[Advertising the Beatles \(PB\)](#) - Ray Zirkle 2018-08

Advertising The Beatles is a colorful and historic journey through the Fab Four's earliest releases in Great Britain and the United States based on record advertisements. These ads usually ran in trade magazines for one week and then were gone forever. Compiled here for the first time in book format by Beatles enthusiast Ray Zirkle, these promotional materials show the group's musical evolution through the years until they ultimately disbanded in the early 1970s.

[The Beatles Are Here!](#) - Penelope Rowlands 2014-02-04

"This compulsively readable personal history . . . gathers the recollections of fans, writers, musicians, and artists" about the enduring impact of The Beatles (Publishers Weekly). The arrival of the Beatles in America was an unforgettable cultural touchstone. Through the voices of those who witnessed it or were swept up in it indirectly, *The Beatles Are Here!* explores the emotional impact—some might call it hysteria—of the Fab Four's February 1964 dramatic landing on our shores. Contributors, including Lisa See, Gay Talese, Renée Fleming, Roy Blount, Jr., Greil Marcus, and many others, describe in essays and interviews how they were inspired by the Beatles. This intimate and entertaining collection arose from writer Penelope Rowlands's own Beatlemania phase: she was one of the screaming girls captured in an iconic photograph that has since been published around the world—and is displayed on the cover of this book. The stories of these girls, who found each other again almost fifty years later, are part of this volume as well. *The Beatles Are Here!* gets to the heart of why, half a century later, the Beatles still matter to us so deeply.

[All The Songs](#) - Philippe Margotin 2014-02-04

**\*\*NOTE: EBOOK DOES NOT INCLUDE ANY IMAGES\*\*** Every album and every song ever released by the Beatles?from "Please Please Me" (U.S. 1963) to "The Long and Winding Road" (U.S. 1970)?is dissected, discussed, and analyzed by two music historians in this lively and fully illustrated work. *All the Songs* delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that "Love Me Do," recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed "I Want to Hold Your Hand" on *The Ed Sullivan Show* in 1964, John's microphone wasn't turned on, so viewers heard only Paul singing. *All the Songs* is the must-have Beatles book for the any true Beatles fan.

[Beatles '66](#) - Steve Turner 2016-10-25

A riveting look at the transformative year in the lives and careers of the legendary group whose groundbreaking legacy would forever change music and popular culture. They started off as hysteria-inducing pop stars playing to audiences of screaming teenage fans and ended up as musical sages considered responsible for ushering in a new era. The year that changed everything for the Beatles was 1966—the year of their last concert and their first album, *Revolver*, that was created to be listened to rather than performed. This was the year the Beatles risked their popularity by retiring from live performances, recording songs that explored alternative states of consciousness, experimenting with avant-garde ideas, and speaking their minds on issues of politics, war, and religion. It was the year their records

were burned in America after John's explosive claim that the group was "more popular than Jesus," the year they were hounded out of the Philippines for "snubbing" its First Lady, the year John met Yoko Ono, and the year Paul conceived the idea for Sgt. Pepper's Lonely Hearts Club Band. On the fiftieth anniversary of this seminal year, music journalist and Beatles expert Steve Turner slows down the action to investigate in detail the enormous changes that took place in the Beatles' lives and work during 1966. He looks at the historical events that had an impact on the group, the music they made that in turn profoundly affected the culture around them, and the vision that allowed four young men from Liverpool to transform popular music and serve as pioneers for artists from Coldplay to David Bowie, Jay-Z to U2. By talking to those close to the group and by drawing on his past interviews with key figures such as George Martin, Timothy Leary, and Ravi Shankar—and the Beatles themselves—Turner gives us the compelling, definitive account of the twelve months that contained everything the Beatles had been and anticipated everything they would still become.

[A, B, See the Beatles](#) Jill Davis 2015-04

Arguably the most influential band in history, the Beatles shaped an era and were the soundtrack of a generation. What better way to celebrate their influence than with a book that can be shared with the youngest generation of all?

