Freemasonry in Shanghai and Northern China - F. M. Gratton 1900
Gratton's Freemasonry in Shanghai and Northern China (1895-1900) is partly a condensed History, partly a local Handbook to Masonic Institutions, and partly a Guide to Masonry in general. It is a Masonic lore that covers the three Masonic Halls in Shanghai, the Masonic Charities of China, the different Masonic Jurisdictions, a Directory, Masonic Memorabilia, general Masonic Notes, and an index.

History of the Ancient and Honorable Fraternity of Free and Accepted Masons, and Concordant Orders - 1904

The Complete Lodge Secretary - Gordon Hunt 2010-04-01

A practical and useful guide giving extensive information of all the duties and responsibilities for any Freemason taking on the important role of Secretary within a Lodge. The well-being of a Lodge largely depends upon its Secretary. He has a unique position in it, with multi-dimensional reflections. The Secretary undertakes almost continuous year-long responsibility amidst his numerous livelihood chores. In the past many Secretaries used to be permanent officers of the Lodges, with the

benefits that an experienced Secretary would manage the affairs of the Lodge smoothly, but current thinking is that no one should serve for more than two years so that junior members can involve themselves in Lodge affairs. The newcomers to this office often lack experience and this book is written with this background in mind: to provide guidance on the one hand and to help introduce modern management tools on the other. Each major topic which needs some action on the part of the Secretary is given a chapter. Checklists of activities relevant to each chapter are appended at the end of the chapter with cells against each activity to mark the date on which the activity is completed. The general principles in this practical guide hold good for the side degrees as well, with only minor and contextual modifications.

Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 3: MR
Albert G. Mackey

Dr. Albert G. Mackey appears as author of this "Encyclopedia of Freemasonry and its Kindred Sciences," which, being a library in itself, superseded most of the Masonic works which have been tolerated by the craft — chiefly because none better could be obtained. Here is a work which fulfils the hope which sustained the author through ten years' literary labor, that, under one cover he "would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science, the philosophy, and the history of his order." Up to the present time the modern literature of Freemasonry has been diffuse, lumbering, unreliable, and, out of all reasonable

proportions. There is, in Mackey's "Encyclopaedia of Masonry," well digested, well arranged, and confined within reasonable limits, all that a Mason can desire to find in a book exclusively devoted to the history, the arts, science, and literature of Masonry. This is volume three out of four and covering the letters M to R.
