what to Do about it If You Can't - June Bundy Csida 1974

Gender Violence, 3rd Edition -
Laura L. O'Toole 2020-07-14
An updated edition of the groundbreaking anthology that explores the proliferation of gendered violence From Harvey Weinstein to Brett Kavanaugh, accusations of gender violence saturate today's headlines. In this fully revised edition of Gender

Violence, Laura L. O'Toole, Jessica R. Schiffman, and Rosemary Sullivan bring together a new, interdisciplinary group of scholars, with up-to-date material on emerging issues like workplace harassment, transgender violence, intersectionality, and the #MeToo movement. Contributors provide a fresh, informed perspective on gender violence, in all of its various forms. With twenty-nine new contributors, and twelve original essays, the third edition now includes emerging contemporary issues such as LGBTQ violence, sex work, and toxic masculinity. A trailblazing text, *Gender Violence, Third Edition* is an essential read for students, activists, and others.

The General Code of the State of Ohio, Revised to 1921 - Ohio 1921

Chester B. Himes: A Biography - Lawrence P. Jackson 2017-07-25
Winner of the 2018 Edgar Award for Best

Critical/Biographical Work A Washington Post Notable Book
The definitive biography of the groundbreaking African American author who had an extraordinary legacy on black writers globally. Chester B. Himes has been called "one of the towering figures of the black literary tradition" (Henry Louis Gates Jr.), "the best writer of mayhem yarns since Raymond Chandler" (San Francisco Chronicle), and "a quirky American genius" (Walter Mosely). He was the twentieth century's most prolific black writer, captured the spirit of his times expertly, and left a distinctive mark on American literature. Yet today he stands largely forgotten. In this definitive biography of Chester B. Himes (1909-1984), Lawrence P. Jackson uses exclusive interviews and unrestricted access to Himes's full archives to portray a controversial American writer whose novels unflinchingly confront sex, racism, and black identity. Himes brutally rendered racial politics in the best-selling novel *If He Hollers*

Let Him Go, but he became famous for his Harlem detective series, including Cotton Comes to Harlem. A serious literary tastemaker in his day, Himes had friendships—sometimes uneasy—with such luminaries as Ralph Ellison, Carl Van Vechten, and Richard Wright. Jackson's scholarship and astute commentary illuminates Himes's improbable life—his middle-class origins, his eight years in prison, his painful odyssey as a black World War II-era artist, and his escape to Europe for success. More than ten years in the writing, Jackson's biography restores the legacy of a fascinating maverick caught between his aspirations for commercial success and his disturbing, vivid portraits of the United States.

A Breath of Fresh Air -

Amelia C. Boomershine

2017-03-28

Breath of Fresh Air: Biblical Storytelling with Prisoners challenges the behemoth of mass incarceration through the convergence of biblical

storytelling pedagogy, restorative justice principles, and peacemaking circle structure. Circle of the Word is an interactive, creative process of engagement with biblical stories. It is a spiritual intervention that addresses an American criminal justice system that is retributive, discriminatory, and out of control. Boomershine reports on the impact of Circle of the Word for incarcerated men and women and grounds Circle of the Word in a multifaceted foundation: the study of the Bible as performance literature, the history of prison reform in Enlightenment England, the doctrine of the Word of God, and the development-of-hope theory. Since the purpose of the book is both advocacy and empowerment, a how-to chapter is included with details for implementation. Participation in Circle of the Word has proven to be a transformative experience for men and women directly impacted by mass incarceration--discovering

community in the midst of isolation and hope in the midst of despair.

The Trauma of Sexual

Assault - Jenny Petrak

2003-07-07

The psycho-social needs of victims of rape and sexual assault are increasingly recognised and there is a need for a critical synthesis of knowledge and practice to support the development of training and best practice in the mental health and sexual health professions. The Trauma of Sexual Assault provides an understanding of the theoretical underpinning of the wide range of clinical problems that can follow sexual assault. Focusing on adult victims of sexual assault, this book brings together research findings, theoretical perspectives and implications for treatment, longer term management, and future policy. * The first text to consider the psychological impact of sexual assault on women and men * Incorporates a comprehensive flow-through model of psychological and social management from the

initial presentation of the assaulted person onwards * A much needed reference, accessible to a wide range of professionals Part of the Wiley Series in Clinical Psychology

Locked Up, Locked Out -

Anne Nurse 2010-07-16

You disrespect somebody and he disrespects you. It's all about respect when you're locked up.

I Will Find You - Joanna

Connors 2016-04-05

The journalist's "brutally affecting [and] powerful" memoir of her quest to uncover the life of the man who raped her twenty-one years earlier (Guardian, UK). Joanna Connors was thirty years old and on assignment for the Cleveland Plain Dealer to review a college theater production when she was held at knifepoint and raped by a stranger who had grown up five miles away from her. Once her assailant was caught and sentenced, Joanna never spoke of the trauma again . . . until her daughter was about to go to college. Resolving to tell her children about her rape,

Connors began to realize that the man who assaulted her was one of the most formative people in her life. She embarked on a journey to find out who he was, who his friends were, and what his life was like. What she discovers stretches beyond one violent man's story and back into her own, interweaving a narrative about strength and survival with one about rape culture and violence in America. *I Will Find You* is a "deeply humane and harrowing" memoir, as well as a brave and timely consideration of race, class, education, and the families that shape who we become (Boston Globe).