[In My Life](#) - Debbie Geller 2014-03-11

Without the determination, magnetism, vision, good manners, respectable clothes and financial security of Brian Epstein, no one would ever have heard of John, Paul, George, and Ringo. In Liverpool, in December 1961, Brian Epstein met the Beatles in his small office and signed a management deal. The rest may be history, but it's a history that Epstein created, along with a blueprint for all pop groups since. Out of the public eye, Epstein was flamboyant and charismatic. He drank, gambled compulsively and took drugs to excess. But people remember his wit, charm and capacity to inspire affection and loyalty. That's when he wasn't depressed, even suicidal. Epstein was Jewish in a society filled with anti-Semitism. He was homosexual at a time when it was a crime to be gay, and from his teenage days to the end of his life he suffered arrests, beatings and blackmail—all of which had to be kept secret. In *In My Life: The Brian Epstein Story*, Debbie Geller tells the story of Epstein's complicated life through the reminiscences of his friends and family. Based on dozens of interviews—with Paul McCartney, George Martin and Marianne Faithfull, among others—plus many of Epstein's personal diaries, this book uncovers the truth behind the enigmatic young man who unintentionally caused a cultural revolution—and in the process destroyed himself.

[Who Were the Beatles?](#) - Geoff Edgers 2006-01-05

Almost everyone can sing along with the Beatles, but how many young readers know their whole story? Geoff Edgers, a Boston Globe reporter and hard-core Beatles fan, brings the Fab Four to life in this *Who Was...?* book. Readers will learn about their childhoods in Liverpool, their first forays into rock music, what Beatlemania was like, and why they broke up. It's all here in an easy-to-read narrative with plenty of black-and-white illustrations!

[The Beatles and the Historians](#) Erin Torkelson Weber 2016-04-27

Hundreds of books have been written about The Beatles. Over the last half century, their story has been mythologized and de-mythologized and presented by biographers and journalists as history. Yet many of these works do not strictly qualify as history and the story of how the Beatles' mythology continues to be

told has been largely ignored. This book examines the band's historiography, exploring the four major narratives that have developed over time: The semi-whitewashed "Fab Four" account, the acrimonious breakup-era Lennon Remembers version, the biased "Shout!" narrative in the wake of John Lennon's murder, and the current Mark Lewisohn orthodoxy. Drawing on the most influential primary and secondary sources, Beatles history is analyzed using historical methods.

*The Beatles in Hamburg* Ian Inglis 2012-06-15

John Lennon, Paul McCartney, George Harrison, and Ringo Starr are four of the most famous names in the history of music. In the 1960s, the Beatles became the bestselling pop band in the world, inspiring legions of fans and developing into popular music icons. Fifty years later, their recordings are still in demand. But none of this happened overnight. As Ian Inglis reveals in this tale of the band's early years, before they took the world by storm, the Beatles were little more than an inexperienced, semi-professional group of talented musicians in dire need of practice. Inglis tells the story of the Beatles in Hamburg, Germany, where their agent, Allan Williams, first sent them in August of 1960. In addition to showing how Hamburg itself played a role in the Beatles' remarkable story, Inglis details the difficulties they faced— unusual performance venues, age restrictions, and deportations—and the experiences and personalities that shaped them as performers and composers. Ultimately, Inglis explains, the Beatles not only became proficient musicians in Hamburg, but while there they began to build the reputation that would eventually make them the most popular band in the world. An illuminating look at the group's formative years, *The Beatles in Hamburg* is the perfect book for any one in thrall of Beatlemania or fan of popular music history.

*What Is the Story of Doctor Who?* - Gabriel P. Cooper 2019-10-15

Who HQ brings you the stories behind the most beloved characters of our time. This *What Is the Story of?* title is out of this universe! Learn the history of the Time Lord, the TARDIS, and the epic battles they've faced across time and space. When Doctor Who began airing on the BBC in 1963, British audiences were introduced to the rogue Time Lord from the planet Gallifrey. Now, viewers from all over the world are glued to their screens for the mysterious Doctor's intergalactic adventures. But how did this time traveler become such a beloved character? Author Gabriel P. Cooper provides readers with the inside scoop on the Doctor's unique time machine, loyal companions, and diabolical foes. This book, just like the show, is sure to intrigue a new generation of fans.

