When Lizzie's dad refuses to fight in the Second World War, the police come looking to arrest him. Desperate to stay together, Lizzie and her brother Freddie go on the run with him, hiding from the police in idyllic Whiteway. But when their past catches up with them, they're forced to leave and it becomes more and more difficult to stay together as a family. Will they be able to? And will they ever find a place, like Whiteway, where they will be safe again?

Hit and Run - Lurlene McDaniel 2009-03-10

If no one meant for it to happen, should someone be guilty? Analise: She knows the roads and feels secure riding her bike. Laurie: When asked out by Quin, Laurie is happy. Then his car hits something. Later, Laurie realizes there is a way to get Quin to date her. Quin: Because Quin is athletically gifted, his father expects him to get a scholarship. Nothing is to get in his way of college, athletics, money, and success. When he realizes what has happened, he decides he must not let it ruin his future. Jeremy: It's been the perfect relationship with Analise. Little does Jeremy realize that the beautiful wood he carves will be used for something for Analise. As the lives of people who never wanted to hurt others intersect, harsh realities of choices that cannot be changed are explored.

River Run - J. S. James 2019-11-12

An explosive debut mystery for readers of Christine Carbo and Paul Doiron featuring a newly minted deputy thrust into the cutthroat world of hunting. This waterfowl season, the hunters become the hunted. Newly promoted sheriff's deputy Delia Chavez has worked hard to get where she is. Without any family to speak of, law enforcement is all she has. But just a few days into her new job, Delia finds the body of a hunter washed up on the bank of the Willamette River missing his trigger finger. Soon, more bodies are found--all hunters without their trigger fingers. Waterfowl season often means clashes between hunters and animal rights activists, but could someone be killing to make a statement? Petrified, but invigorated by the opportunity, Delia dives head first into the case. Soon, she catches a whiff of something foul and it's not the dead bodies--man or bird. What starts off looking like a simple case of a ruthless vigilante quickly devolves into something much more complex. Facing evasive killers who stop at nothing to conceal their crimes, Delia must bring the criminals to justice because everyone knows, if you're not the predator, you're prey.

Run, Rose, Run - James Patterson 2022-03-07

From America's most beloved superstar and its greatest storyteller--a thriller about a young singer-songwriter on the rise and on the run, and determined to do whatever it takes to survive. Every song tells a story. She's a star on the rise, singing about the hard life behind her. She's also on the run. Find a future, lose a past. Nashville is where she's come to claim her destiny. It's also where the darkness she's fled might find her. And destroy her. Run, Rose, Run is a novel glittering with danger and desire--a story that only America's #1 beloved entertainer and its #1 bestselling author could have created.

Love Under Construction - M.C. Cerny 2020-09-15

Hunter Hart knows construction. He knows relationships hurt after watching his parents self destruct.

Somehow he forgot all the warnings when Taylor Jane Bryant blasted through the crumbling foundation around his heart. Taylor Jane Bryant knows home design. Well... she thinks she knows based on marathon sessions of her favorite television show. Now she's all grown up and ready to nail the last stud, Hunter Hart. A romantic comedy by M.C. Cerny, Love Under Construction is book one in the Love By Design series. Meet a sullen, stubborn hero with a 2x4 stuck up his rear about falling in love, and a heroine who has watched every episode of the Property Brothers ready to flip her dream house. Each book in the LBD series is a standalone HEA romance.

Just a Little Run Around the World - Rosie Swale-Pope 2009

"Heartbroken when she lost her husband to cancer, Rosie set off from Wales with nothing but a small cart of food and equipment, funded by the rent from her little cottage. So began a five-year solo journey that would take Rosie 20,000 miles around the world in memory of the man she loved. Followed by wolves, knocked down by a bus, confronted by bears, chased by a naked man with a gun and stranded with severe frostbite, Rosie's gripping story is a rollercoaster adventure of epic proportions." -- Back cover.

Power at the Plate - Scott Ciencin 2011-07

Luke Thorson is a good baseball player and a good student, but he is not as popular as his older half-brother Jake who is the team's captain and power hitter--can the two put aside their rivalry and work together to win the championship?

