We have everything you need in one big book, plus a full year of access to online resources—including a 250-question Qbank, video lessons, and 5 practice tests—to help you master each section of the ACT. The Most Practice Six full-length Kaplan practice tests: 2 in the book and 4 online. More than 2,000 practice questions with detailed explanations, including hundreds of brand-new questions. Pre-quizzes to help you figure out what you already know and what you can skip. Mixed practice quizzes after every chapter to assess how much you've learned. Longer quizzes after every unit to help you cement your

understanding. A practice question at the beginning of each lesson to help you quickly identify the lesson's focus and dedicated practice questions after every lesson to test your comprehension. Efficient Strategy "On Test Day" strategy notes in every math chapter as reminders that the ACT math test is primarily a strategy test. "Reflect" pages after each chapter—these help you evaluate your comfort level with the topics and make a plan for improving before the test. Kaplan's expert strategies for each test section, including special techniques for the optional essay. Online study guidance to help you target your prep no matter how much time you have before the test. Expert Guidance We know the test: Our learning engineers have put tens of thousands of hours into studying the ACT, and we use real data to design the most effective strategies and study plans. Kaplan's books and practice questions are written by veteran teachers who know students—every explanation is written to help you learn.