**The Beatles** - Hunter Davies 1996

The only authorized biographer of the Beatles provides a behind-the-scenes look at the famous musical group from the beginning in Liverpool through the pinnacle of their popularity, the breakup of the band, and the subsequent solo careers

**Once There Was a Way** - Bryce Zabel 2017-12-05

From the award-winning author of *Surrounded by Enemies*, an alternative history novel that asks, What if the Beatles stayed together? We all know the tragic story by now. After seven years as the most popular rock-and-roll group the world has ever seen, the Beatles—torn apart by personal and creative differences—called it quits in 1970, never to play together again. The fact that their contemporaries like the Rolling Stones are still playing today makes their ending even more painful. *Once There Was a Way: What if The Beatles Stayed Together?* is a story of another reality, the one we wished had happened, where the Fab Four chose to work it out rather than let it be. This book is no mere fairy tale, but a chronicle crafted from the people and events of our own history, shaped to create a brand new narrative in which John, Paul, George, and Ringo find a way to stay friends and keep the band together. Imagine there were more. Lots more. It's easy if you try. "We know the Beatles let it be, but what if they worked it out instead? This book gives life to every fan's fantasy. It's a great new adventure full of twists and turns that never were, but might have been."—Chris Carter, host, *Breakfast with the Beatles & Chris Carter's British Invasion* (Sirius/XM Radio) "Hold on to your hats, folks. You're in for quite a ride."—Harry Turtledove, alternative history author, *How Few Remain*, on *Surrounded by Enemies*

**The Beatles Solo** - Mat Snow 2013-10-13

Examines the lives of the individual members of the Beatles after the breakup of the band, delving into their personal lives and further careers since the group's 1970 dissolution.

**How the Beatles Changed the World** - Martin W. Sandler 2014-02-04

Fifty years after the British invasion began, Martin Sandler explores The Beatles' long-lasting impact on the world

*150 Glimpses of the Beatles* - Craig Brown 2020-10-13

Winner of the 2020 Baillie Gifford Prize for Non-Fiction A distinctive portrait of the Fab Four by one of the sharpest and wittiest writers of our time "If you want to know what it was like to live those extraordinary Beatles years in real time, read this book." —Alan Johnson, *The Spectator* Though fifty years have passed since the breakup of the Beatles, the fab four continue to occupy an utterly unique place in popular culture. Their influence extends far beyond music and into realms as diverse as fashion and fine art, sexual politics and religion. When they appeared on *The Ed Sullivan Show* in 1964, fresh off the plane from England, they provoked an epidemic of hoarse-throated fandom that continues to this day. Who better, then, to capture the Beatles phenomenon than Craig Brown—the inimitable author of *Ninety-Nine Glimpses of Princess Margaret* and master chronicler of the foibles and foppishness of British high society? This wide-ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore unexamined lore. When actress Eleanor Bron touched down at Heathrow with the Beatles, she thought that a flock of starlings had alighted on the roof of the terminal—only to discover that the birds were in fact young women screaming at the top of their lungs. One journalist, mistaken for Paul McCartney as he trailed the band in his car, found himself nearly crushed to death as fans climbed atop the vehicle and pressed their bodies against the windshield. Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant's heartbeat so as to induce a hypnotic state in listeners? And just how many people have employed the services of a Canadian dentist who bought John Lennon's tooth at auction, extracted its DNA, and now offers paternity tests to those hoping to sue his estate? *150 Glimpses of the Beatles* is, above all, a distinctively kaleidoscopic examination of the Beatles' effect on the world around them and the world they helped bring into being. Part anthropology and part memoir, and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen, this book is a humorous, elegiac, and at times madcap take on the Beatles' role in the making of the sixties and of music as we know it.

*The Beatles Were Fab (and They Were Funny)* Kathleen Krull 2013

Chronicles the legendary band's rise to prominence and highlights the humor of each member.

**The Beatles are Coming!** - Bruce Spizer 2003

An account of the explosion of the Beatles' popularity in the U.S. includes 450 photos and images from period publications, album art work, merchandising and publicity materials, and documents from various legal tussles between record labels after the Beatles' worth became evident.

