Frankendom - Robin L. Rotham 2014-04-01

A brilliant woman, a couple of mad scientists, and an erotic experiment with shocking results... Vascular surgeon Dr. Rachel McBride knows she'd be insane to pass up the chance to work on Julian Kilmartin's cutting-edge research project. The reclusive neurologist has been the object of her submissive daydreams since residency, and time and distance have only strengthened the dark compulsion. To complicate matters, a former lover who was all too aware of her attraction to Julian is also on the team. Charming obnoxious Dr. Colin Carter was Julian's protégé back in the day, and nothing appears to have changed...or has it? There's an earnestness to Colin now, an urgency she's never before seen in him. When she accepts the offer and travels to Eastern Europe, Rachel discovers that research is only part of her job description—and her total submission is only the beginning of the sexual excesses Julian and Colin will demand from her. Warning: You should assume any Robin L. Rotham book contains BDSM elements, anal play, and every possible ménage à trois permutation. Additionally, Frankendom contains mad scientists, real dungeons, whips, chains, spanking, a variety of taboo fantasies, mild puppy play, electrical devices in uncomfortable places, humor, and an intimidating ratio of sadists to masochists.

Enslave Me Sweetly - Gena Showalter 2006-06-06

Eden Black walks among humans, protecting them from the murderous evil of other-worlders who abduct and enslave. And though she appears to be human herself, Eden is an alien, a Raka, distinguished by her golden hair and skin, and gifted with the ominous ability to kill without remorse -- and with total accuracy. That is, until the fateful night she has one shot to eliminate her target, a human slaver -- and misses.

"Failure" is not in Eden's vocabulary. Neither is "partner" -- but that's what she is forcibly assigned after recovering from her disastrous mission. A sexy, steely-nerved human agent, Lucius Adaire enjoys nothing more than sparking the fury -- and rousing the desire -- of the fiery female assassin too proud to admit defeat. Locked in an assignment they cannot afford to lose, Lucius and Eden find themselves bound in two high-stakes, heart-pounding games: the sensual web of kill or be killed, and the erotic dance of seduction.

[Multilingual Practices in Language History](#) - Päivi Pahta 2017-12-18

Texts of the past were often not monolingual but were produced by and for people with bi- or multilingual repertoires; the communicative practices witnessed in them therefore reflect ongoing and earlier language contact situations. However, textbooks and earlier research tend to display a monolingual bias. This collected volume on multilingual practices in historical materials, including code-switching, highlights the importance of a multilingual approach. The authors explore multilingualism in hitherto neglected genres, periods and areas, introduce new methods of locating and analysing multiple languages in various sources, and review terminology, theories and tools. The studies also revisit some of the issues already introduced in previous research, such as Latin interacting with European vernaculars and the complex relationship between code-switching and lexical borrowing. Collectively, the contributors show that multilingual practices share many of the same features regardless of time and place, and that one way or the other, all historical texts are multilingual. This book takes the next step in historical multilingualism studies by establishing the relevance of the multilingual approach to understanding language history.

Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one-and fast, because soon, Doug's life won't be the only one on the line... Praise for Richelle Mead and her Succubus series "Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!"—Lilith Saintcrow, author of *The Devil's Right Hand* "This is one of those series I'm going to keep following."—Jim Butcher, New York Times bestselling author of the Harry Dresden series "The mix of supernatural mystery, romance, and reluctant succubus is great fun."—Locus "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism."—Booklist

When you're down on the farm, things are bound to get dirty! Joe Remke just has one qualification for his lovers--he wants them gone before sunrise, which makes his new bunkmate AJ about as safe as a woman can be around him. It also makes his determination to sleep with his boss downright stupid, because if Brent ever gives in, he'll be looking for a new job. Brent Andersen knows sex with his right-hand man Joe is inevitable, but he's not going down without a fight. Putting the new female hired hand in their cramped RV was a stroke of genius, taking the heat off him while protecting her from the horny guys on his custom farming crew. AJ Pender's bunkmates may hide their feelings for each other from the rest of the crew, but they aren't fooling her--Brent and Joe are hot for each other, and it's all she can do not to cry at the thought. Not that they'd be interested in her, of course, and if they ever found out she fantasizes about being the meat in their farmer sandwich, they'd probably die laughing. Fortunately for Brent and Joe, fantasies have a way of outing themselves and AJ's are right up their alley. But even three-ways have their risks, and AJ can serve as a buffer for only so long before the tension between them explodes. Warning: Flying BOBs ahead--and that's just the warm-up! Strap yourself in for a wild ride complete with ménage, m/m, and a voyeuristic f/f scene hot enough to make three grown men beg for mercy.

"Other attributes required: forgiving, opinionated, and not afraid to tell me when I'm wrong. Must also enjoy being touched and kissed at any time of my choosing." The fourth glowed with promise. "Call or email 'YOUR HEART, HIS SOUL' if interested in applying." The final made my future unfold. The advert was so similar to one I should never have applied for. employer could offer such terms. But I wasn't free. Neither was Gil. Therefore, my interview could never happen.
