Show and Tell: Level 1:

Activity Book - Oxford University Press 2019-01-03
Provides carefully scaffolded writing activities and further reading texts so that students can put the language they learn into practice. In every unit there are opportunities for the children to think creatively and build upon what they have learned in the Student Book, particularly in the story, values and cross-circular lessons. Opportunities for personalisation, including short end or unit projects to take home. Enhanced lesson-for-

lessonactivities provide parents with step-by-step instructions to better support their child with their homework.

English File 1 - Clive Oxenden
1996-01-01

English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be achieved in a first level course, and a complete source of ready-to-use supplementary materials. • Lessons which cover the grammar pronunciation, and vocabulary

syllabus of the course, with in-built revision and recycling. • Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds. • Graded listening materials and tasks. • Travel with English. Functional language, practical communication in international 'survival' contexts. • Revision and extension. Consolidation and development of core lessons through skills work. • Vocabulary file. Systematic vocabulary development and revision, and learning tips. • Grammar file. Self-check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference.

English File Intermediate

Student's Book - Christina

Latham-Koenig 2019-05

refreshing and fine-tuning of some favourite lessons from New English File - English File third edition provides the right mix of language, motivation, and opportunity to get students talking. English File third edition offers more support for teachers and students.

Teacher's Book provides over 100 photocopiables to save preparation time, plus extra tips and ideas. Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook, on-screen and interactive.

Partial Differential

Equations - Walter A. Strauss
2007-12-21

Partial Differential Equations presents a balanced and comprehensive introduction to the concepts and techniques required to solve problems containing unknown functions of multiple variables. While focusing on the three most classical partial differential equations (PDEs)—the wave, heat, and Laplace equations—this detailed text also presents a broad practical perspective that merges

mathematical concepts with real-world application in diverse areas including molecular structure, photon and electron interactions, radiation of electromagnetic waves, vibrations of a solid, and many more. Rigorous pedagogical tools aid in student comprehension; advanced topics are introduced frequently, with minimal technical jargon, and a wealth of exercises reinforce vital skills and invite additional self-study. Topics are presented in a logical progression, with major concepts such as wave propagation, heat and diffusion, electrostatics, and quantum mechanics placed in contexts familiar to students of various fields in science and engineering. By understanding the properties and applications of PDEs, students will be equipped to better analyze and interpret central processes of the natural world.

American English File - Clive
Oxenden 2010-01-07

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to

develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

American English File 3 Class - Christina Latham-Koenig 2013-06-22

English Grammar in Use Supplementary Exercises Book with Answers - Louise Hashemi 2019-01-24

This new edition has been updated and revised to accompany the Fifth edition of English Grammar in Use, the first choice for intermediate

(B1-B2) learners. This book contains 200 varied exercises to provide learners with extra practice of the grammar they have studied.

**Step Forward, Level 4,
Student Book/Workbook
Pack with Online Practice -**

Barbara R. Denman 2019-06
The Step Forward Student Book and Workbook Pack provides learners with the complete package of Step Forward content. The Student Book incorporates all of the skills learners need to pursue a career or educational program in the USA and the Workbook offers additional practice for every lesson in the student book and reinforces what students have learned in class. The Step Forward Second Edition series provides the essential language, skills and rigorous content that adult English language learners need to move confidently toward their work and academic goals. Each pack includes access codes for Step Forward Online Practice and the Oxford English Vocabulary Trainer app. The Online Practice reinforces the language and skills taught in the Student Books with over 200 new interactive activities that motivate students to keep learning and developing

their digital literacy skills. With the app, students can download the Step Forward wordlist to practice course-specific vocabulary. The app provides engaging and gamified practice with personalized, intelligent feedback. Newly revised to align with the College and Career Readiness Standards (CCR) and the English Language Proficiency Standards (ELP), Step Forward ensures that learners are well prepared to use their English in the real world.

American English File 3e Level 4 Student Book -

Christina Latham-Koenig
2020-07-28

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of

psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

National Electrical Code - National Fire Protection Association 2010
Safe, efficient, code-compliant electrical installations are made simple with the latest publication of this widely popular resource. Like its highly successful previous editions, the National Electrical Code 2011 spiral bound version combines solid, thorough, research-based content with the tools you need to build an

in-depth understanding of the most important topics. New to the 2011 edition are articles including first-time Article 399 on Outdoor, Overhead Conductors with over 600 volts, first-time Article 694 on Small Wind Electric Systems, first-time Article 840 on Premises Powered Broadband Communications Systems, and more. This spiralbound version allows users to open the code to a certain page and easily keep the book open while referencing that page. The National Electrical Code is adopted in all 50 states, and is an essential reference for those in or entering careers in electrical design, installation, inspection, and safety.

U.S. History P. Scott Corbett
2017-12-19

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence

requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the

people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
