Order your copy now and find out how.

**Designing Your Work Life** - Bill Burnett 2020-02-25

When *Designing Your Life* was published in 2016, Stanford's Bill Burnett and Dave Evans taught readers how to use design thinking to build meaningful, fulfilling lives ("Life has questions. They have answers." -The New York Times). The book struck a chord, becoming an instant #1 New York Times bestseller. Now, in *DESIGNING YOUR WORK LIFE: How to Thrive and Change and Find Happiness at Work* they apply that transformative thinking to the place

we spend more time than anywhere else: work. *DESIGNING YOUR WORK LIFE* teaches readers how to create the job they want—without necessarily leaving the job they already have. "Increasingly, it's up to workers to define their own happiness and success in this ever-moving landscape," they write, and chapter by chapter, they demonstrate how to build positive change, wherever you are in your career. Whether you want to stay in your job and make it a more meaningful experience, or if you decide it's time to move on, Evans and Burnett show you how to visualize and build a work-life that is productive, engaged, meaningful, and more fun.

[The Art of Work](#) Jeff Goins 2015-03-24

On his thirtieth birthday, Jeff Goins quit his job and began his pursuit of becoming a full-time writer. While certainly that was a milestone day, it was still less significant than the ones that lead to that memorable moment. The journey he took leading up to that daring decision involved twists, turns, and surprises he never expected.

In the end, he found his life's purpose, his calling; and in *The Art of Work*, he wants to share his journey with you and help you, too, discover your life's work, along with the invaluable treasure that comes with doing so. As a writer, keynote speaker, and award-winning blogger Jeff Goins explains, our search for discovering the task we were born to do begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose.

Those who experience this intersection experience something exceptional and enviable. Though it is rare, as Jeff discovered along the journey he shares in this one-of-a-kind book, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows readers how to find the vocation they were meant for and what to expect during the long, arduous journey to discovering and pursuing it.

**Evolve Your Life** - Derek Ralston 2012-01-16

You've heard the advice, "Go to school, get a good job, get promoted, climb the corporate ladder, and you will eventually find happiness." All too often, people follow this society-prescribed path to success, falsely believing that it will lead them to happiness. Within this book

series, you'll learn: How to break free from the downsides of socialization- the constant seeking of external goals and external approval that end up making your life miserable How to escape the rat race by changing your inner or outer reality How to create alternative income sources, step outside your comfort zone, and spend more time with your family How to determine if you should quit your job (or take a sabbatical) How to discover your own values and life philosophy How to stop stressing out and stop living in "fight-or-flight" mode How to eliminate your bad habits once and for all How to stop obsessing over the future and start living in the present How to stop being manipulated by advertisers, mass media, corporations and peer groups What's included? This bundle includes the full Evolve Your Life mini-book series, including The Happiness Handbook, Money and Happiness, Escape the Rat Race, Crossing the Comfort Zone, Modern Moonlighting, and Quit Your Job. Free Money to Quit Your Job - Matthew Lesko 2004-03-01

"Billions of dollars are given out every year to ordinary citizens!! Don't miss out!"--Cover. HBR Guide to Crafting Your Purpose - John Coleman 2022-01-04  
Stop searching for purpose. Build it. We're living through a crisis of purpose. Surveys indicate that people are feeling less connected to the meaning of their work, asking, "How do I find my purpose?" That's the wrong question. You don't find your purpose—you build it. The HBR Guide to Crafting Your Purpose debunks three common myths about purpose: that purpose is found, that you have only one, and that it stays the same over time. Packed with stories, tips, and activities, this book teaches you how to cultivate more meaning in your life and work and endow everything you do with purpose. You'll learn how to: Find the reason behind your work Identify what makes you feel happy and fulfilled Use job crafting to transform your role Build positive, fulfilling relationships Connect your work to service Arm yourself with the advice you need to succeed on the job, with the most trusted brand in business. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

