The Man Who Mistook His Wife for a Hat - Oliver
Sacks 2011-09-14

In his most extraordinary book, the bestselling author of Awakenings and "poet laureate of medicine" (The New York Times) recounts the case histories of patients inhabiting the compelling world of neurological disorders, from

those who are no longer able to recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great healer, Sacks never loses sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

Life Science - 2001

[The Land of the Dead](#) - Mary Pope Osborne
2004-03-01

A retelling of part of the *Odyssey* in which Odysseus and his fleet continue their journey and encounter giant cannibals, a beautiful witch, and the Land of the Dead.

Zen Odyssey, An Okinawan Karate & Martial Arts Journey Mark D Bishop 2017-01-02

An entertaining odyssey by all means, which all readers, not only karate-ka, can enjoy. The work describes a fascinating 'voyage of discovery' through the Okinawan martial arts during the author's younger years. Both informative & factual, the work leads the reader on a journey of initiation from the preliminary stages of being a 'live-in disciple' of Goju-ryu & trainee of Matayoshi Kobudo in post-Reversion Okinawa, as he travels with the reader through the exploration of Uechi-ryu, Shorin-ryu & Okinawan te; also of a vast spectrum of connected Ryukyuan cultural entities. His attention to detail is commendable, as the shared expedition becomes an esoteric odyssey to find the zen spark of enlightenment that evades so many

seekers, but which can be found within one's own nature. Mark D Bishop is arguably the foremost authority on historical Okinawa karate & martial arts. He continues to write, travel, research and teach extensively on various aspects of these, including its related anma bodywork & zen.

An American Odyssey- Mary Schmidt Campbell
2018-08-06

By the time of his death in 1988, Romare Bearden was most widely celebrated for his large-scale public murals and collages, which were reproduced in such places as Time and Esquire to symbolize and evoke the black experience in America. As Mary Schmidt Campbell shows us in this definitive, defining, and immersive biography, the relationship between art and race was central to his life and work -- a constant, driving creative tension. Bearden started as a cartoonist during his college years, but in the later 1930s turned to painting and became part of a community of

artists supported by the WPA. As his reputation grew he perfected his skills, studying the European masters and analyzing and breaking down their techniques, finding new ways of applying them to the America he knew, one in which the struggle for civil rights became all-absorbing. By the time of the March on Washington in 1963, he had begun to experiment with the Projections, as he called his major collages, in which he tried to capture the full spectrum of the black experience, from the grind of daily life to broader visions and aspirations. Campbell's book offers a full and vibrant account of Bearden's life -- his years in Harlem (his studio was above the Apollo theater), to his travels and commissions, along with illuminating analysis of his work and artistic career. Campbell, who met Bearden in the 1970s, was among the first to compile a catalogue of his works. *An American Odyssey* goes far beyond that, offering a living portrait of an artist and the impact he made upon the world

he sought both to recreate and celebrate.

Cyclops - Euripides 1891

U.S. History - P. Scott Corbett 2017-12-19

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike.

U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

The Lincoln Highway - Amor Towles 2021-10-05

#1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “A real joyride . . . elegantly constructed and compulsively readable.” - NPR The bestselling author of A Gentleman in Moscow and Rules of Civility and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank,

Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes.

The Liberator - Alex Kershaw 2013-10-15

The untold story of the bloodiest and most dramatic march to victory of the Second World War—now a Netflix original series starring Jose Miguel Vasquez, Bryan Hibbard, and Bradley James “Exceptional . . . worthy addition to vibrant classics of small-unit history like Stephen

Ambrose’s Band of Brothers.”—Wall Street Journal Written with Alex Kershaw's trademark narrative drive and vivid immediacy, *The Liberator* traces the remarkable battlefield journey of maverick U.S. Army officer Felix Sparks through the Allied liberation of Europe—from the first landing in Italy to the final death throes of the Third Reich. Over five hundred bloody days, Sparks and his infantry unit battled from the beaches of Sicily through the mountains of Italy and France, ultimately enduring bitter and desperate winter combat against the die-hard SS on the Fatherland's borders. Having miraculously survived the long, bloody march across Europe, Sparks was selected to lead a final charge to Bavaria, where he and his men experienced some of the most intense street fighting suffered by Americans in World War II. And when he finally arrived at the gates of Dachau, Sparks confronted scenes that robbed the mind of reason—and put his humanity to the ultimate test.

