gets old, and that the best medicine at any age is laughter.

**Lulu Is Getting a Sister** - Judith Viorst 2019-09-10

Lulu is getting the sister she never asked for in this oh-so-funny illustrated chapter book filled with hilarious hijinks and fiesty twists from Judith Viorst. Lulu has received the worst. News. EVER. She's getting...a baby sister. No one ever asked HER opinion on this debacle. But she'll tell you anyway, because she no how, no way, no thank you wants a sibling. Undeterred, and to prepare Lulu for big sisterhood, her parents bribe—AHEM, ask—Lulu to attend Camp Sisterhood, a.k.a. big sister training camp. As a Sister-in-

Training (SIT), Lulu is assigned a variety of temporary little “siblings” who are supposed to be so much fun Lulu will become excited to have a permanent sibling of her own. Well, no one ever said Camp Sisterhood was supposed to teach Lulu how to be a good big sister, so Lulu resolves to be a bad big sister. She insults her little siblings. She taunts them with secrets. She even tricks one of them into carrying both of their backpacks up a mountain! Then some BITs (brothers-in-training) from the neighboring Camp Brotherhood start picking on Lulu’s siblings, and Lulu responds by doing her red-faced, steam-coming-out-of-her-ears thing and showing those BITs who’s boss! After all, Lulu’s siblings may be duds, but they’re her duds, and sisters have to stick together.

Downward to the Earth - Robert Silverberg 2022-03-15

“Vividly realized and inventive . . . A brooding masterpiece of social science fiction” from the Hugo and Nebula Award-winning author (Science Fiction and Other Suspect Ruminations). After eight years away from the planet known as Holman’s World, Edmund Gunderson has returned. Before, as the assistant station manager, he helped the Company exploit the bustling colonial outpost for Earth’s gain—mining its riches and putting its native species to work. Now, the planet has been given back to its inhabitants: the intelligent, elephant-like beings known as the nildoror, who peacefully coexist with carnivorous bipeds known as the sulidoror. And Edmund Gunderson has come back to relive his past and meet up with old acquaintances. Or so he says . . . What Gunderson really wants is to witness the rebirth of the nildoror, a sacred ceremony performed in the northern mist country. Given permission from the elders, he travels deeper into the exotic world than he has ever gone before, through tropical jungles teeming with alien creatures. It is a journey that will take Gunderson deep within himself, where his own failings and fears

reside, and bring him face to face with the planet’s greatest mysteries—and the evil within men’s souls . . . “Brilliantly imagined . . . One of the finest writers ever to work in science fiction.” —The Philadelphia Inquirer on Tom O’Bedlam “Like all truly superior sci-fi, Downward to the Earth is the sort of novel that just bursts with some imaginative idea or unexpected touch on every single page. It is a terrific feat of the imagination, wonderfully well written by Silverberg, and with fascinating characters, both alien and human.” —Fantasy Literature

**Breakfast of Champions** - Kurt Vonnegut 2009-09-23

“Marvelous . . . [Vonnegut] wheels out all the complaints about America and makes them seem fresh, funny, outrageous, hateful and lovable.”—The New York Times In Breakfast of Champions, one of Kurt Vonnegut’s most beloved characters, the aging writer Kilgore Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. “Free-wheeling, wild and great . . . uniquely Vonnegut.”—Publishers Weekly

**Nineteen Eighty-Four** - George Orwell 2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which the world is manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file Inner Party and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Lulu and the Brontosaurus Judith Viorst 2012-12-11

It's Lulu's birthday and she's decided she'd like a pet brontosaurus as a present. But when Lulu's parents tell her that's not possible, Lulu gets very upset. She does not like it when things don't go her way. So taking matters into her own hands Lulu storms off into the forest to find herself a new pet, all the way singing: I'm gonna, I'm gonna, I'm gonna, gonna, get a bronto-bronto-bronto-bronto-saurus for a pet! In the forest Lulu encounters a number of animals: a snake, a tiger, a bear, all of whom don't particularly impress her. And then she finds him... a beautiful, long-necked, gentle, graceful brontosaurus. And he completely agrees with Lulu that having a pet would be a wonderful thing indeed! Lulu thinks she's finally got her birthday wish. Until she realizes that Mr Brontosaurus thinks that she would make an ideal pet for him! How will Lulu ever get out of this sticky situation without throwing a fit (Mr B does not respond well to those), or using force (Mr B is much too tall to bonk on the head with her suitcase), or smushing her sandwich?

**The Day Jimmy's Boa Ate the Wash** - Trinka Hakes Noble 2008-10-01