Whitetail Liberator - R.

Cameron Riley 2015-11-13
D'Vaunte "Rocket" Liberatore lives at the end of the law enforcement food chain as a low-level private investigator. His is a life of cheating spouses, thieving family members, and runaway teens. However, he's successfully used his career to avoid his personal battles with drugs, sex, violence, and even his own irresistible charm. When he returns to his native Whitetail Village to memorialize his deceased mother, Rocket makes a choice to cash in on his biggest payday opportunity yet. Things soon spin out of control, though, as his new investigation puts him in the crosshairs of homicide detectives and drug dealers. A firefight explodes on the quiet streets of his childhood. Rocket's actions soon get people killed, including a childhood friend and even an assassin. He can't turn his back and run at the risk of losing more of the people he loves. Instead, he independently takes on the bad guys in a desperate attempt to liberate

the innocent from a world of vengeful sociopaths and self-righteous policemen.

Missoula - Jon Krakauer

2016-01-12

NATIONAL BESTSELLER • “A devastating exposé of colleges and local law enforcement.... A substantive deep dive into the morass of campus sex crimes, where the victim is too often treated like the accused.”

—Entertainment Weekly

Missoula, Montana, is a typical college town, home to a highly regarded state university whose beloved football team inspires a passionately loyal fan base. Between January 2008 and May 2012, hundreds of students reported sexual assaults to the local police.

Few of the cases were properly handled by either the university or local authorities. In this, Missoula is also typical.

In these pages, acclaimed journalist Jon Krakauer investigates a spate of campus rapes that occurred in Missoula over a four-year period. Taking the town as a case study for a crime that is sadly prevalent throughout the

nation, Krakauer documents the experiences of five victims: their fear and self-doubt in the aftermath; the skepticism directed at them by police, prosecutors, and the public; their bravery in pushing forward and what it cost them.

These stories cut through abstract ideological debate about acquaintance rape to demonstrate that it does not happen because women are sending mixed signals or seeking attention. They are victims of a terrible crime, deserving of fairness from our justice system. Rigorously researched, rendered in incisive prose, Missoula stands as an essential call to action.

The Invisible Woman -
Joanne Belknap 2020-08-27
Now with SAGE Publishing!

The Invisible Woman: Gender, Crime, and Justice offers a thorough exploration of the theories and issues regarding the experiences of women and girls with the criminal justice system as victims, offenders, and criminal justice professionals. Working to counter the "invisibility" of women in criminal justice, this definitive text utilizes a feminist perspective that incorporates current research, theory, and the intersections of sexism with racism, classism, and other types of oppression. Focusing on empowerment of marginalized populations, author Joanne Belknap's gendered approach to the criminal justice system examines how to improve the visibility of women and to promote their role in society. Included with this title: The password-protected Instructor Resource Site (formally known as SAGE Edge) offers access to all text-specific resources, including a test bank and editable, chapter-specific PowerPoint® slides.

On Being Raped - Raymond

M. Douglas 2018-01-23

A personal and moral inquiry into the crime we do our best to ignore: the rape of adult men When Raymond M. Douglas was an eighteen-year-old living in Europe, he was brutally raped by a Catholic priest. He eventually moved to the United States and became a highly regarded historian, writing with great care about the violent expulsion of Germans from Eastern Europe after the Second World War, and parsing the complicated moral questions of these actions. But until now, Douglas has been silent about his own experience of trauma. In *On Being Raped*, Douglas recounts this painful event and his later attempts to seek help to lay bare the physical and psychological trauma of a crime we still don't openly discuss: the rape of adult men by men. With eloquence and passion, he examines the requirements society implicitly places upon men who are victims of rape, examines the reasons for our resounding silence around this issue, and

reveals how alarmingly prevalent this kind of sexual violence truly is. An insightful and sensitive analysis of a type of bodily violation that we either joke about or ignore, *On Being Raped* promises to open an important dialogue about male rape and what needs to be done to provide adequate services and support for victims. "But before that can happen," writes Douglas, "men who have been raped will have to come out of the shadows...A start has to be made somewhere. This is my attempt at one."