**How to Quit Your Job** - Justin Kerr 2020-10-30

**Quit Your F\*cking Job: Escape the Great American Hoax and Live Free** - Oliver Trojahn 2019-05-21

All your life, you've been taught that you need to wait, that everything you want requires hard work, sacrifice, and patience. This is the underlying philosophy of the American dream - go to school, get a job, buy a house, save your money, and wait. Before you know it, you've spent your whole life living on someone else's terms. There is another way... In *Quit Your F\*cking Job*, Oliver Trojahn shows you that everything you want in life is waiting, but first you need to reject the principles of the American dream, or as he calls it, the great American hoax. Whether your dream is to start a passion business, travel the world, or just have time to stop and smell the roses, the first step is quitting your job and embracing the unconventional. This book shows you how. Oliver spent seven years in the corporate 9-5 grind, slowly accumulating cash-flowing real estate on the side. As his passive income grew, so too did his realization that there was another way to live. He quit his job, and start living by the rules that define the growing demographic of the "new rich". He rejected the idea that you need to work a job you don't like, and embrace the concept of Lifestyle Design. Now he works according to his lifestyle, not the other way around. He retired by the age of 30, which he's proud to say is 17 years sooner than his mentor Robert Kiyosaki (Author of *Rich Dad Poor Dad*), and since has become an expert in real estate investing and business ownership. Quitting his job and rejecting the great American hoax has allowed Oliver to... Increase his real estate portfolio from one \$30k townhouse to \$15M in apartment buildings. Start and grow two multi-million dollar private label online companies. Improve his golf handicap from 26 to 10 in three months. Maintain 9% body fat throughout the whole year. Travel the world for months at a time. Be Steadfast in his belief that any person can become world class (top 1%) in six months. So what are you f\*cking waiting for?! Scroll up and Buy Now!

*WorkParty* - Jaclyn Johnson 2018-08-21

First, we leaned in. Now we stand up. In this "much-needed combo of real talk, confessions, and lessons learned along the way" (Chelsea

Handler), Jaclyn Johnson—the founder and CEO behind Create & Cultivate, the fastest growing online platform for millennial businesswomen—offers a rallying cry for a new generation of women who are redefining the meaning of work on their own terms. Jaclyn suffered a massive blow in her early twenties. She was on an upward career climb and confidently moved across the country for a job—and then, was abruptly let go. Attempting to turn that closed door into an open window, she launched a company with a trusted business partner. Soon after, she discovered said business partner had made detrimental decisions to the company without her knowledge. Before she knew it, she was in the throes of a brutal business partner break up. She was only twenty-four. Determined to bounce back, Jaclyn overhauled the mess that was her life and by the time she was in her early thirties, she had sold a company and launched the much-buzzed about Create & Cultivate platform—and advised and invested in multiple million-dollar projects at the same time. So, how did she do it? In *WorkParty*, Jaclyn shows how she turned distrust into determination, frustration into fuel, and heartache into hard work—and how you can, too. With stories from leading female entrepreneurs including Christene Barberich (co-founder of Refinery29), Alli Webb, (creator of Drybar), Morgan Debaun (founder of Blavity), Jen Gotch of Ban.do, Rebecca Minkoff, and Kendra Scott, you will learn the tips and tricks from the best in the business while cultivating the passion and happiness you need to succeed. “This is the book you need to take your career to the next level—on your own terms” (Refinery29).

*Fire Your Boss* Jonathan Green 2019-03-15

Are you sick of working a job you hate for a boss who despises you? Do you want to get paid what your worth...instead of what your company thinks they can get away with? Are you struggling to get up in the morning and praying for a snow day? Or just ready to start enjoying some of that freedom you've heard so much about? Whether you're about to enter the job market for the first time or you've been slaving away for decades - you need to read *Fire Your Boss* - as soon as possible! In this book, you'll learn how to break free of the underpaying labor market and start the journey to financial and

emotional freedom. You cannot underestimate the power of controlling your income. Learn how to blast through every roadblock keeping you from starting your own business. From "don't know where to start" to "I'm not good with technology" to "I don't have the confidence" to "I don't have enough time," *Fire Your Boss* sets all those excuses on fire with simple and actionable business models that you can start in your spare time to start building up your savings account. What pragmatic and actionable lessons will you learn? Sixteen business models that all cooperate with each other

The simple technique for turning your voice into an ATM machine

The secret to building a business when you don't have any time

The foolproof method for getting paid to learn

The most common mistakes even experienced entrepreneurs make and how to avoid them.

The singular best way to create an unstoppable passive revenue stream

Here's what this book ISN'T: this isn't a list of startups you can slave away for, a guide on how to join the "gig economy," or a plan to get a promotion at work. This is about building consistent and passive revenue streams that can support you when shocks hit the market and the economy turns against you. How will your life improve? Never live in fear of getting fired every again

Go to sleep knowing that TOMORROW THERE WILL BE MORE MONEY IN YOUR BANK ACCOUNT THAN TODAY

Follow a process that allowed the author to move to a tropical island

Chase your dreams without letting stress and fear hold you back

Implement these techniques and watch your happiness skyrocket. Follow this amazing journey and take control of your destiny by scrolling up and clicking the BUY NOW button at the top of this page!