*Maharishi & Me* - Susan Shumsky 2018-02-13

An author recounts her two decades working for and living with the twentieth century's most famous and influential guru in this memoir. Susan Shumsky is a successful author in the human potential field. But in the 1970s, in India, the Swiss Alps, and elsewhere, she served on the personal staff of the most famous guru of the twentieth century—Maharishi Mahesh Yogi. Maharishi died in 2008 at age ninety, but his influence endures through the spiritual movement he founded: TM (Transcendental Meditation). Other books have been written about him, but this spellbinding page-turner offers a rare insider's view of life with the guru, including the time the Beatles studied at his feet in Rishikesh, India, and wrote dozens of songs under his influence. Both inspirational and disturbing, *Maharishi and Me* illuminates Susan's two decades living in Maharishi's ashrams, where she grew from a painfully shy teenage seeker into a spiritually aware teacher and author. It features behind-the-scenes, myth-busting stories, and over 100 photos of Maharishi and his celebrity disciples (the Beatles, Deepak Chopra, Mia Farrow, Beach Boys, and many more). Susan's candid, honest portrayal draws back the curtain on her shattering, extreme emotional seesaws of heaven and hell at her guru's hands. This compelling, haunting memoir will continue to challenge readers long after they turn its last page. It dismantles all previous beliefs about the spiritual path and how spiritual masters are supposed to behave. Susan shares: "Merely by being in his presence, we disciples entered an utterly timeless place and rapturous feeling, and, at the same time, realized the utter futility and insanity of the mundane world." Susan's heartfelt masterwork blends her experiences, exacting research, artistically descriptive and humorous writing, emotional intelligence, and intensely personal inner exploration into a

feast for thought and contemplation. Neither starry-eyed nor antagonistic, it captures, from a balanced viewpoint, the essence of life in an ashram. Winner of the Ben Franklin Book Award for Autobiography & Memoir and the National Indie Excellence Sponsorship Prize from News & Experts. "A powerful exploration of guru and discipleship. Her humor, insight and the intimate feeling you receive about their relationship is extraordinary. A great read for anyone interested in learning." —Lynn V. Andrews, bestselling author, *Medicine Woman and Jaguar Woman*

*Fandom and the Beatles* Kenneth Womack 2021-03-12

More than 50 years after their breakup, the Beatles are still attracting fans from various generations, all while retaining their original fan base from the 1960s. Why have those first-generation fans continued following the Beatles and are now introducing their grandchildren to the group? Why are current teens affected by the band's music? And perhaps most importantly, how and why do the Beatles continue to resonate with successive generations? Unlike other bands of their era, the Beatles seem permanently frozen in time, having never descended into "nostalgia act" territory. Instead, even after the announcement of the band's breakup in 1970, the group has maintained its cultural and musical relevance. Their timeless quality appeals to younger generations while maintaining the loyalty of older fans. While the Beatles indeed represent a specific time period, their music and words address issues as meaningful today as they were during the Summer of Love: politics, war, sex, drugs, art, and creative liberation. As the first anthology to assess the nature of fan response and the band's enduring appeal, *Fandom and the Beatles: The Act You've Known for All These Years* defines and explores these unique qualities and the key ways in which this particular pop fusion has inspired such loyalty and multigenerational popularity.

*The Beatles: Get Back* - The Beatles 2021-08-31

The most anticipated book in more than a decade by the legendary band, *The Beatles: Get Back* is the official account of the creation of their final album, *Let It Be*, told in The Beatles' own words, illustrated with hundreds of previously unpublished images, including photos by Ethan A. Russell and Linda McCartney. Half a century after the 1970 *Let It Be* album and film, this milestone book coincides with the global release of Peter Jackson's documentary feature film, *The Beatles: Get Back*. The book opens in January 1969, the beginning of The Beatles' last year as a band. The BEATLES (The White Album) is at number one in the charts and the foursome gather in London for a new project. Over 21 days, first at Twickenham Film Studios and then at their own brand-new Apple Studios, with cameras and tape recorders documenting every day's work and conversations, the band rehearse a huge number of songs, culminating in their final concert, which famously takes place on the rooftop of their own office building, bringing central London to a halt. *The Beatles: Get Back* tells the story of those sessions through transcripts of the band's candid conversations. Drawing on over 120 hours of sound recordings, leading music writer John Harris edits the richly captivating text to give us a fly-on-the-wall experience of being there in the studios. These sessions come vividly to life through hundreds of unpublished, extraordinary images by two photographers who had special access to their sessions—Ethan A. Russell and Linda Eastman (who married Paul McCartney two months later). Also included are many unseen high-resolution film-frames, selected from the 55 hours of restored footage from which Peter Jackson's documentary is also drawn. Legend has it that these sessions were a grim time for a band falling apart. However, as acclaimed novelist Hanif Kureishi writes in his introduction, "In fact this was a productive time for them, when they created some of their best work. And it is here that we have the privilege of witnessing their early drafts, the mistakes, the drift and digressions, the boredom, the excitement, joyous jamming and sudden breakthroughs that led to the work we now know and admire." Half a century after their final performance, this book completes the story of the creative genius, timeless music, and inspiring legacy of The Beatles.