Men and Rape - Alan D. Berkowitz 1994

Men have a responsibility to prevent rape. Research on the causes of campus rape and sexual assault indicate that it is the experience of masculinity itself - how men think of themselves as men - that creates the psychological and cultural environment that leads us to rape; and that this environment is perpetuated in men's relationships with and expectations of each other. To be effective, rape prevention

work with men must therefore focus on men's experience. This pioneering volume of *New Directions for Student Services* provides resources for professionals in higher education who want to work with men to reduce the incidence of sexual assault and rape on campus. Extensive guidelines are provided for the development and implementation of a model rape prevention program for men, including student perspectives on facilitating such a program. Student personnel administrators interested in working with men to prevent rape and sexual assault will benefit from the theory, research, treatment models, innovative programming, student perspectives, and resources reviewed in this volume. *Journal of the Senate of the State of Ohio* - Ohio. General Assembly. Senate 1915

Queen of Prison Ministry - Michael Glenn Maness 2008-06
Poems of a Poetic Voice was derived out of my inspiration to

write poems during various times. Some of the poems are a collection of poems of different events and things which I have encountered, dreamed, inspired others with, imagined, or words which came to my mind and spirit and was expressed through writing. These poems are valuable in my thoughts and life which led me to express my artistic talent through this book.

Annual Report of the Ohio Department of Public Welfare - Ohio. Department of Public Welfare 1942

Caught - Margaret A. White
2021-02-01

[Type text][Type text][Type text] This book compares the many life-altering events of an incarcerated African American man and a white American woman. More than just a discussion of their differences and commonalities, it explores the prejudices that continue to

plague many areas of life in the US. Touching upon their individual family dynamics, drug usage and its consequences, the judicial system, early US history, and even adding God into the mix, this work covers a gamut of themes and concerns. Although at times it can be challenging to read, it does have the potential to elicit further discussion and, more importantly, bring about self-examination and an awareness that is more in tune with our surrounding communities and cultures.

VI. BODY AND SOUL

Companion to Women's and Gender Studies - Nancy A. Naples 2020-03-26

A comprehensive overview of the interdisciplinary field of

Women's and Gender Studies, featuring original contributions from leading experts from around the world The Companion to Women's and Gender Studies is a comprehensive resource for students and scholars alike, exploring the central concepts, theories, themes, debates, and events in this dynamic field. Contributions from leading scholars and researchers cover a wide range of topics while providing diverse international, postcolonial, intersectional, and interdisciplinary insights. In-depth yet accessible chapters discuss the social construction and reproduction of gender and inequalities in various cultural, social-economic, and political contexts. Thematically-organized chapters explore the development of Women's and Gender Studies as an academic discipline, changes in the field, research directions, and significant scholarship in specific, interrelated disciplines such as science, health, psychology, and economics. Original essays

offer fresh perspectives on the mechanisms by which gender intersects with other systems of power and privilege, the relation of androcentric approaches to science and gender bias in research, how feminist activists use media to challenge misrepresentations and inequalities, disparity between men and women in the labor market, how social movements continue to change Women's and Gender Studies, and more. Filling a significant gap in contemporary literature in the field, this volume: Features a broad interdisciplinary and international range of essays Engages with both individual and collective approaches to agency and resistance Addresses topics of intense current interest and debate such as transgender movements, gender-based violence, and gender discrimination policy Includes an overview of shifts in naming, theoretical approaches, and central topics in contemporary Women's and Gender Studies Companion to

Women's and Gender Studies is an ideal text for instructors teaching courses in gender, sexuality, and feminist studies, or related disciplines such as psychology, history, education, political science, sociology, and cultural studies, as well as practitioners and policy makers working on issues related to gender and sexuality.

Male on Male Rape - Michael Scarce 2008-01-07

A groundbreaking examination of a vastly unrecognized though widely prevalent form of violence. Male on Male Rape shatters the silence and offers concrete strategies for prevention and recovery.

Preventing Intimate Partner Violence Across the Lifespan

- Phyllis Holditch Niolon 2017

Gender Issues, Sex Offenses, and Criminal Justice

- Janine Chaneles 2014-04-04

Here is a powerful look at gender issues in the criminal justice system, particularly as gender is related to sex offenses and the system's response to those offenses. Experts examine inmate sexual aggression, gender disparity in bail setting, racial patterns of rape, the female offender's adjustment to prison life, the psychological profile of female first offenders, and the self-image of juvenile prostitutes.

Inside This Place, Not of It Ayelet Waldman 2017-07-25

Inside This Place, Not of It

reveals some of the most egregious human rights violations within women's prisons in the United States. Here, in their own words, thirteen narrators recount their lives leading up to incarceration and their harrowing struggle for survival once inside. Among the narrators: Theresa, who spent years believing her health and life were in danger, being aggressively treated with a variety of medications for a disease she never had. Only on her release did she discover that an incompetent prison medical bureaucracy had misdiagnosed her with HIV. Anna, who repeatedly warned apathetic prison guards about a suicidal cellmate. When the woman killed herself, the guards punished Anna in an attempt to silence her and hide their own negligence. Teri, who was sentenced to up to fifty years for aiding and abetting a robbery when she was only seventeen. A prison guard raped Teri, who was still a teenager, and the assaults continued for years with the

complicity of other staff.