**Beyond Happiness** - Jenn Lim 2021-10-12

The co-founder and CEO of Delivering Happiness updates the Delivering Happiness model for our new abnormal, showing organizations of every kind how to cultivate a culture that can adapt to change, be highly profitable, and support all its people...starting with yourself. \*WALL STREET JOURNAL BESTSELLER\* \*Named a Top Business Book of 2021 by Forbes\*

Jenn Lim has dedicated her career to helping organizations from name-brand industry leaders to innovative governments build workplace cultures that benefit both their employees and their bottom

line, with less employee turnover, greater engagement, and higher profits. Her culture consultancy, *Delivering Happiness*, demonstrates the profound impact happiness can have on businesses' ability to thrive in our ever-changing times. In this book, she clearly and concretely shows the way the model works in a hyper-connected fast-paced world, beginning with each individual defining their sense of values and purpose (the ME), and rippling through the organization ecosystem (the WE and the COMMUNITY) in waves of impact. Drawing on a deep understanding of the science of happiness, Jenn shows how bringing your whole self to work allows you to do your best work every day -- no matter what role you play at your company or what crisis might come at you next. She explains how true happiness comes from living your true purpose, and offers case studies to show how companies can help individuals align their purpose with the company mission. This innovation in organizational design and company culture is no longer a nice-to-have. It's the future of work, and it's here now. In this life-changing guide, you'll be empowered to find greater purpose in your own life and career, and to spread that power to others in your business and beyond.

**Don't Quit Your Day Job** - Sonny Brewer  
2010-11-01

P. J. O'Rourke said, "Creative writing teachers should be purged until every last instructor who has uttered the words 'Write what you know' is confined to a labor camp... The blind guy with the funny little harp who composed *The Iliad*, how much combat do you think he saw?" Like O'Rourke, William Faulkner had his own take on the Other Commandment for writers, the one that goes, "Thou shalt not quit thy day job". Faulkner, who won the 1949 Nobel Prize for Literature, had, twenty-five years before, worked at the post office in his hometown of Oxford, Mississippi. Mr Faulkner was known to say, "One of the saddest things is that the only thing a man can do for eight hours, is work. You can't eat eight hours a day, nor drink for eight hours a day, nor make love for eight hours". He must have been determined to give something else (writing, we may assume, perhaps a glass of whisky on the side) a whirl when he tendered his resignation to the postmaster. "I reckon I'll be at

the beck and call of folks with money all my life", he said, "but thank God I won't ever again have to be at the beck and call of every son of a bitch who's got two cents to buy a stamp." The authors in this book have tried their hands at some of the same jobs you have held, or still keep. They've worked on the railroad, busted rocks with a sledgehammer, fought fires, wiped tables, soldiered and carpentered and spied, delivered pizzas, lacquered boat paddles, counted heads for the church, sold underwear, and delivered the mail. They've driven garbage trucks. And like William Faulkner before them they have quit those day jobs. And like Faulkner they write. They tell good tales. If you wonder what work preceded their efforts to produce a great pile of books, if you would like to know how they made the transition to, as William Gay said, "clocking in at the culture factory", then this is the book you've been waiting for...

**Quit Your Job and Follow Your Dreams: A 12-Month Guide to Being Joyfully Jobless (How to Find Your Calling)** - Michelle Kulp  
2019-10-23

*Quit Your Job and Follow Your Dreams* is a book where you will not only discover what inspires you, what your natural talents and gifts are that you can share those with the world and get paid for... this book will also show you how to leave your soul-crushing job and build a thriving livelihood around your passions.