What I Talk About When I Talk About Running - Haruki Murakami 2009-08-11

From the best-selling author of The Wind-Up Bird Chronicle and After Dark, a rich and revelatory memoir about writing and running, and the integral impact both have made on his life. In 1982, having sold his jazz bar to devote himself to writing, Haruki Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, not to mention triathlons and a slew of critically acclaimed books, he reflects upon the influence the sport has had on his life and--even more important--on his writing. Equal parts training log, travelogue, and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and includes settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston among young women who outpace him. Through this marvellous lens of sport

emerges a cornucopia of memories and insights: the eureka moment when he decided to become a writer, his greatest triumphs and disappointments, his passion for vintage LPs, and the experience, after the age of fifty, of seeing his race times improve and then fall back. By turns funny and sobering, playful and philosophical, *What I Talk About When I Talk About Running* is both for fans of this masterful yet guardedly private writer and for the exploding population of athletes who find similar satisfaction in distance running. *Scarlett* et Jon Buller 2015-11-03

Scarlett is a small, harlequin-colored cat and a huge movie star. And what's more—she talks! However, abused by her producer, she dreams of but one thing: escaping! So, when the occasion presents itself, she runs for her life. In the company of Trotter, a dog who's escaped the same torment, she is taken in by Mr. Bougnon. But with the noose getting tighter, will they manage to elude their terrible pursuers?

The Case of the Bug on the Run - Martha Freeman 2013-08-01

First Kid Tessa loves pets, so when she finds out that a hissing cockroach at the National Zoo might meet a terrible fate, how can she resist adopting it? The rest of her family are not so thrilled, especially when the giant cockroach turns up missing. Did it escape? Or was it stolen? Who besides Tessa would want a cockroach? There is more to this bug than meets the eye in the sixth book about three mystery-loving kids (and one too-energetic dog) who live in the White House.

Lipman Pike - Richard Michelson 2011-02-08

In the mid 1800s the sport of baseball was working its way across the United States. Amateur teams were springing up and in 1858 the National Association of Base Ball Players was formed. Young men were eager to show their prowess on the field and in the batter's box. Lipman Pike's father, a Dutch immigrant, runs a small haberdashery in Brooklyn, New York, though Lip is more interested in watching the ball players than working behind the counter. His mother doesn't approve -- Jewish boys should be paying attention to more sensible matters. But when Lip is barely a teenager, he's invited to join the Nationals Junior Club and play first base. When he hits his first pitch over the right fielder's head, Lip knows baseball is the sport for him. Award-winning author Richard Michelson chronicles the meteoric rise of one of baseball's earliest (and unsung) champions. Richard Michelson's poetry and children's books have been listed among the year's best books by *The New Yorker*, the New York Public Library, and the Jewish Book Council. His *A* is for Abraham: A Jewish Alphabet won the 2009 Sydney Taylor Award Silver Medal. He lives in Amherst, Massachusetts. Zachary Pullen's picture-book illustrations have won awards and garnered starred reviews. He has been honored several times with acceptance into the prestigious Society of Illustrators juried shows and Communication Arts Illustration Annual of the best in current illustration. Zak lives in Wyoming.

See Me Run - Paul Meisel 2012-06-05

Happiness is a day in the park for a pack of joyful pups, in this Theodor Seuss Geisel Honor-winning Level D early reader. See me run. A happy, fuzzy gold mutt is running through the park when he finds some friends. So he joins the crowd, and together they run, chase, and play in the mud. Then they begin to dig-- and find the mother lode, a huge pile of bones. But when the bones magically arrange themselves into a dinosaur-- who isn't very happy to be woken up-- the dogs have to run again! Energetic, cartoon-style illustrations of this pack of mischievous dogs accompany the simple text, adding plenty of visual humor and detail to delight young readers. Filled with personality and fun, this pack of pups is bound for adventure! The award-winning I Like to Read® series focuses on guided reading levels A through G, based upon Fountas and Pinnell standards. Acclaimed author-illustrators--including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors--create original, high quality illustrations that support comprehension of simple text and are fun for kids to read with parents, teachers, or on their own! Suitable for late kindergarten readers, Level D books use a wider vocabulary and more complex plots with multiple scenes. They feature longer sentences and greater variety in sentence structure than the prior levels. Move onto Level E books next!

