**Art Deco Wood Designs CD-ROM and Book** -

Laurent Malclès 2006-01-01

Compiled by a master craftsman and teacher at the world-famous École Boulle in Paris, this first-rate, all-encompassing collection of decorative Art Deco wood designs includes an array of motifs — trim and elegant in their simplicity. Included are boldly styled geometrics within frames and borders, dynamic designs combining circles, squares, and abstract figures, as well as starkly elemental versions of blossoms, masks, creatures of the animal kingdom, and other wood carvings. Open spaces within some of the patterns allow the incorporation of ad copy or other messages, while the varied textures and superb finish of the plates will add graphic excitement and period flavor to fabric design, stationery, and other art and craft projects.

**North American Wildlife Patterns for the Scroll Saw** - Lora S. Irish 2002-04-15

Scroll saw artists never seem to have enough patterns - especially wildlife patterns. Here, artist Lora S. Irish presents 61 precisely drawn outline patterns for scrollers. Carefully inked lines make each pattern easy to follow. Scrollers may choose to photocopy or scan copies of the patterns to keep their book intact or use the patterns directly from the book. Ms. Irish includes patterns for each commonly known species of North American wildlife. Bears, wolves, deer, eagles and ducks all come to life under the scroller's blade. Ms. Irish also includes brief cutting instructions to aid beginning scrollers. The instructions include information on what blades to choose, what wood to use and how to make inside and outside cuts. Safety precautions are also outlined. Scroll

saw patterns can be cut as is to make scroll saw fretwork plaques. Turning the table left or right will allow the pattern to be cut in relief, giving the final work a compressed, three-dimensional look. Intermediate level scrollers may choose to incorporate the patterns in jewelry boxes, cabinet doors and more.