**How to Quit Your Job - the Right Way** - Danny Iny  
2016-08-17

Leave Your Soul-Sucking Job Once and for All! But be smart about it. We'll show you how. A few years back, a disgruntled flight attendant got on the plane's public address system, shouted some profanities, and exclaimed "I Quit!" He then grabbed 2 beers from the beverage cart, deployed the emergency evacuation slide, and dramatically exited the plane in style. While it likely felt good in the moment and made a splash on social media, he faced a host of negative consequences, including arrest and a \$10,000 fine. This was certainly a memorable way to quit, but if you're looking for a more fulfilling career and life, it's not the right way to do it. This third book in Mirasee's *Business Reimagined* series will teach you how to intelligently get out of a job you hate (or just don't love) and transition smoothly into a life

with more freedom, money, and fulfillment. With a simple-but-powerful five-step plan and a collection of real-life stories of people who sought their dream jobs by leaving unsatisfying careers, *How To Quit Your Job* provides everything you need to prepare for your grand exit. We'll get you out of the rut you're in, help you focus on what you want to do, and lead you right up to quitting day. From there, you'll be ready to fly.

[How to Quit Your 9 - 5 Without Regret](#) - Suhaib Arogundade 2017-06-30

Are you a Millennial Employee who is tired, frustrated, or simply facing a tough time in your job? Are you in your current employment just to make ends meet and the ends are not being met? Or you are working at a job that does not align with your life dream/purpose? If you've answered yes to any of the above, then it is likely you are considering a job change, career switch, or want to finally pursue your passion. But then again, you are scared to the marrow to quit your job as you do not want to face the challenge of not having an income or run out of cash. I know that feeling as I have been there before and it is not a good condition to be in trust me. But quitting your job to follow your dream or to move to a better-paying one should not be a disdainful act. It should be easy, smooth, and exciting especially when you have a step-by-step guide to follow in thinking through the whole decision of quitting and knowing what to put in place before turning in the resignation letter. *HOW TO QUIT YOUR 9-5 WITHOUT REGRET* provides practical steps on what you need to be doing NOW before you quit in order to get the best out of your current job and assist you to plan properly in taking the bold step of quitting when you want to.

**How to Quit Your Job & Travel** - Lia Garcia 2020-12-11

Many of us dream of quitting our jobs, hopping on a plane, and escaping our daily reality to frolic around on a beach for a while. But for most of us, it's just a dream - until now. *How to Quit Your Job & Travel* is a practical, step-by-step guide to one of the most exciting, exhilarating, and terrifying things you'll ever do. You'll learn how to tackle each of the challenges preventing you from taking off on a long-term trip, from finances to fear to returning to reality

- and all the nitty-gritty logistics along the way. But once you do actually pack your bags, throw your stuff into storage, and head off - what's next? Lia Garcia, co-founder and CEO of one of the most-read travel blogs in the world, spills all the things nobody tells you about the reality of long term travel - and coming home again - with stories from her own disastrous year-long honeymoon. About the Book This book is divided into four sections: Part One focuses on laying the groundwork for your trip, including the preparations and decisions that take place well before you leave. You'll learn to identify and navigate fears and obstacles in your way as you develop a rough outline for your trip, set yourself a departure deadline, calculate the cost of your adventure, start working towards a specific savings goal, and turn your travel dream into an actionable plan. Part Two takes place in the months before your trip, as you finalize your plans, pack your bags, book your itinerary, and tie up loose ends at home. You'll learn how to effectively plan a long-term trip, tackle each piece of the logistical puzzle of placing your life on hold, find out what to pack (and what to leave at home), and take off on the adventure of a lifetime. Part Three prepares you for the trip itself, including all the things that nobody tells you about long-term travel, how to stay safe and prevent theft, and what to do if you find yourself running out of funds. You'll learn about the many challenges of long-term travel, the beauty of "travel magic," and how to overcome challenges while you're on the road. Part Four occurs after the trip, as you return home and reintegrate into ordinary life. We'll cover how to prepare yourself for the most difficult part of long-term travel, including picking back up where you left off with your career (or choosing not to), and how to use the skills you learned during your travels to identify your needs and adjust to the life you've returned to. In each part of the book, you'll find specific, actionable advice interwoven with stories and mishaps from the author's year-long honeymoon. At the end of the book is a reference section containing all of the websites, apps, businesses, academic studies, spreadsheet templates, and tools mentioned or recommended, as well as tables organizing specific information you'll need as you plan your trip. You'll also receive access to a digital and

printable version of the "Reference" section.