*We're Going to See the Beatles!* Garry Berman 2008-04-01

"We're Going to See the Beatles!" presents the story of Beatlemania in America as experienced by their most devoted fans. "We're Going to See the Beatles!" includes anecdotes from those who cheered the group as they arrived at Kennedy Airport in 1964, who kept vigil for them outside the Plaza Hotel, and who sat in the studio audience of The Ed Sullivan Show for the band's landmark first live TV broadcast. Other fans detail what it was like to see the Beatles in one of their rare concerts at such famous venues as Shea Stadium and Candlestick Park. From the earliest whispers about the band to the Beatles' appearance on

The Ed Sullivan Show, and from their subsequent tours and albums to their breakup, author Garry Berman has collected stories from the fans who witnessed the hysteria firsthand. Contributors from around the United States also share photographs and mementos to help create a richly detailed and entertaining oral history. What emerges is a highly personal account of the Beatles and their incredible impact on music and popular culture.

*The Lyrics: 1956 to the Present (Vol. Two- Volume Set)* McCartney 2021-11-02

A work of unparalleled candor and splendorous beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

*There Will Be No Miracles Here* Casey Gerald 2019-10-01

NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB PICK "Somehow Casey Gerald has pulled off the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary." —Marlon James "Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir."

—BookPage The testament of a boy and a generation who came of age as the world came apart—a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like *Boxcar Children* on her disability checks. When Casey—following in the footsteps of his father, a gridiron legend who literally broke his back for the team—is recruited to play football at Yale, he enters a world he's never dreamed of, the anteroom to secret societies and success on Wall Street, in Washington, and beyond. But even as he attains the inner sanctums of power, Casey sees how the world crushes those who live at its margins. He sees how the elite perpetuate the salvation stories that keep others from rising. And he sees, most painfully, how his own ascension is part of the scheme. *There Will Be No Miracles Here* has the arc of a classic rags-to-riches tale, but it stands the American Dream narrative on its head. If to live as we are is destroying us, it asks, what would it mean to truly live? Intense, incantatory, shot through with sly humor and quiet fury, *There Will Be No Miracles Here* inspires us to question—even shatter—and reimagine our most cherished myths.

*Here, There and Everywhere* - Geoff Emerick 2006-03-16

An all-access, firsthand account of the life and music of one of history's most beloved bands—from an original mastering engineer at Abbey Road Geoff Emerick became an assistant engineer at the legendary Abbey Road Studios in 1962 at age fifteen, and was present as a new band called the Beatles recorded their first songs. He later worked with the Beatles as they recorded their singles "She Loves You" and "I Want to Hold Your Hand," the songs that would propel them to international superstardom. In 1964 he would witness the transformation of this young and playful group from Liverpool into professional, polished musicians as they put to tape classic songs such as "Eight Days A Week" and "I Feel Fine." Then, in 1966, at age nineteen, Geoff Emerick became the Beatles' chief engineer, the man responsible for their distinctive sound as they recorded the classic album *Revolver*, in which they pioneered innovative recording techniques that changed the course of rock history. Emerick would also engineer the monumental Sgt. Pepper and Abbey Road albums, considered by many the greatest rock recordings of all time. In *Here*,

There and Everywhere he reveals the creative process of the band in the studio, and describes how he achieved the sounds on their most famous songs. Emerick also brings to light the personal dynamics of the band, from the relentless (and increasingly mean-spirited) competition between Lennon and McCartney to the infighting and frustration that eventually brought a bitter end to the greatest rock band the world has ever known.

