*Roberte Ce Soir* Pierre Klossowski 2002

Like the works of Georges Bataille, and those of the Marquis de Sade before him, Klossowski's erotic fiction explores the connections between the mind and body. This pair of short novels merges the sexual misadventures of Octave, his striking young wife Roberte, and their nephew Antoine, with Klossowski's philosophical and theological concerns. Roberte Ce Soir is a dramatic enactment of Octave's ritual of hospitality in which Roberte offers herself to any guest who desires her, and The Revocation of the Edict of Nantes relates Roberte's predicament when she is forced to censor this same play. The resulting text represents one of the most provocative intellectual and sexual discourses of our time.

*Best Bisexual Erotica* - Bill Brent 2002-01-01

These erotic tales of bisexuality really run the gamut -- from Samurai-era Japan to an 18th century French nunnery; from a shape-shifting college dude to a lap-dance stripper to a man cross-living as a woman on the Canadian prairie in the early 1900s. Plenty of three-way affairs and encounters, a moderate dose of bondage and S/M, and three great stories incorporating sex in the restroom! Despite all of this delightful romping, the tone of the book is more serious overall and somewhat darker than in the first volume, with well-developed plots featuring characters dealing (and in some cases, Not dealing) with complex issues. Stories tackle the intricacies of polyfidelity, coming out, and forging a positive bisexual identity. There is a lot for readers to sink their teeth into, and the range of contributions demonstrates a maturing of the bisexual erotic voice.

*Mémoire Sexuel* - Valérie Tasso 2006

From sex in a graveyard to fetish play, Valerie finds this life far more enjoyable than she could ever have hoped. Her amazing sexual evolution and ironic rebirth through prostitution ultimately liberates Valerie as she learns to appreciate her true self.

When Mom told me she was getting married again and moving her new husband and his twenty-four year old son in with us, I thought I'd just have to spend as much time as possible studying in the campus library to avoid all of them. I certainly never expected to learn that the marriage was simply a mutually beneficial arrangement for my mom and new stepfather, Mr. Winters. They don't actually have feelings toward each other. I also didn't expect him and my stepbrother, Dominick, to be such handsome, Viking-like men. Or for them to take such an interest in me. Now at the age of 19, I suddenly find I have the family I've always wanted. As we all grow closer, though, lines start to blur. When Daddy and big brother start pushing those boundaries even further, will I be ready? Intended for mature audiences only. Contains dark, taboo themes and dubious consent.

Podemos hallar desde la resolución de un crimen perfecto a instancias del responsable, la búsqueda durante décadas de la identidad de un amnésico, la persecución de un ladrón en un extraño planeta, las explicaciones de un resucitado a su inverosímil situación, las maquinaciones de un Presidente de la Generalitat de Catalunya, la captura de un criminal por medio de los sueños o la épica historia de un elegido.

**Desatar a la bestia** Eleanor Rigby 2021-07-07

Hay hombres que no creen en el amor a primera vista..., por eso hay que pasar por delante unas cuantas veces más. Todos en Leighton Abogados coinciden en que Lea Velour sería la letrada más destacada del bufete si su jefe no insistiera en tratarla como una secretaria suplente. Pocos sospechan, en cambio, que bajo el moño tirante y sujeto gracias a litros de laca y disciplina se esconde algo más que un cerebro brillante: una mujer que, en vez de ansiar el respeto del sexy y divertido Jesse Miranda, está deseando que este se lo falte. Desgraciadamente, parece que su personalidad práctica y aspecto severo no sirven para captar la atención de un hombre como él, que ya la ha colocado en una casilla no muy aventajada: la de patito feo. Un toque de atención, un golpe de azar y la repentina curiosidad de Jesse hacia su contradictoria abogada adjunta desembocarán en un juego peligroso y excitante con unas reglas establecidas desde el principio: sin promesas de amor. Él acabará descubriendo el potencial de una mujer que todo lo que necesita es un motivo para convertirse en puro fuego, y ella a un hombre que puede que al final no sea el playboy descerebrado y accesible que parece, sino alguien con el corazón blindado y más que digno de un amor que podría no ser correspondido.