### **Mistakes I Made at Work** - Jessica Bacal

2014-04-29

High-achieving women share their worst mistakes at work—and how learning from them paved the way to success. Named by Fast Company as a "Top 10 Book You Need to Read This Year" In *Mistakes I Made at Work*, a Publishers Weekly Top 10 Business Book for Spring 2014, Jessica Bacal interviews twenty-five successful women about their toughest on-the-job moments. These innovators across a variety of fields - from the arts to finance to tech - reveal that they're more thoughtful, purposeful and assertive as leaders because they learned from their mistakes, not because they never made any. Interviewees include: Cheryl Strayed, bestselling author of *Wild* Anna Holmes, founding editor of *Jezebel.com* Kim Gordon, founding member of the band *Sonic Youth* Joanna Barsch, Director Emeritus of McKinsey & Company Carol Dweck, Stanford psychology professor Ruth Ozeki, *New York Times* bestselling author of *Tale for the Time Being* And many more For readers of *Lean In* and *#Girlboss*, *Mistakes I Made for Work* is ideal for millenials just starting their careers, for women seeking to advance at work, or for anyone grappling with issues of perfectionism, and features fascinating and surprising anecdotes, as well as tips for readers.

### [Quit Your Job Or Die](#) - Joshua Tolley 2010-05

Discover why you have a 98% chance of being poor by your 65th birthday if you are an employee. Find the courage to take the steps necessary to gain freedom for you and your family. Exposing the lie of employment.

### **How to Quit Your Job with Rental Properties**

- Dustin Heiner 2018-12-04

The problem that affects almost everyone today is being stuck in a career they hate. People are conditioned to work their lives away for someone else and only get paid for the hour they work. Follow the proven path to financial freedom that many have already successfully navigated.

### **How to Quit Your Job with Passive Income** -

Dustin Heiner 2016-10-25

In today's world, we all are expected to live our lives working for someone else. Working 40+ hours a week at a job you hate, for a boss that is horrible, and wasting your life away for a

paycheck. But there is a book that will help you escape the rat race of life and ditch the cubical, assembly line, or dead end job. *How to Quit Your Job with Passive Income* has been proven to help many people learn the secrets of passive income that only those who are already rich know. This book has been designed to help guide you through the process of being an employee earning a wage, to a business owner with multiple streams of passive income. This book is for people who suffer day-in and day-out in their J.O.B. (Just Over Broke). The passive income ideas in this book you are about to read have been proven to produce long-lasting results. I have already quit my job and you can too! All you have to do to make money with passive income is to keep reading. Each chapter will give new insight as you strive to build your passive income businesses. Get ready for a lifetime of passive income where you have enough money to do the things you want to do without being dependent on anyone for a J.O.B.

### *Ask a Manager* - Alison Green 2018-05-01

From the creator of the popular website *Ask a Manager* and *New York's* work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred

review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**Rich Dad's Before You Quit Your Job** - Robert T. Kiyosaki 2012

Draws on the philosophies of the "Rich Dad" series about making a successful transition from employee to company owner, in a guide for aspiring entrepreneurs that shares firsthand accounts of people who achieved success. Reissue. 100,000 first printing.

**Tap Dancing to Work** - Carol J. Loomis 2013-12-31

Warren Buffett built Berkshire Hathaway into something remarkable—and Fortune journalist Carol Loomis had a front-row seat for it all. When Carol Loomis first mentioned a little-known Omaha hedge fund manager in a 1966 Fortune article, she didn’t dream that Warren Buffett would one day be considered the world’s greatest investor—nor that she and Buffett would quickly become close personal friends. As Buffett’s fortune and reputation grew over time, Loomis used her unique insight into Buffett’s thinking to chronicle his work for Fortune, writing and proposing scores of stories that tracked his many accomplishments—and also his occasional mistakes. Now Loomis has collected and updated the best Buffett articles Fortune published between 1966 and 2012, including thirteen cover stories and a dozen pieces authored by Buffett himself. Loomis has provided commentary about each major article that supplies context and her own informed

point of view. Readers will gain fresh insights into Buffett’s investment strategies and his thinking on management, philanthropy, public policy, and even parenting. Some of the highlights include: The 1966 A. W. Jones story in which Fortune first mentioned Buffett. The first piece Buffett wrote for the magazine, 1977’s “How Inflation Swindles the Equity Investor.” Andrew Tobias’s 1983 article “Letters from Chairman Buffett,” the first review of his Berkshire Hathaway shareholder letters. Buffett’s stunningly prescient 2003 piece about derivatives, “Avoiding a Mega-Catastrophe.” His unconventional thoughts on inheritance and philanthropy, including his intention to leave his kids “enough money so they would feel they could do anything, but not so much that they could do nothing.” Bill Gates’s 1996 article describing his early impressions of Buffett as they struck up their close friendship. Scores of Buffett books have been written, but none can claim this work’s combination of trust between two friends, the writer’s deep understanding of Buffett’s world, and a very long-term perspective.