The Right Stuff - Tom Wolfe 2008-03-04

From "America's nerviest journalist"

(Newsweek)--a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space. "Tom Wolfe at his very best" (The New York Times Book Review) Millions of words have poured forth about man's trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made *The Right Stuff* a classic.

Teaching Science in Today's Secondary Schools
Walter A. Thurber 1968

The Odyssey - Gareth Hinds 2010-10-12

Fresh from his triumphs in the Trojan War,

Odysseus, King of Ithaca, wants nothing more than to return home to his family. Instead, he offends the sea god, Poseidon, who dooms him to years of shipwreck and wandering. Battling man-eating monsters, violent storms, and the supernatural seductions of sirens and sorceresses, Odysseus will need all his strength and cunning--and a little help from Mount Olympus--to make his way home and seize his kingdom from the schemers who seek to wed his queen and usurp his throne. Award-winning graphic artist Gareth Hinds masterfully reinterprets a story of heroism, adventure, and high action that has been told and retold for more than 2,500 years--though never quite like this. With bold imagery and an ear tuned to the music of Homer's epic poem, Gareth Hinds reinterprets the ancient classic as it's never been told before.

The Lightning Thief - Rick Riordan 2010-02-02
Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

King of Ithaca Glyn Iliffe 2017-02-06

The first in the epic and unputdownable series of war and legends Greece is in turmoil, divided by feuding kingdoms desiring wealth, power... and revenge. When Eperitus, a young exiled soldier,

comes to the aid of a group of warriors in battle, little does he know what's in store. He is about to join the charismatic Odysseus, Prince of Ithaca, on a vital quest to save his homeland. Odysseus travels to Sparta to join the most famous heroes in paying suit to the sensuous Helen. Armed with nothing but his wits, he enters a treacherous world of warfare and politics to compete for the greatest prize in Greece. But few care for the problems of an impoverished prince when war with Troy beckons... An unmissable and ferociously exciting adventure for readers of David Gemmell, Christian Cameron and Simon Scarrow. *The Adventures of Odysseus King of Ithaca* *The Gates of Troy* *The Armour of Achilles* *The Oracles of Troy* *The Voyages of Odysseus* *Return to Ithaca* Praise for Glyn Iliffe 'It has suspense, treachery, and bone-crunching action... It will leave fans of the genre eagerly awaiting the rest of the series' *Times Literary Supplement* This is a must read for those who

enjoy good old epic battles, chilling death scenes and the extravagance of ancient Greece' Lifestyle Magazine 'The reader does not need to be classicist to enjoy this epic and stirring tale. It makes a great novel' Historical Novels Review 'I found it utterly fascinating, the historic detail was excellent. This was an easy and enjoyable read, and I am looking forward to the next instalments. As a personal read I can absolutely recommend it' Book Talk Bournemouth 'An exciting story with plenty of action, and the requisite supernatural elements ... if you are a fan of writers like Bernard Cornwell, Simon Scarrow and Conn Iggulden you will enjoy this.' Rachel Hyde, Myshef.com

The Majic Bus Douglas Brinkley 2003-04-15
Professor Douglas Brinkley arranged to teach a six-week experimental class aboard a fully equipped sleeper bus. The class would visit thirty states and ten national parks. They would read twelve books by great American writers. They would see Bob Dylan in Seattle, gamble at

a Vegas casino, dance to Bourbon Street jazz in New Orleans, pay homage to Elvis Presley's Graceland and William Faulkner's Rowan Oak, ride the whitewater rapids on the Rio Grande, and experience a California earthquake. Their journey took them to Thomas Jefferson's Monticello, Abraham Lincoln's Springfield, Harry Truman's Independence, and Theodore Roosevelt's North Dakota badlands. And it gave them the unforgettable experience of meeting some of their cultural heroes, including William S. Burroughs and Ken Kesey, who took the gang for a spin in his own psychedelic bus. Driven by Doug Brinkley's energetic prose, *The Majic Bus* is a spirited travelogue of a unique experience. *El - H Text books in Pri 1081*