And in the End - Ken McNab 2022-02-22

"Ken McNab's in-depth look at The Beatles' acrimonious final year is a detailed account of the breakup featuring the perspectives of all four band members and their roles. A must to add to the collection of Beatles fans, *And In the End* is full of fascinating information available for the first time. McNab reconstructs for the first time the seismic events of 1969, when The Beatles reached new highs of creativity and new lows of the internal strife that would destroy them. Between the pressure of being filmed during rehearsals and writing sessions for the documentary *Get Back*, their company Apple Corps facing bankruptcy, Lennon's heroin use, and musical disagreements, the group was arguing more than ever before and their formerly close friendship began to disintegrate. In the midst of this rancour, however, emerged the disharmony of *Let It Be* and the ragged genius of *Abbey Road*, their incredible farewell love letter to the world"--

**The Beatles are Here!** - Penelope Rowlands 2014-01-01

Presents an exploration of the Fab Four's arrival in the U.S. featuring essays and interviews from writers, musicians, and fans on how they were inspired and changed by the Beatles.

Dreaming the Beatles - Rob Sheffield 2017-04-25

An NPR Best Book of the Year • Winner of the Virgil Thomson Award for Outstanding Music Criticism "This is the best book about the Beatles ever written" —Mashable Rob Sheffield, the Rolling Stone columnist and bestselling author of *Love Is a Mix Tape* offers an entertaining, unconventional look at the most popular band in history, the Beatles, exploring what they mean today and why they still matter so intensely to a generation that has never known a world without them. *Dreaming the Beatles* is not another biography of the Beatles, or a song-by-song analysis of the best of John and Paul. It isn't another exposé about how they broke up. It isn't a history of their gigs or their gear. It is a collection of essays telling the story of what this ubiquitous band means to a generation who grew up with the Beatles music on their parents' stereos and their faces on T-shirts. What do the Beatles mean today? Why are they more famous and beloved now than ever? And why do they still matter so much to us, nearly fifty years after they broke up? As he did in his previous books, *Love is a Mix Tape*, *Talking to Girls About Duran Duran*, and *Turn Around Bright Eyes*, Sheffield focuses on the emotional connections we make to music. This time, he focuses on the biggest pop culture phenomenon of all time—The Beatles. In his singular voice, he explores what the Beatles mean today, to fans who have learned to love them on their own terms and not just for the sake of nostalgia. *Dreaming the Beatles* tells the story of how four lads from Liverpool became the world's biggest pop group, then broke up—but then somehow just kept getting bigger. At this point, their music doesn't belong to the past—it belongs to right now. This book is a celebration of that music, showing why the Beatles remain the world's favorite thing—and how they invented the future we're all living in today.

Paul McCartney - Barry Miles 1998-10-15

An authorized portrait of one of the world's most famous musicians draws on exclusive interviews and access to personal archives to chronicle his private life and successful career

**Visualising The Beatles** - JOHN. THOMAS PRING (ROB.) 2021-10-28

Beatles Fab Four Cities the April 2021 - R. Porter 2021-09-27

\* The first travel guide to focus on the four cities that defined The Beatles: Liverpool, Hamburg, London and New York\* Compiled by four leading Beatles authorities\* Four port cities that are different, yet so similar\* Includes a wealth of information, connections, timelines, Beatles trivia, and illuminating photographs\* The perfect gift for Beatles enthusiasts and globetrottersJohn Lennon said: "We were born in Liverpool, but we grew up in Hamburg."To paraphrase Lennon, we could say that: "The Beatles were born in Liverpool, grew up in Hamburg, reached maturity in London, and immortality in New York." Four cities. Four stars. The Fab Four - the Beatles - are revered the world over, but it is in these urban centres that their legacy shines

brightest. Liverpool: where the band graduated from church halls, leaving their initial line-up as 'The Quarrymen' far behind. Hamburg: where their raucous stage act was honed; where arrests earned them a more notorious celebrity reputation, but they became a true emblem of rock 'n' roll. London: where The Beatles produced *Sgt Pepper*, and home to the iconic album cover for *Abbey Road*. And New York: the city that became John Lennon's home, where their appearance on the *Ed Sullivan Show* announced them to 73 million Americans.*The Beatles: Fab Four Cities* invites the reader on a cosmopolitan trek across continents, tracing the Beatles' rise to fame from one metropolis to the next. Flush with timelines, stories, trivia, the numerous links and connections between the cities and both pop cultural and local history, this is a travel guide like no other.