*Before You Quit Your Job* Kenya Kelly 2019-10-03

Dreading going to work every day when you wish you could be working full-time for yourself? Want to create a strategic plan to successfully build a business and quit your job? Before You Quit Your Job is the strategic step by step guide to assist you with developing a strategic plan for leaving your job for good. Written by Business and Brand Consultant Kenya Kelly, Before You Quit Your Job is the everyday part-time entrepreneurs guide to creating a 18- 24 month plan that will not only help you create a smart exit strategy from your job, but will also teach you principles for life and business success at the same time. You will learn the difference between what it takes to be a successful employee vs being an entrepreneur, financial strategies for saving and investing as well as Kenya's secret ingredient for funding your new business. If you are ready to build the life and business of your dreams that includes financial and time freedom, then Before You Quit Your Job is that perfect tool. Kenya Kelly is the author of Before You Quit Your Job and the Build Million Dollar Brands Workbook. Kelly is known for

inspiring others to become the best version of themselves, go after their dreams as well as educating them on how to build sustainable profitable businesses. She is also known for her online ministry You, Me & Jesus and her commitment to teaching others how to take the journey through personal development. She currently lives in Redding, California with her 3 cats Eddie, Maui & Faith.

**The Dip** - Seth Godin 2007-05-10

A New York Times, USA Today, and Wall Street Journal bestseller In this iconic bestseller, popular business blogger and bestselling author Seth Godin proves that winners are really just the best quitters. Godin shows that winners quit fast, quit often, and quit without guilt—until they commit to beating the right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it's really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you'll earn profits, glory, and long-term security. Whether you're an intern or a CEO, this fun little book will help you figure out if you're in a Dip that's worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win.

*The Quit Alternatives* Ben Fanning 2014-10-26

Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like

what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

**Leap** - Tess Vigeland 2015-08-25

Until recently, Tess Vigeland was a longtime host with Public Radio's Marketplace; it was a rewarding, high-status job, and Tess was very good at it—but she'd begun to feel restless. Without any definite, clear sense of what she wanted to do next (but an absolute certainty that what she'd been doing was no longer truly satisfying), she walked away from her dream job and into a vast unknown. Suddenly she was no longer "Marketplace's Tess Vigeland," she was just Tess Vigeland. For the multitude of Americans who change jobs mid-career (by choice or circumstance), the growing legions of freelance workers, and the entrepreneurially-minded who see self-employment as an increasingly more appealing and viable option, Tess Vigeland has created a personal and well-researched account of leaping without a net. With her signature humor, she writes honestly about the fear, uncertainty, and risk involved in leaving the traditional workforce—but also the excitement, resources, and possibilities that are on the other side. Part memoir and part field guide, this book offers a funny, thoughtful, and provocative look at how to find happiness, satisfaction, and success when pursuing a career less ordinary.

*Quit Your Job Often and Get Big Raises* Gordon Miller 1998-12-29

A real world practical guide to dramatically increase your wages, as told by an average

working stiff who quit four jobs in five years and tripled his pay! The proven, step-by-step approach to strategically changing jobs and exponentially improving your salary and career. The rules have changed. Mergers, acquisitions, downsizing, re-engineering, outsourcing, massive layoffs, and the global economy have reshaped the job market. It's no longer enough to work year after year for incremental pay raises in exchange for job security. Employers today are driven by the bottom line; by and large, company loyalty and commitment have gone the way of the dinosaurs. To get ahead in today's world you have to manage your career like your finances, by constantly planning ahead for your next job. *Quit Your Job Often and Get Big Raises* shows you how to get ahead--and dramatically increase your salary--by changing jobs frequently and leveraging your current position for something better. It shows you why you should do it, when to do it, and how to do it. You'll discover: How to identify the industries with strong future growth Why the ability to market yourself is crucial--and how to do it When you should begin looking for your next job How to hit the ground running when you do change jobs And much, much more!

