Theft by Finding - David Sedaris 2017-05-30
One of the most anticipated books of 2017:
Boston Globe, New York Times Book Review,
New York's "Vulture", The Week, Bustle,
BookRiot An NPR Best Book of 2017 An AV Club
Favorite Book of 2017 A Barnes & Noble Best
Book of 2017 A Goodreads Choice Awards
nominee David Sedaris tells all in a book that is,
literally, a lifetime in the making. For forty
years, David Sedaris has kept a diary in which
he records everything that captures his
attention-overheard comments, salacious gossip,
soap opera plot twists, secrets confided by total
strangers. These observations are the source
code for his finest work, and through them he
has honed his cunning, surprising sentences.
Now, Sedaris shares his private writings with
the world. Theft by Finding, the first of two
volumes, is the story of how a drug-abusing
dropout with a weakness for the International
House of Pancakes and a chronic inability to
hold down a real job became one of the funniest
people on the planet. Written with a sharp eye
and ear for the bizarre, the beautiful, and the
uncomfortable, and with a generosity of spirit
that even a misanthropic sense of humor can't

fully disguise, Theft By Finding proves that
Sedaris is one of our great modern observers.
It's a potent reminder that when you're as
perceptive and curious as Sedaris, there's no
such thing as a boring day.

Canadian Who's Who 2003 - Elizabeth Lumley
2003-03

Now in its ninety-third year of publication, this
standard Canadian reference source contains
the most comprehensive and authoritative
biographical information on notable living
Canadians. Those listed are carefully selected
because of the positions they hold in Canadian
society, or because of the contribution they have
made to life in Canada. The volume is updated
annually to ensure accuracy, and more than
1,000 new entries are added each year to keep
current with developing trends and issues in
Canadian society. Included are outstanding
Canadians from all walks of life: politics, media,
academia, business, sports and the arts, from
every area of human activity. Each entry details
birth date and place, education, family, career
history, memberships, creative works, honours
and awards, and full addresses. Indispensable to
researchers, students, media, business,
government and schools, Canadian Who's Who is
an invaluable source of general knowledge. The
complete text of Canadian Who's Who is also
available on CD-ROM, in a comprehensively
indexed and fully searchable format. Search
'astronaut' or 'entrepreneur of the year,'
'aboriginal achievement award' and 'Order of
Canada' and discover a wealth of information.

Fast, easy and more accessible than ever, the Canadian Who's Who on CD-ROM is an essential addition to your computer library. Network Licencing available. ISBN 0-8020-4973-7 For pricing information, please contact (416) 978-2239 ext. 221 or 247

Franco-America in the Making - Jonathan K. Gosnell 2018-07-01

"A study of the manifestation and persistence of hybrid Franco-American literary, musical, culinary, and media cultures in North America, particularly New England and southern Louisiana"--

Christine de Pizan 2000 - 2022-09-12

Christine de Pizan (ca. 1364-ca. 1430)—whether read as lyric poet, prose polemicist or historian, feminist or universal moralist—has over the past thirty years become more widely read than any other medieval French author. The attraction of her works continues to grow amongst the general public, as well as among critics and historians of literature, ideas, science and the visual arts, political scientists and philologists, and specialists in feminist theory. Christine intrigues readers by her intellectual paradoxes as much as by her prefiguration of modern attitudes by and toward women. This collection of essays honours Angus J. Kennedy, an illustrious scholar who has greatly contributed to fostering this modern growth in interest. The editors here present a significant sampling of varieties of inquiry on Christine: a broad range of contributors, from around the world, represent different approaches and levels of experience. The volume contains two indexes, and a bibliography structured to serve as an integrated and integral reference source to pertinent primary and secondary materials. This volume thus charts the progress of Christine de Pizan studies at the start of the new millennium.

True to the spirit of its honoree, it also aims to serve as a gateway to future research.

Fluent in 3 Months Benny Lewis 2014-03-11

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Yale Alumni Weekly - 1907

The Past - Alan Pauls 2011-08-31

'A novel that is brilliant enough to raise itself effortlessly above and beyond the level of the vices it portrays: strange art and reckless passion, cocaine, excessive exercise and other forms of addiction' - Fabienne Dum, *Le Monde* Rimini splits up with his girlfriend of twelve years, Sofia. The parting is initially amicable and he moves on, carefree, with a new zest for life. Hungry to make up for lost time and keen to forget the past, he finds a younger girlfriend and starts using cocaine. Sofia, however, finds herself unable to let go, and continues to reappear on Rimini's horizon. Though the apparently idyllic relationship is over, their love has not died, merely taken on a different form.