**The Beatles** - Bob Spitz 2012-06-25

As soon as The Beatles became famous, the spin machine began to construct a myth—one that has continued to this day. But the truth is much more interesting, much more exciting, and much more moving. In this bestselling book, Bob Spitz has written the biography for which Beatles fans have long waited. 32 pages of b/w photos.

**The Beatles: Here, There and Everywhere** - Nancy J. Hajeski 2014-10-01

Travel across the universe, or at least the globe, with one of the greatest bands of all time. One of the most recognizable, enduring, and best-selling bands of all time, The Beatles' influence spans time, genre, and geography. Originally popular in Liverpool and Hamburg, their fame soon spread worldwide, and they enjoyed immense popularity in the United States. Now *The Beatles: Here, There and Everywhere* maps out the journey of this legendary rock sensation. Relive everything from the tentative debut of the Liverpool natives in Hamburg's tawdry red light district to their innovative recordings at *Abbey Road Studio*. In this unique book, you will learn about the Beatles' famous audition at Decca studios, the flat at 57 Green Street, their American debut on *The Ed Sullivan Show*, plus many other stops along their road to stardom. With full spreads devoted to each British album, additional notes on instrumentation and solo careers, plus tons of Fab Facts, this book will captivate fans of all ages. A unique way to explore the history of this legendary group, *The Beatles: Here, There and Everywhere* provides you with a ticket to ride on their journey.

**The Love You Make** - Peter Brown 2002-11-05

Here is the national bestseller that *Newsday* called "the most authoritative and candid look yet at the personal lives...of the oft-scrutinized group." In *The Love You Make*, Peter Brown, a close friend of and business manager for the band—and the best man at John and Yoko's wedding—presents a complete look at the dramatic offstage odyssey of the four lads from Liverpool who established the greatest music phenomenon of the twentieth century. Written with the full cooperation of each of the group's members and their intimates, this book tells the inside story of the music and the madness, the feuds and the drugs, the marriages and the affairs—from the greatest heights to the self-destructive depths of the Fab Four. In-depth and definitive, *The Love You Make* is an astonishing account of four men who transformed the way a whole generation of young people thought and lived. It reigns as the most comprehensive, revealing biography available of John, Paul, George, and Ringo. Includes 32 pages of rare and revealing photos A Literary Guild® Alternate Selection

The Beatles 101 - Vikki Reilly 2020-12-14

A brief history of all things Fab Four, from their songs, albums, and films to their milestones, controversies, and more. The Beatles are not only a rock 'n' roll group, but a social and cultural phenomenon that have captivated music fans for decades. For many, John Lennon, Paul McCartney, George Harrison and Ringo Starr changed everything. This guide distils their amazing story into 101 informative and entertaining chapters, taking you from their rough and ready early Liverpool days through their world-shattering success in sound, stage and screen, to an afterlife that could never have been predicted when they first started out. Here, you'll find facts and figures about their chartbusting songs, albums and films, meet the people that helped them along the way, and visit milestones and controversies such as their first appearance on the *Ed Sullivan show*, meeting Elvis Presley, John Lennon's "Bigger than Jesus" comments, experimenting with drugs and the avant-garde, and starting up Apple. *The Beatles 101* is a perfect introduction for new fans, a refresher for superfans, and ideal reading for quizmasters everywhere.