**The Passion of Mademoiselle S.** - Jean-Yves Berthault 2016-02-09

A literary treasure: the recently discovered letters that chronicle the passionate affair of a young woman in Paris in 1928 While helping a friend clear out an old apartment in Paris, diplomat Jean-Yves Berthault came upon a leather portfolio that contained a collection of handwritten letters. After reading the first one, Berthault realized that he had stumbled upon an extraordinary correspondence—a charged and passionate epistolary love affair that brought to mind the French classics *The Story of O*, *Justine*, and *Delta of Venus*. He began to piece together clues. The letters were from Simone, a well-to-do, unmarried Parisian woman, to her younger, married lover, Charles. Written between 1928 and 1930, they tell the story of an illicit love affair that sparked a sexual awakening for both lovers. As the affair intensifies, Simone becomes obsessed with Charles, even as he begins to grow more distant. As her hunger deepens, she pushes him beyond all boundaries into dangerous and forbidden realms, in an effort to keep him enthralled. With each broken taboo, Charles submits—until their last fateful encounter. *The Passion of Mademoiselle S.* is a tour de force.

In language that is by turns elegant, impassioned, and surprisingly graphic, these love letters are a portrait of a sexual and psychological obsession. Berthault's notes on the period add dimension and context to the correspondence. But it is the voice of Simone—that of a sensual, vulnerable, and curiously modern woman—that comes through most vibrantly and echoes down the centuries. Praise for *The Passion of Mademoiselle S.* "The steamiest . . . text ever."—*Le Parisien*

**12 Relatos Impuros** - Hans Trujillo 2021-10

**Smut** - Alan Bennett 2012-01-03

One of England's finest and most loved writers explores the uncomfortable and tragicomic gap between people's public appearance and their private desires in two tender and surprising stories. In *The Greening of Mrs. Donaldson*, a recently bereaved widow finds interesting ways to supplement her income by performing as a patient for medical students, and renting out her spare room. Quiet, middle-class, and middle-aged, Mrs. Donaldson will soon discover that she rather enjoys role-play at the hospital, and the irregular and startling entertainment provided by her tenants. In *The Shielding of Mrs. Forbes*, a disappointed middle-aged mother dotes on her only son, Graham, who believes he must shield her from the truth. As Graham's double life becomes increasingly complicated, we realize how little he understands, not only of his own desires but also those of his mother. A master storyteller dissects a very English form of secrecy with two stories of the unexpected in otherwise apparently ordinary lives.

**Historias de amor** - Julia Kristeva 1987

Ser psicoanalista es saber que todas las historias acaban hablando de amor. La queja que me confían los que balbucean a mi lado siempre tiene su origen en una falta de amor presente o pasada, real o imaginaria. Y sólo puedo entenderla si yo misma me sitúo en ese punto de infinito, dolor o arrebató. Con mi desfallecimiento, el otro compone el sentido de su aventura. Nuestra sociedad no tiene ya código amoroso. En cada relato privado, íntimo, inconfesable, buscamos descifrar los meandros de ese mal que tiene una relación tan extraña con las palabras. Idealización, estremecimiento, exaltación, pasión; deseo de fusión, de catástrofe mortal tendida hacia la inmortalidad, el amor es la figura de las contradicciones insolubles, el laboratorio de nuestro destino. ¿Filosofía, religión, poesía, novela? Historias de amor, de Platón a santo Tomás, de Romeo y Julieta a Don Juan, de los trovadores a Stendhal, de la madona de Baudelaire a Bataille. Las grandes elaboraciones simbólicas no dicen nada que no se escuche en la sombra, cada día. Estar psíquicamente en vida significa estar enamorado, en análisis o presa de la literatura. Como si toda la

historia humana no fuera más que una inmensa y permanente transferencia.