The Liberator - Alex Kershaw 2012-10-30
The untold story of the bloodiest and most dramatic march to victory of the Second World War—now a Netflix original series starring Jose Miguel Vasquez, Bryan Hibbard, and Bradley

James “Exceptional . . . worthy addition to vibrant classics of small-unit history like Stephen Ambrose’s *Band of Brothers*.”—Wall Street Journal
Written with Alex Kershaw's trademark narrative drive and vivid immediacy, *The Liberator* traces the remarkable battlefield journey of maverick U.S. Army officer Felix Sparks through the Allied liberation of Europe—from the first landing in Italy to the final death throes of the Third Reich. Over five hundred bloody days, Sparks and his infantry unit battled from the beaches of Sicily through the mountains of Italy and France, ultimately enduring bitter and desperate winter combat against the die-hard SS on the Fatherland's borders. Having miraculously survived the long, bloody march across Europe, Sparks was selected to lead a final charge to Bavaria, where he and his men experienced some of the most intense street fighting suffered by Americans in World War II. And when he finally arrived at the gates of Dachau, Sparks confronted scenes that

robbed the mind of reason—and put his humanity to the ultimate test.

World History, the Human Experience -
Mounir Farah 2003

Infinite Jest - David Foster Wallace 2009-04-13

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human -

and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." -- Sven Birkerts, *The Atlantic*

International Handbook of Giftedness and Talent - K. A. Heller 2000-12-18

The first edition of this popular reference work was published in 1993 and received critical acclaim for its achievement in bringing together international perspectives on research and development in giftedness and talent. Scholars welcomed it as the first comprehensive volume in the field and it has proved to be an indispensable resource to researchers. Since the first edition, the scholarly field of giftedness and talent studies has expanded and developed,

welcoming contributions from researchers in related disciplines. Several theoretical frameworks outlined in the first edition have now been empirically tested and a number of new trends have emerged. The Second Edition of the *International Handbook of Giftedness and Talent* provides an invaluable research tool to academics, researchers and students interested in the field of giftedness and talent. The contributors are renowned in the field and the broad range of topics on giftedness that have been studied in the past century, right up to the late 1990s, are represented in this volume. It is truly international in scope, bringing together leading scholars and teachers from all around the world. This new edition has been fully updated and rewritten and includes 22 completely new chapters. It provides a comprehensive review and critical synthesis of significant theory; a unique cross-national perspective with contributions from over 100 distinguished authors covering 24 nations;

significant contributions from scholars working in related fields; an increased focus on empirically supported scholarship; and is arranged for quick and easy reference with comprehensive subject and author indexes.

The African-American Odyssey Darlene Clark Hine 2008

Odyssey - Homer 2018-10-23

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished

using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

[The African-American Odyssey Media Research Update](#) - Darlene Clark Hine 2004-02

For one/two-semester, undergraduate courses in African-American History, African-American Studies, and United States History. The Media and Research update edition includes a new CD-ROM-bound into every book-- that includes over 150 primary source documents in African American history each accompanied by essay questions. In addition, the CD ROM also contains media-rich activities that explore key episodes and developments. Finally, free access to Research Navigator is included in the Evaluating Online resources booklet that is packaged with all new copies of the text. With it students can access this powerful research tool with one site.

Written by leading scholars, *The African-American Odyssey* is a clear and comprehensive narrative of African-American history, from its African roots to the 21st century. This text places African-American history at the center, and in the context, of American History.

An Eagle's Odyssey Johannes Kaufmann
2019-05-30

'I realised that this brief but abortive sortie was to be the final mission of my Luftwaffe flying career.' Johannes Kaufmann's career was an exciting one. He may have been an ordinary Luftwaffe pilot, but he served during an extraordinary time, with distinction. Serving for a decade through both peacetime and wartime, his memoir sheds light on the immense pressures of the job. In this never-before-seen translation of a rare account of life in the Luftwaffe, Kaufmann takes the reader through his time in service, from his involvement in the annexation of the Rhineland, the attack on Poland, fighting against American heavy

bombers in the Defence of the Reich campaign. He also covers his role in the battles of Arnhem and the Ardennes, and the D-Day landings, detailing the intricacies of military tactics, flying fighter planes and the challenges of war. His graphic descriptions of being hopelessly lost in thick cloud above the Alps, and of following a line of telegraph poles half-buried in deep snow while searching for a place to land on the Stalingrad front are proof that the enemy was not the only danger he had to face during his long flying career. Kaufmann saw out the war from the early beginnings of German expansion right through to surrender to the British in 1945. *An Eagle's Odyssey* is a compelling and enlightening read, Kaufmann's account offers a rarely heard perspective on one of the core experiences of the Second World War.

Where Men Win Glory - Jon Krakauer 2010-07-27
NATIONAL BESTSELLER • A "gripping book about this extraordinary man who lived passionately and died unnecessarily" (USA

Today) in post-9/11 Afghanistan, from the bestselling author of *Into the Wild* and *Into Thin Air*. In 2002, Pat Tillman walked away from a multimillion-dollar NFL contract to join the Army and became an icon of American patriotism. When he was killed in Afghanistan two years later, a legend was born. But the real Pat Tillman was much more remarkable, and considerably more complicated than the public knew. Sent first to Iraq—a war he would openly declare was “illegal as hell” —and eventually to Afghanistan, Tillman was driven by emotionally charged, sometimes contradictory notions of duty, honor, justice, and masculine pride, and he was determined to serve his entire three-year commitment. But on April 22, 2004, his life would end in a barrage of bullets fired by his fellow soldiers. Though obvious to most of the two dozen soldiers on the scene that a ranger in Tillman’s own platoon had fired the fatal shots, the Army aggressively maneuvered to keep this information from Tillman’s family and the

American public for five weeks following his death. During this time, President Bush used Tillman’s name to promote his administration’s foreign policy. Long after Tillman’s nationally televised memorial service, the Army grudgingly notified his closest relatives that he had “probably” been killed by friendly fire while it continued to dissemble about the details of his death and who was responsible. Drawing on Tillman’s journals and letters and countless interviews with those who knew him and extensive research in Afghanistan, Jon Krakauer chronicles Tillman’s riveting, tragic odyssey in engrossing detail highlighting his remarkable character and personality while closely examining the murky, heartbreaking circumstances of his death. Infused with the power and authenticity readers have come to expect from Krakauer’s storytelling, *Where Men Win Glory* exposes shattering truths about men and war. This edition has been updated to reflect new developments and includes new material

obtained through the Freedom of Information Act.

American Odyssey- Gary B. Nash 2002

A history of the United States in the twentieth century, featuring sociological and cultural events, as well as strictly historical, and using many pertinent literary excerpts.

Operas & Plays - Gertrude Stein 1987

Latin for the 21st Century - Richard A. LaFleur 1998

Essays discuss methods of Latin instruction from elementary schools to graduate education.

Includes resources.

Tales from the Odyssey, Part I Mary Pope Osborne 2012-09-11

Giants and Cannibals! Wonders and Witches!
One Amazing Hero. Brave Odysseus is far from home, tossed by stormy seas, and cursed by an angry one-eyed giant. If he ever wants to see his

family again, he will have to face hungry cannibals, outwit a beautiful witch, and sail past a six-headed serpent. His journey is the ultimate test of endurance and courage. In this exciting series, best-selling author Mary Pope Osborne retells Homer's *Odyssey*, one of the most thrilling adventure stories of all time.

A Hope in the Unseen Ron Suskind 2010-08-18

The inspiring, true coming-of-age story of a ferociously determined young man who, armed only with his intellect and his willpower, fights his way out of despair. In 1993, Cedric Jennings was a bright and ferociously determined honor student at Ballou, a high school in one of Washington D.C.'s most dangerous neighborhoods, where the dropout rate was well into double digits and just 80 students out of more than 1,350 boasted an average of B or better. At Ballou, Cedric had almost no friends. He ate lunch in a classroom most days, plowing through the extra work he asked for, knowing that he was really competing with kids from

other, harder schools. Cedric Jennings's driving ambition—which was fully supported by his forceful mother—was to attend a top college. In September 1995, after years of near superhuman dedication, he realized that ambition when he began as a freshman at Brown University. But he didn't leave his struggles behind. He found himself unprepared for college: he struggled to master classwork and fit in with the white upper-class students. Having traveled too far to turn back, Cedric was left to rely on his intelligence and his determination to maintain hope in the unseen—a future of acceptance and reward. In this updated edition, *A Hope in the Unseen* chronicles Cedric's odyssey during his last two years of high school, follows him through his difficult first year at Brown, and tells the story of his subsequent successes in college and the world of work. Eye-opening, sometimes humorous, and often deeply moving, *A Hope in the Unseen* weaves a crucial new thread into the rich and ongoing narrative

of the American experience.