*One Two Three Four: The Beatles in Time* - Craig Brown 2020-04-02

*The Beatles in Los Angeles* - Jeremy Louwerse 2021-11-09

*The Beatles in Los Angeles* takes you past the velvet ropes and inside the mansion gates where The Beatles loved, explored, and experienced all the adventures and mystical chaos that swirls around LA like no other city. With brand new interviews from those who were there, along with recently discovered exclusive photographs, *The Beatles in Los Angeles* is a kaleidoscope of stories spanning over 50 years and covers the group's adventures in the City of Angels as both a band and solo artists, including: • New Details on how The Beatles first appearance at the Hollywood Bowl in 1964 almost didn't happen. • Exclusive pictures from the only meeting EVER between The Beatles and Elvis Presley at his Bel Air estate in 1965 and the story behind this photographic discovery. • George Harrison's and John Lennon's dangerous nights on the Sunset Strip and how they narrowly avoided the law. • Insight into Paul McCartney's lavish LA mansion parties throughout the 1970's and the Hollywood royalty that attended them all. • Unknown stories about John Lennon's Santa Monica Beach bachelor pad and his wild ride down Pacific Coast Highway. • Ringo's reckless Los Angeles talk show appearance, and why two Beatles crashed the Paramount Studios' "Happy Days" set. • The story behind Paul's 2019 concert at Dodger Stadium where he reunited with Ringo and performed an unexpected Beatles classic. *The Beatles in Los Angeles* brings you up to date and takes you behind the scenes for some of the most exciting and still unknown adventures in Beatles' history. You'll feel like you are with John, Paul, George, and Ringo every step of the way during their wild LA nights and triumphant LA days.

*The Beatles in Scotland* - Ken McNab 2012-09-28

Wonderful photographs and I-was-there accounts ... superb' - Sunday Times 'One of the most audacious additions to Fab Four literature' - The Herald This paperback edition marks the 50th anniversary of The Beatles' first Top 20 hit 'Love Me Do' in 1962. A magical history tour of eyewitness accounts, anecdotes and many never-before-seen photographs. Discover the truth about McCartney's Kintyre drug busts and Lennon's Highland car crash. *The Fab Four: George, John, Paul and Ringo*, a quartet of working-class kids whose magical songs and revolutionary influence still inspires four decades on. More has been written about The Beatles than any other rock group in history and it is difficult to imagine that there remains anything new to say, but lifelong Beatles fan Ken McNab reveals for the first time, in intimate detail, the pivotal part Scotland played in the genesis of the group and the extraordinary connections that were fostered north of the border before, during and after their meteoric rise to global fame. McNab follows The

Beatles as rough and ready unknowns on their first tour of Scotland in 1960 - when they were booed off stage in Bridge of Allan - and again, in 1964, as all-conquering heroes. He also discovers that the momentous decision to break up the band was made in Scotland and provides details of the McCartneys' lives in Mull of Kintyre and Lennon's childhood holidays in Durness.

*A Women's History of the Beatles* - Christine Feldman-Barrett 2021-01-28

*A Women's History of the Beatles* is the first book to offer a detailed presentation of the band's social and cultural impact as understood through the experiences and lives of women. Drawing on a mix of interviews, archival research, textual analysis, and autoethnography, this scholarly work depicts how the Beatles have profoundly shaped and enriched the lives of women, while also reexamining key, influential female figures within the group's history. Organized topically based on key themes important to the Beatles story, each chapter uncovers the varied and multifaceted relationships women have had with the band, whether face-to-face and intimately or parasocially through mediated, popular culture. Set within a socio-historical context that charts changing gender norms since the early 1960s, these narratives consider how the Beatles have affected women's lives across three generations. Providing a fresh perspective of a well-known tale, this is a cultural history that moves far beyond the screams of Beatlemania to offer a more comprehensive understanding of what the now iconic band has meant to women over the course of six decades.

*Help!* - Thomas Brothers 2019-10-22

The fascinating story of how creative cooperation inspired two of the world's most celebrated musical acts. The Beatles and Duke Ellington's Orchestra stand as the two greatest examples of collaboration in music history. Through his highly original examination of these two musical legends, Duke University musicologist Thomas Brothers delivers a portrait of the creative process at work, demonstrating that the cooperative method at the foundation of these two artist-groups was the primary reason for their unmatched musical success. While clarifying the historical record of who wrote what, with whom, and how, Brothers brings the past to life with a breadth of musical knowledge that reverberates through every page, and analyses of songs from Lennon and McCartney's Strawberry Fields Forever to Billy Strayhorn's Chelsea Bridge. *Help!* describes in rich detail the music and mastery of two cultural leaders whose popularity has never dimmed. "This is musicology with taste as well as ears." — Wall Street Journal "Adds significantly to our knowledge of popular music and iconic musicians of the 20th century." — Philadelphia Inquirer

*Where are The Beatles?* - IglooBooks 2017-04-07
