The Penguin Book of English Verse - P J Keegan 2004-09-30

This ambitious and revelatory collection turns the traditional chronology of anthologies on its head, listing poems according to their first individual appearance in the language rather than by poet.

Hausa Performing Arts and Music - Ziky Kofoworola 1987

A New Geography of Nigeria - Nwadi libe P. Iloje 1981

The Collector of Treasures and Other Botswana Village Tales - Bessie Head 2013-10-09

"Bessie Head's short stories have an extraordinary simplicity and breadth of vision," heralded a review in The Tribune after publication of Head's first collection of short stories, The Collector of Treasures. Regarded today as one of Africa's best-known woman writers in English, Head draws on the rich oral tradition of southern Africa and masterfully applies storytelling's language and imagery. Carefully sequenced, the anthology gives special focus to village people from independence-era Botswana and the status, position, and plight of African women.

Understanding Art in General Education - I. N. Uzoagba 2000

*A Husa-Engl i sh Di cti onar*Paul Newman 2007-01-01

This up-to-date volume, the first Hausa-English dictionary published in a quarter of a century, is written with language learners and practical users in mind. With over 10,000 entries, it primarily covers Standard Nigerian Hausa but also includes numerous forms from Niger and other

dialect areas of Nigeria. The dictionary includes new Hausa terminology for products, events, and activities of the modern world. Its definitions show the use of Hausa words in context, and particular attention is paid to idioms, figurative meanings, and special usages. As a guide to pronunciation, headwords and illustrative sentences are fully marked for tone and vowel length. The book adopts a unique approach to the presentation of verb forms that clarifies lexical relationships and their correct usage.

An English-Hausa Dictionary - Roxana Ma Newman 1990

"Hausa students and Hausaphiles now have an English-Hausa dictionary that is readily available, attractively produced and quite attractively priced, and more comprehensive than any English-based dictionary for an African language...A magnificent accomplishment that promises to serve a wide variety of purposes. It establishes both precedent and an excellent model that one hopes will be followed for other less commonly taught languages." -William R. Leben, *Modern Language Journal* This is a modern comprehensive dictionary designed specifically for English-speaking users who wish to acquire communicative fluency in Hausa, West Africa's most important and most widely spoken language. The dictionary contains a broad selection of words that the average person is likely to need in speaking and writing Hausa for everyday use. Included are common technical terms drawn from a range of fields, as well as generally accepted borrowings from English and French. The entries are divided into meaning groups and grammatical categories, marked clearly by semantic and usage indicators to help the user distinguish between the various meanings. Numerous phrases, sentences, and common idiomatic expressions illustrate conversational usage and provide culturally informative contexts. The easy to read typography marks lexical and grammatical distinctions of tone and vowel length for every Hausa word in the dictionary. The introduction provides concise information on various points of Hausa grammar. Useful appendixes include pronoun paradigms, pronunciation guides to Hausa place names and personal names, an index of Nigerian and international organizations, and a description of the currencies of Nigeria and Niger. An English-Hausa Dictionary will be an invaluable guide for students, research scholars, translators, and people with educational, business, or governmental ties in West Africa who are interested in learning the language and culture of one of that area's most dynamic societies. It will be equally useful to non-Hausa speaking Africans who want to learn Hausa. In general, the innovative design features of this book will set a new standard for pedagogically oriented reference works of African languages. "A valuable resource for scholars and students of linguistic and African languages and literature...It is highly recommended for use in academic and research libraries. Newman and her editorial staff deserve to be congratulated." -Felix Eme Unaeze, *American Reference*

Books Annual

West African Verse - Donatus Ibe Nwoga 1967

Common Errors in English - David Jowitt 1985

Common Errors in English is a new and up-to-date revision book for learners of English. It is designed to help learners and speakers of English in Africa to increase their command of the language, and the book pays particular attention to the special difficulties experienced by African students.

Effective Communication Skills For Scientific And Technical Professionals - Harry E. Chambers 2000-12-28

Flatter, more collaborative organizational structures, combined with the pressure to translate innovative ideas into action quickly, are increasing the need by technical professionals-such as computer programmers, design specialists, engineers, and R&D scientists-to expand their repertoire of communication and managerial skills. In this highly accessible and practical book, Harry Chambers offers a wealth of strategies and tactics for building these skills, to the benefit of individuals, teams, and companies. In his trademark shoot-from-the-hip style, Chambers identifies specific real-world challenges that technical professionals face in the workplace, and offers definitive guidelines for enhancing their communication skills-from making presentations to giving and receiving criticism to navigating office politics. Featuring interviews with people in the trenches, as well as self-assessment tools and exercises, *Effective Communication Skills* will become a valued resource for technical professionals and their colleagues, trainers, and HR departments in all industries.