Running While Black - Alison Mariella Désir 2022-10-18

A searing exposé on the whiteness of running, a supposedly egalitarian sport, and a call to reimagine the industry "Runners know that running brings us to ourselves. But for Black people, the simple act of running has never been so simple. It is a declaration of the right to move through the world. If running is claiming public space, why, then, does it feel like a negotiation?" Running saved Alison Désir's life. At rock bottom

and searching for meaning and structure, Désir started marathon training, finding that it vastly improved both her physical and mental health. Yet as she became involved in the community and learned its history, she realized that the sport was largely built with white people in mind. *Running While Black* draws on Désir's experience as an endurance athlete, activist, and mental health advocate to explore why the seemingly simple, human act of long distance running for exercise and health has never been truly open to Black people. Weaving historical context—from the first recreational running boom to the horrific murder of Ahmaud Arbery—together with her own story of growth in the sport, Désir unpacks how we got here and advocates for a world where everyone is free to safely experience the life-changing power of movement. As America reckons with its history of white supremacy across major institutions, Désir argues that, as a litmus test for an inclusive society, the fitness industry has the opportunity to lead the charge—fulfilling its promise of empowerment.

The Big Race - Suzanne I Barchers 2012-09-01

Sox can't wait for the big race. But Tab decides to run in the race and asks Sox to help him train. Sox knows Tab is slow. Will Tab slow Sox down or will Sox run to win? Character concepts: Perseverance, self-esteem, empathy, being a good friend, working together.

Heroes Don't Run - Harry Mazer 2009-10-27

"I WANTED TO SERVE, TO BE PART OF THIS THING MY FATHER HAD GIVEN HIS LIFE FOR. I DIDN'T WANT THE WAR TO END, AND ALL I'D BE ABLE TO SAY WAS, NO I DIDN'T SERVE, I WAS RIGHT HERE THE WHOLE WAR, SAFE IN BAKERSFIELD." Adam Pelko witnessed the Japanese attack on Pearl Harbor that killed his father, a lieutenant on the USS Arizona. Even though Adam is underage, he defies his mother's wishes and enlists in the Marines. Sent first to boot camp, then to Okinawa, he experiences the stark reality of war firsthand -- the camaraderie and the glory as well as the grueling regimen, the paralyzing fear, and death. And at every turn, Adam must confront memories of his father. In the concluding volume of his World War II trilogy, Harry Mazer masterfully illustrates Adam's journey as he navigates brutal circumstances that no boy should know.

See How They Run (Embassy Row, Book 2) Ally Carter 2015-12-22

Digging up lost secrets is always dangerous. For the past three years, Grace Blakely has been desperate to find out the truth about her mother's murder. She thought it would bring her peace. She thought it would lead her to answers. She thought she could put the past to rest. But the truth has only made her a target. And the past? The only way to put the past to rest is for Grace to kill it once and for all. On Embassy Row, power can make you a victor or a victim; love can turn you into a fool or a fugitive; and family can lead you forward or bury you deep. Trust is a luxury. Death is a very real threat. And a girl like Grace must be very careful about which secrets she brings to light.

Run to Win - Stephanie Schriock 2021-01-12

"I have long believed that women who dream big, work hard, and get back up after they get knocked down can do anything; Stephanie Schriock is one of those women. I'm so glad her thoughtful guidance is now available for women everywhere."—Hillary Rodham Clinton "Stephanie Schriock leads the leaders."—Michelle Lujan Grisham, governor of New Mexico "Run to Win is an antidote to anxiety and a welcome call to action. I encourage every woman (and a few good men) to dive into Run to Win and take your turn at saving the world."—Stacey Abrams From the president of EMILY's List, a playbook for women changing the world in politics, business, or any arena, with a foreword from Vice President Elect Kamala Harris. For the past thirty-five years EMILY's List has helped the campaigns of thousands of pro-choice Democratic women, but the hardest part has always been convincing more women to run. Then Donald Trump was elected, and something shifted into place. American women who were furious and frustrated were looking for a way to channel their outrage into action, united in proclaiming, "If that guy can get elected, why not me?" The day after the 2016 election, dozens of women searched out an old sign-up link buried on the EMILY's List website. By Thanksgiving, those dozens had grown to a few thousand. And that was only the beginning. By the end of 2018, there were nearly fifty thousand women signed up to run for office, with scores more signing up each day. Run to Win is for all women who are looking to lead. Organized around the steps that EMILY's List coaches its candidates through (from deciding to run through celebrating victory), this book is full of essential lessons for any woman trying to succeed in a male-