*Fire Your Boss* Aaron McHugh 2020-01-14  
Fire Your Boss is the disruptive alternative blueprint for charting a new life-giving career path that gives you control, allowing you to set your own rules for your work life. Provocative, liberating, and universally appealing, Fire Your Boss seeks to help readers resolve the deepest root of workplace unrest—namely, fear and self-preservation. This book upgrades readers' core belief systems, demonstrates how to liberate their careers forever, and ultimately, join a heretical uprising without becoming an entrepreneur, changing jobs, or simply white-knuckling their way to retirement. Aaron McHugh maps out how to make philosophical, emotional, tactical, and heart-centered shifts at every intersection on the career journey. Firing your boss does not require you to leave your job. Firing your boss does not require you to start a new business. Firing your boss becomes the life-altering daily mantra that transforms the disengaged into hopeful leaders. Discover how to plot a new course of career freedom and independence, empowerment, and self-reliance.

Find your smile again, rekindle your mojo, recapture the art of your work, and start enjoying your work every single day.

*How to Quit Your Day Job and Live Out Your Dreams* - Kenneth Atchity 2012-06-20

Are you a creative person seeking more satisfying work? Do you want to make the transition from a job you find secure but soulless to a life built around your creative dream? Then look no further than this essential guide, written by a tenured professor who quit his job and pursued his dream as a successful “story merchant” and film producer. This book will show you how to: - Construct a life that fits your personal vision - Stand up against negative peer pressure - Redefine success in your own terms - Identify and control your conflicting inner voices - Find time to make your dreams come true - And much more! If you're ready to fall in love with your future, this book can give you the inspiration you need to make that life-changing leap into a better world.

Remote Work Revolution - Tsedal Neeley  
2021-03-30

LONGLISTED FOR THE FINANCIAL TIMES & MCKINSEY BUSINESS BOOK OF THE YEAR "I often talk about the importance of trust when it comes to work: the trust of your employees and building trust with your customers. This book provides a blueprint for how to build and maintain that trust and connection in a digital environment." —Eric S. Yuan, founder and CEO of Zoom A Harvard Business School professor and leading expert in virtual and global work provides remote workers and leaders with the best practices necessary to perform at the highest levels in their organizations. The rapid and unprecedented changes brought on by Covid-19 have accelerated the transition to remote working, requiring the wholesale migration of nearly entire companies to virtual work in just weeks, leaving managers and employees scrambling to adjust. This massive transition has forced companies to rapidly advance their digital footprint, using cloud, storage, cybersecurity, and device tools to accommodate their new remote workforce. Experiencing the benefits of remote working—including nonexistent commute times, lower operational costs, and a larger pool of global job applicants—many companies, including Twitter and Google, plan to permanently incorporate remote days or give employees the option to work from home full-time. But virtual work has its challenges. Employees feel lost, isolated, out of sync, and out of sight. They want to know how to build trust, maintain connections without in-person interactions, and a proper work/life balance. Managers want to know how to lead virtually, how to keep their teams motivated, what digital tools they'll need, and how to keep employees productive. Providing compelling, evidence-based answers to these and other pressing issues, Remote Work Revolution is essential for

navigating the enduring challenges teams and managers face. Filled with specific actionable steps and interactive tools, this timely book will help team members deliver results previously out of reach. Following Neeley's advice, employees will be able to break through routine norms to successfully use remote work to benefit themselves, their groups, and ultimately their organizations.

**Moving the Needle** - Joe Sweeney 2014-11-17

A detailed system that will help you achieve your professional and personal goals Moving the Needle provides both the "kick in the pants" and the game plan many of us need to break out of the rut and get moving to achieve our goals. CEOs, vice presidents, professionals, military personnel, and even college students frequently express frustration at the entrenched status quo, in which initiating progress feels like moving mountains. This book lights a path toward continual improvement, helping readers first find a direction, then make the key transitions that jumpstart forward progress. This highly practical guide outlines a change process that can be applied to professional or personal goals, giving readers a concrete plan for making big things happen. Rather than blindly shooting for the moon, readers will formulate a solid, systematic, actionable plan that can only result in progress. In today's tenuous business climate, employers and employees alike can be glued to the ground, unsure of the path they should take, or whether they have the freedom to move forward. Moving the Needle helps readers clarify their current position, identify their optimum position, and formulate a workable strategy for getting from here to there. Find what "moving forward" means for your career and life Shake off the doldrums of routine and establish a culture of innovation Improve performance on a consistent basis, at every level Break the inertia and get moving in the right direction Stagnation is diametrically opposed to progress. Moving forward requires a vision, a plan, and the impetus to get things done. Those who sense that big things can happen need to get clear, get free, and start Moving the Needle.