As time passes and their paths continue to cross, the past festers and torments them, like an infection.

Everynight Life José Esteban Muñoz 1997

The function of dance in Latin/o American culture is the focus of the essays collected in *Everynight Life*. The contributors interpret how Latin/o culture expresses itself through dance, approaching the material from the varying perspectives of literary, cultural, dance, performance, queer, and feminist studies. Viewing dance as privileged sites of identity formation and cultural resistance in Latin/o America, *Everynight Life* translates the motion of bodies into speech, and the gestures of dance into a provocative socio-political grammar. This anthology looks at many modes of dance—including salsa, merengue, cumbia, rumba, mambo, tango, samba, and norteño—as models for the interplay of cultural memory and regional conflict. Barbara Browning's essay on capoeira, for instance, demonstrates how dance has been used as a literal form of resistance, while José Piedra explores the meanings conveyed by women of color dancing the rumba. Pieces such as Gustavo Perez Fírmát's "I Came, I Saw, I Conga'd" and Jorge Salessi's "Medics, Crooks, and Tango Queens" illustrate the lively scope of this volume's subject matter.

Contributors. Barbara Browning, Celeste Fraser Delgado, Jane C. Desmond, Mayra Santos Febres, Juan Carlos Quintero Herencia, Josh Kun, Ana M. López, José Esteban Muñoz, José Piedra, Gustavo Perez Fírmát, Augusto C. Puleo, David Román, Jorge Salessi, Alberto Sandoval

Searching for a Cultural Diplomacy - Jessica C. E. Gienow-Hecht 2010-11-01

Recent studies on the meaning of cultural diplomacy in the twentieth century often focus on the United States and the Cold War, based on the premise that cultural diplomacy was a key instrument of foreign policy in the nation's effort to contain the Soviet Union. As a result, the term "cultural diplomacy" has become one-dimensional, linked to political manipulation and subordination and relegated to the margin of diplomatic interactions. This volume explores the significance of cultural diplomacy in regions other than the United States or "western" countries, that is, regions that have been neglected by scholars so far—Eastern Europe, Asia, and the Middle East. By examining cultural diplomacy in these regions, the contributors show that the function of information and exchange programs differs considerably from area to area depending on historical circumstances and, even more importantly, on the cultural mindsets of the individuals involved.

Going Solo - Eva Rottenanger 2022-09-15

An insightful travel memoir about a three-month round-the-world journey that explores identity and how we fit into history and the global landscape. The daily realities of going solo as a senior combine with reflections on living and working abroad to highlight the vital role travel can play in the perpetual work in progress of learning who we are. Growing up as an immigrant, the author's sense of belonging was

ever challenged, making her question her national identity. Finding answers meant leaving home to explore the world; this memoir brings decades of observations together. She shows how experiencing unfamiliar social and political environments – some with questionable interpretations of freedom, justice, and human rights – helped define her identity by bringing her beliefs and values into focus. Travellers, she found, share traits such as openness to new ideas, curiosity, tolerance, and compassion – she aims to belong to that tribe. Reflecting on John – a fellow passenger who’s still going solo aged ninety – the memoir concludes that it’s never too late to start exploring and rewriting the story of who we are.

Simone - Eduardo Lalo 2015-11-02

Eduardo Lalo is one of the most vital and unique voices of Latin American literature, but his work is relatively little known in the English-speaking world. That changes now: this masterful translation of his most celebrated novel, Simone—which won the 2013 Rómulo Gallegos International Novel Prize—will introduce an English-language audience to this extraordinary literary talent. A tale of alienation, love, suspense, imagination, and literature set on the streets of San Juan, Puerto Rico, Simone tells the story of a self-educated Chinese immigrant student courting (and stalking) a disillusioned, unnamed writer who is struggling to make a name for himself in a place that is not exactly a hotbed of literary fame. By turns solipsistic and political, romantic and dark, Simone begins with the writer’s frustrated, satiric observations on his native city and the banal life of the university where he teaches—forces utterly at odds with the sensuality of his writing. But, as mysterious messages and literary clues begin to appear—scrawled on sidewalks and walls, inside volumes set out in bookstores, left on his answering machine and under his windshield wiper—Simone progresses into a cat-and-mouse game between the writer and his mystery stalker. When the eponymous Simone’s identity is at last revealed, the writer finds in the life of this Chinese immigrant a plight not unlike his own. Traumatized and lonely, the pair moves towards bittersweet collaborations in passion, grief, and art.