dominated field. Their arena is politics but their message is universal. And Stephanie Schriock is the most qualified person to share these lessons. Not only is she a powerful figure in politics but she's also a woman who commands respect for her astounding success as president of EMILY's List and a longtime Democratic operative. Her message is uplifting and actionable, her voice is that of your best girlfriend walking you through what you need to consider as you make your plan, and her experience coaching the biggest female candidates in recent elections (including all of the female 2020 Democratic presidential candidates) makes her the de facto authority on the strategies women can employ to run, fight, and win, whatever their field or goal.

Run Run Run - Jack Hoffman 2020-01-14

Intertwining the details of Abbie Hoffman's intense personal life with the movement politics of the sixties, seventies, and eighties, Dan Simon writes Abbie's story from the point of view of his younger brother Jack, creating a full and poignant portrait of one of the geniuses of the 1960s counterculture. From the creation of the Yippies! in 1967 and the tumult of the 1968 Democratic National Convention protests, to the humor and agony of the Chicago conspiracy trial, the scandal of Abbie's 1973 cocaine bust, and his six and a half years as a fugitive, to his reemergence as environmentalist 'Barrie Freed' and his final struggle with manic-depressive illness, this biography offers a compelling examination of the contradictions that make Abbie Hoffman such a compelling figure. With the information and affection only a brother could bring to the complexities of Abbie's life, Hoffman and Simon portray Abbie's public persona alongside his private aspirations and fears, romances, and enduring family relationships.

Run, Mo, Run! - David A. Adler 2022-03-08

Mo is the star of his school's track-and-field meet in the perennially popular, Geisel Award-winning series by David A. Adler! Mo, Jenna, and Dov will compete in the day's final event--the relay race--but first, Mo has to pass the baton without dropping it. He practices at lunch and during class, but the baton keeps slipping out of his hand. When the score is tied and the pressure is on, will Mo be able to win for his team?

Vampires on the Run C. M. Surrisi 2018-08

"Two suspicious writers from New York arrive in Quinnie Boyd's small Maine town. They claim to be the confidants of a vampire count. But Quinnie begins to wonder if the authors are vampires themselves"--

Runs With Courage - Joan M. Wolf 2016-10-01

Ten-year-old Four Winds is a young Lakota girl caught up in the changes brought about by her people's forced move to the reservation. Set in the Dakota Territory, it is the year 1880. Four Winds has been taken away from her family and brought to a boarding school run by whites. It is here she is taught English and learns how to assimilate into white culture. But soon she discovers that the teachers at this school are not interested in assimilation but rather in erasing her culture. On the reservation, Four Winds had to fight against starvation. Now she must fight to hold on to who she is.

Run, Swim, Fly - Julie K. Lundgren 2013-03-01

Emergent readers learn how some living things move in water, in air, and on land.

To Run Before The Sea - Michael Rothery 2020-08-09

How do you cope when your darkest, most frightening fantasies become indistinguishable from reality? When the destroyer on which she serves is deployed to a war zone, Leading Seaman Rosie Winterbourne can no longer keep secret the psychosis that has blighted her life since the Accident. Medically discharged from the Navy, Rosie seeks solace in the renovation of her father's old yacht. To Run Before the Sea tells the story of a young woman's struggle with mental illness and the extraordinary risks she takes to rid herself of her terrifying delusions. It is a story that explores the troughs of despair on the long road to redemption, a story of resilience in the face of adversity, a story of drama on the high seas and stultifying events on land. A powerful mix of adventure, personal discovery, and self-renewal. Think hybrid of Kayson's Girl, Interrupted and Miller's The Crossing.

