The Development of Second Language Proficiency - Ontario Institute for Studies in Education 1990-03-30 This text presents the findings of a major investigation of second language proficiency in various groups of school-aged learners. It invites a frank appraisal of the research from an outside panel of experts. The theoretical and practical implications of the study are the subject of a lively debate focused on three main research issues: the nature of second language proficiency, the impact of classroom treatment on second language learning, and the role of social and individual factors in bilingual development. This original collection of articles will be of interest to all those concerned with policy and practice in second language education.

To Kill a Mockingbird - aBookaDay 2016-07-27

Warning: This is an independent addition to Luckiest Girl Alive, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle. She is the teller of her brother's secrets, letting readers look in on the changing morality and maturation of a young person growing up in a southern town in 1935, giving an insight into what the adults of Maycomb will look like fifteen years later. With her childlike spite and surprising wit, we can trust Scout Finch to tell the whole truth and nothing but. The lessons of To Kill a Mockingbird are for Atticus Finch to teach and for us, through his littlest daughter's eyes, to learn. Available on PC, Mac, smart phone, tablet or Kindle device. How to Draw Manga Furries - Hitsujirobo, 2021-09-14

With How to Draw Manga Furries, you'll follow the lead of five professional Japanese artists as they show you how to bring dynamic fantasy characters to life—on the page or on screen! Furries are anthropomorphic characters—animals who have human traits (not to be confused with kemonomimi, or humans with some animal features!). They're widely popular in manga, anime and cosplay—from fan favorites like Wolf's Rain and Lackadaisy to the newer Beastars and BNA: Brand New Animal. The genre allows creators to be more imaginative, freeing artists from traditional human personality traits, actions and physical appearance. With the help of the expert authors, you'll learn to draw: Anatomically correct furry manga bodies, skulls, faces, appendages and tails with human proportions Characters based on cats, dogs, wolves, foxes, goats, birds, whales, sharks, crocodiles, dragons—and more! Furries seen from their most powerful perspective—from muzzle to rump to flipper tip Illustrations shown from many various angles with different poses, positions and movements And so much more! With this book as your guide, your imagination will run wild as you create memorable heroes, wicked villains and compelling sidekicks with your pen or on screen. *Recommended for artists 10 & up*

Bilingual Grammar of English-Spanish Syntax - Sam Hill 2014-06-13

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major interlingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Answer key available for download from the "features" tab on the publisher's website:
