**PROPHETS WRITINGS AND YOU: FROM JOSHUA TO QUEEN ESTHER (By Schar -**

[This Scarlet Cord](#) - Joan Wolf  
2012-07-09

Within one of the Old Testament's most famous battles lies one of the most tender love stories. Hidden within the battle of Jericho is the story of Rahab, a beautiful and brave young Canaanite

woman who aided the Israelites by hanging a piece of scarlet cord from a window. This act of faith changed her life by placing her in the genealogy of Christ. Rahab is the youngest daughter of a Canaanite farmer, taken to Jericho for the pagan New Year so her father can find her a wealthy spouse. Sala, the Israelite boy who had once saved her from being kidnapped, is also in Jericho. When the two young people meet again they admit their love for one another, but their different religions make marriage impossible. Their love story plays out against the background of Jericho's pagan rites. It is only when the One True God of Israel comes into Rahab's life—and she realizes what He is calling her to do—that she and Sala can come together. Witness Rahab as a young woman determined to find her destiny as she follows her heart toward true love . . . and the One True God. "Wolf (A Reluctant Queen) holds our interest by skillfully conjuring up a fascinating version of Rahab's story,

successfully persuading us that the story is far more complex than merely a “scarlet cord.”

**"The Bible, in Story, From the Beginning"** - Ruth M. Fox  
2012-11-30

May all glory, honor, and praise be unto God, the Father, to Jesus, His beloved Son, and to Precious Holy Spirit A message to loving parents: Following a prayerful and deep desire to serve my Lord in any way He might lead me, “The Bible, in Story, from the Beginning” came into existence. I have no children, nor have I ever lived or worked

with them, yet our Lord chose me to write the Bible in story form for His children. I prayed for His guidance, for I had never written anything in my life. Dear Mother Teresa was quoted as saying in a documentary, “The Holy Spirit directed me all the way. I just pushed the pencil.” I can honestly say this publication was also written by the most famous author of all times, Jesus Christ, our Lord and Savior. Even the title was given to me by the Holy Spirit. With just a glance through this book, you will find the stories are written in chronological order, with a great deal of direct dialogue and biblical teachings. They are easy for children to understand and are written in a very personal way. I pray you and your loved ones will be blessed and enjoy “The Bible, in Story, from the Beginning”, which our Lord has provided for you.

**Glory Days** - Max Lucado  
2015-09-15

Keep walking. This may be the day your Jericho walls come down. We all face them. Strongholds with a strong hold on our lives. Roadblocks to our joy. Obstacles in our marriages. Fortresses of fear blocking us from peace. How can we bring down these walls that keep us from the future God promises? Remember the story of Joshua and the battle of Jericho? Those were some formidable foes and big barriers. Max Lucado says the book of Joshua is in the bible to remind us of one thing: God Fights For Us! We can overcome, because He has already overcome. We were not made to stand in the shadow of our walls and quake. We were made to stand on top of

Jericho's rubble and conquer. We win, because God's already won. Need a new battle plan for life? Keep walking, keep believing. These may be your Glory Days.

**Jimmy Dykes: The Film Doesn't Lie** - Jimmy Dykes  
2020-03-03

Elite level coaches, business owners, CEOs and difference-makers from all walks of life share a common trait: they are masters at the process of evaluating. Film sessions are the life blood of any successful sports team, whether following a soaring win or a crushing loss. Nothing goes unchecked,

and nothing gets taken for granted. They understand and respect a simple fact: the film doesn't lie. If you watched your personal "game film," would it show someone who is accountable to himself and his family, who turns belief into action? Or would you see someone complacent, out of balance or distracted from God's word? Film reveals the truth, and embracing truth is what leads to change, growth, and improvement. ESPN broadcaster and coach Jimmy Dykes guides readers through a tough but crucial evaluation process, incorporating wisdom from both sports and scripture as he demonstrates how to search your heart like a coach scrutinizes game film. Whether you're experiencing a difficult period in life or simply feel called to something greater, The Film Doesn't Lie is certain to provoke men to live with passion, conviction, and bold determination.

"If you could ask God for one thing and know that you would

get it now, what would it be?", as the minister went around the room with his microphone getting responses no one asked the question I so desirably wanted to know, "LORD, what do You want me to do and I will do it? And How do I hear You" Was I asking for too much? Or should I just do what I think and hope He would guide me from within? He did respond. This is what this book is all about -- How to Hear our Heavenly Father and Know what He has called us to do.

### **Hunger Pains in Our Heads -**

Mansel Philip McCleave  
2008-08-15  
During the 1960s Civil Rights Movement, weary Black Americans became fed up with mistreatment and sub par living standards. Demanding equal rights and justice, the student sit-in movement in

Greensboro, North Carolina, became a vital part of Blacks making strides to become equal. Hunger Pains in Our Heads will describe the pressures leading up to that fateful day, describe the people involved in the event, and the lasting impact after that day. Rev. Mansel Philip McCleave was in the midst of these events as he was a Horticulture and Agriculture instructor at North Carolina A&T College, where the students attended school. He describes in great detail the days leading up to the Woolworth Student Sit-In Movement, describing the hopes, fears, and pressures the people felt at that time. He attempts to analyze the measures that led to North Carolina, being the site of such a stand, the people who took the stand, the history behind the stand, and the results of the stand. Written with both passion and intellectual depth, Hunger Pains in Our Heads, is a book that will spark lively discussions, critical debates, and in depth analysis of those events in many classrooms,

religious institutions, and political forums.

**Archaeology in the Holy Land** - Kathleen M Kenyon 2016-09-01

This classic book, extensively revised in 1979, includes the most important archaeological discoveries of that time made regarding both the pre-biblical and biblical history of Palestine. The earliest archaeological finds in Palestine reveal man's presence as early as 9000 B.C., about 6000 years before early biblical history is established. This early phase of human activity was first defined by remarkable discoveries in the Mount Carmel caves and later elucidated by the author's own

excavations at Jericho. This book traces the development of man from hunter and food-gatherer to the earliest agricultural settlements that grew into towns and city states which were eventually incorporated into the Israelite Kingdom. It also discusses the post-Exilic period down to the early fourth century B.C. This book added considerable knowledge about early phases of Palestinian history, particularly due to the inclusion of Carbon-14 determinations and special study of animal and plant remains from Jericho. This is a detailed guide to twentieth-century archaeology in the Holy Land that remains fascinating, wonderfully illustrated, and a great aid in understanding life in Palestine as revealed by archaeological evidence."

*The Genesis 6 Conspiracy*  
Gary Wayne 2020-08-08

There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land.

Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society

insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises.