Find Your Joy and Run With It - Rosie Mankes 2020-07-23

Dan Angel, multiple Emmy, Peabody and WGA award-winning writer, producer and founder of Fezziwig studios got a sneak peek at my book and here is what he had to say: "Rosie has opened up and shared her

personal story and battle with cancer and other life-altering challenges in ways most never do. You will laugh, you will cry, and you will celebrate her life and her battles and know that because of her honesty, her strength and her courage, she will help us all fight through things we could have never imagined happening to us. Thank you, Rosie." Rosie went through more than some people encounter in a lifetime. Within a one-year period she was diagnosed with breast cancer resulting in a double mastectomy. During the same time, she had to transition her confused, fearful, and very resistant mother suffering from dementia into an Assisted Living facility. Then suddenly, her 58-year-old healthy brother died due to a tragic, unfathomable accident. With Rosie's world crumbling down around her, she spiraled into a very dark place. Her indomitable will to find her way back coupled with what she calls "winks from beyond" helped empower her to transition from being despondent and broken to becoming "Rosie again." You will be inspired and smile as Rosie tells this true story of adversity and survival in a raw, honest, and emotionally relatable, yet sometimes laugh-out-loud way. Reading her book and learning about the unique ways she transformed herself will help you to stop, pause and recognize special every-day moments in your life, so you too can find your joy and run with it!

Take the Monkey and Run - Laura Morrigan 2016-07-05

Grace Wilde must use her psychic abilities to track down a pesky primate in the latest Call of the Wilde Mystery. Grace Wilde is excited to head to New Orleans for her first "real" case as an animal telepath. She intends to help a woman find her missing sister, but when she attempts to communicate with her client's cat, Coco, Grace gets distracted by the presence of a much wilder animal. Coco confirms that a mysterious monkey has been swinging around the Big Easy. Grace thinks she might be able to help corral the cheeky Capuchin in addition to solving her case. But things get complicated when she receives a cryptic warning that her client isn't what she seems. Now it's up to Grace to separate the truth from the monkey business...

Rose's Run Dawn Dumont 2014-10-01

Rose Okanese, a single mother with two kids, has been pushed into a corner by Rez citizens to claim some self-respect, and decides that the fastest way to do that would be for her to run the reserve's annual marathon. Though Rose hasn't run in twenty years, smokes and initially has little motivation, she announces her intention to run the race. One quality Rose doesn't lack is spontaneity which sometimes clashes with her iron will and though she has initial regrets about opening her mouth, her life begins to dictate that she must follow through. But as fate will dictate, one rather huge unforeseen outcome of her decision is that she will have to do battle with an old inadvertently conjured demon that feeds off the strength of women. She is a truly mean old spirit who can invade other women and have them do her bidding and in no time has the Rez in an uproar. As Rose discovers, the old demon has been unintentionally called forth by Rose's teen daughter, Sarah, which complicates Rose's life just a little more. The spirit woman creates a reign of fear and havoc by appearing to people on the reserve and freaking them out, all of which leads to incidents of extreme humour and plot-twisting bemusement, liberally sprinkled with some jittery acts of valour. With a cast of unusual and unfamiliar characters, Dumont interweaves a tale of motherly love, friendship, lustful longing, wíhtikow lore, and Rez humour and keeps the hoopla going until the race is done. At the story's vortex is Rose, a woman destined to face her fears and provide some rich laughter while doing so. Will she send the demon back to where it came from before the spirit claims her teen daughter? Will she get back together with her philandering, rock musician husband before her girls grow up? Will she sort out her best friend's winter pregnancy? But more importantly, will she get this all done before her big, face-saving race with Dahlia Ingram, a woman whom God has designed for one purpose: to run long distances at high speeds with effortless grace.

Dog in a Dress & Run, Tom, Run! - Katie Dale 2019

Animals are wearing clothes and Tom is running in a race.

Holding Back The Tears Annie Mitchell 2013-09-16

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered

by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.