Into the Wild - Jon Krakauer 2009-09-22

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless

had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but

wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

The Genome Odyssey - Dr. Euan Angus Ashley
2021-02-23

In *The Genome Odyssey*, Dr. Euan Ashley, Stanford professor of medicine and genetics, brings the breakthroughs of precision medicine to vivid life through the real diagnostic journeys of his patients and the tireless efforts of his fellow doctors and scientists as they hunt to prevent, predict, and beat disease. Since the Human Genome Project was completed in 2003, the price of genome sequencing has dropped at

a staggering rate. It's as if the price of a Ferrari went from \$350,000 to a mere forty cents. Through breakthroughs made by Dr. Ashley's team at Stanford and other dedicated groups around the world, analyzing the human genome has decreased from a heroic multibillion dollar effort to a single clinical test costing less than \$1,000. For the first time we have within our grasp the ability to predict our genetic future, to diagnose and prevent disease before it begins, and to decode what it really means to be human. In *The Genome Odyssey*, Dr. Ashley details the medicine behind genome sequencing with clarity and accessibility. More than that, with passion for his subject and compassion for his patients, he introduces readers to the dynamic group of researchers and doctor detectives who hunt for answers, and to the pioneering patients who open up their lives to the medical community during their search for diagnoses and cures. He describes how he led the team that was the first to analyze and interpret a complete human

genome, how they broke genome speed records to diagnose and treat a newborn baby girl whose heart stopped five times on the first day of her life, and how they found a boy with tumors growing inside his heart and traced the cause to a missing piece of his genome. These patients inspire Dr. Ashley and his team as they work to expand the boundaries of our medical capabilities and to envision a future where genome sequencing is available for all, where medicine can be tailored to treat specific diseases and to decode pathogens like viruses at the genomic level, and where our medical system as we know it has been completely revolutionized.

Odyssey - Homer 1895

Grounded Designs for Online and Hybrid Learning: Designs in Action - Atsusi "2c" Hirumi
2014-01-21

It's difficult to design e-learning environments if you haven't seen or experienced one yourself.

Even if you have taken or designed your own online or hybrid course, have you experienced different e-learning environments based on a variety of learning theories and instructional strategies? Online and Hybrid Learning Designs in Action illustrates how to apply eight instructional strategies based on cognitive information processing, inquiry, experiential, and game-based theories of learning and teaching to ground the design of your online and hybrid coursework.

Odyssey in International Markets - Christian Volpe Martincus 2010-01-01

Despite progress in communication technologies, lack of information still severely handicaps companies seeking to operate in international markets. Furthermore, the investments that these companies must make to gather the information required to trade with foreign markets may yield reduced returns and may consequently be low from a social point of view as third parties may derive benefits from

this same information. Thus, lack of information may negatively affect trade, and thereby productivity and economic growth. For these reasons, firms carrying out export projects may require support to overcome information barriers. This is precisely the service that export promotion organizations provide. But, there is little evidence on how well these organizations perform this task. Export promotion is costly, and the resources used might be better employed elsewhere. In order to ascertain that these resources are, in fact, being well invested, it must be first determined whether the policy initiatives they finance have an impact on those variables that are supposed to affect, in this case, exports. Making this determination is the aim of this report. This study first makes a comprehensive analysis of export promotion organizations in some three dozens of countries and regions; and second, it provides robust evaluations, using state-of-the-art econometrics and original data sets purposely compiled, of the

impacts that policies have had on export outcomes of countries and firms. Findings reported in this study suggest that trade promotion has been effective in facilitating

export expansion, especially along the extensive margin. At the same time, the report points the need for further research to gain deeper insights into its relative merits.

Children's Books in Print, 2007 - 2006
