Verity Colleen Hoover 2021-10-05

#1 New York Times Bestseller USA Today Bestseller The Globe and Mail Bestseller Publishers Weekly Bestseller Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of *It Ends With Us*. Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

The Goal - Eliyahu M. Goldratt 2016-08-12

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, *The Goal* is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

A Happy Pocket Full of Money - David Cameron Gikandi 2011-10-01

A Happy Pocket Full of Money, first self-published in 2001, so impressed Rhonda Byrne, that she asked David Gikandi to become a consultant on *The Secret*. In *A Happy Pocket Full of Money*, Gikandi explains that true wealth is not about having buckets of cash, but rather understanding the value within. True wealth flows out of developing "wealth consciousness," that incorporates gratitude, a belief in abundance, and an ability to experience joy in life. He explores how recent discoveries in theoretical physics are relevant for the creation of personal wealth and shows readers how to create abundance by saving, giving, offering charity, and building happy relationships. *A Happy Pocket Full of Money* features: --How to use an internal mantra to build wealth consciousness. --How to be conscious and deliberate about your thoughts and intentions. --How to decide, define, and set goals you can believe in. --How to act on your beliefs and overcome challenges. --How to incorporate gratitude, giving, and faith to experience abundance and joy in life. This inspirational book will change how you view and create money, wealth, and happiness in your life.

The Scribe Method - Tucker Max 2021-04-15

Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, *The Scribe Method* is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

Scripting the Life You Want - Royce Christyn 2020-04-07

A step-by-step guide to the process of "scripting" your future and successfully manifesting what you want in life • Explores the science behind how the scripting method works and shares the vivid journal entries from the author's big breakthrough--when he successfully used his method to land a lead role on a TV show • Details how the understanding of incredible new (and, until now, mostly unheard of) scientific discoveries and emerging technologies is the most important key to creating and manifesting in your life • Reveals fun, easy tools for manifesting and self-help, updated for a new generation In this step-by-step guide, filled with success stories and practical exercises, Royce Christyn details a simple "scripting" process for harnessing the Law of Attraction and manifesting what you want in your life--happiness, wealth, travel, love, health, the perfect career, or simply a productive day. The process is backed by science and experience, yet it feels like magic. And all you need is a pen and paper. Inspired by New Thought and Positive Thinking classics, Christyn explains how he developed his scripting method through 4 years of trial and error, keeping what worked and dropping what didn't until he brought his success rate from 5% to nearly 100%. Sharing pages from his own journals, he outlines how to create the life you want with daily journaling exercises, beginning with a simple list-making practice to figure out your wants and intentions and then progressing to actual scripting of your future, whether the next 12 hours or the next 10 days. He shows how, over time, your scripts will increase in accuracy until they converge with reality. He shares the vivid entries from his big breakthrough--when he successfully used his method to land a lead guest-starring role on Disney Channel's *Wizards of Waverly Place* with Selena Gomez. He explores how "feeling" your future success as you write your daily scripts helps attract your desired outcomes, and he shares the key phrases to include to make your script come true. The author also explores the science behind how the scripting method works, including a down-to-earth examination of quantum mechanics. From small dreams to lifelong goals, this book gives you the tools to put your thoughts into action and finally close the gap between where you are and where you want to be in your life.

She Reads Truth Raechel Myers 2016-10-04

She wants faith, hope, and love. She wants help and healing. She wants

to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Writing on Both Sides of the Brain - Henriette A. Klauser 2020-04-14

A revolutionary approach to writing that will teach you how to express yourself fluently and with confidence for the rest of your life.

Backable - Suneel Gupta 2021-02-23

A groundbreaking book that boldly claims the key to success is not talent, connections, or ideas, but the ability to persuade people to take a chance on your potential. "The most exceptional people aren't just brilliant...they're backable." —Daniel Pink, #1 New York Times bestselling author of *When, Drive and To Sell is Human* No one makes it alone. But there's a reason some people can get investors or bosses to believe in them while others cannot. And that reason has little to do with experience, pedigree, or a polished business plan. Backable people seem to have a hidden quality that inspires others to take action. We often chalk this up to natural talent or charisma...either you have "it" or you don't. After getting rejected by every investor he pitched, Suneel Gupta had a burning question: Could "it" be learned? Drawing lessons from hundreds of the world's biggest thinkers, Gupta discovered how to pitch new ideas in a way that has raised millions of dollars, influenced large-scale change inside massive corporations, and even convinced his eight-year-old daughter to clean her room. Inside Backable are long-held secrets from producers of Oscar-winning films, members of Congress, military leaders, culinary stars, venture capitalists, founders of unicorn-status startups, and executives at iconic companies like Lego, Method, and Pixar. Backable reveals how the key to success is not charisma, connections, or even your résumé, but rather your ability to persuade others to take a chance on you. This original book will show you how. *How We Change (and 10 Reasons Why We Don't)* Dr Ross Ellenhorn 2020-05-19

A paradigm-shifting, instant classic in the making that challenges our assumptions about change by encouraging us to understand and embrace our resistance to it. We all have something we want to change about ourselves. But whether it's quitting smoking, losing weight, or breaking some common bad habit or negative behaviour pattern, we feel a sense of failure when we don't succeed. This often sets off a cascade of negative feelings and discouragement, making it even harder to change. The voice in our head tells us: Why bother? Successful change depends far more on understanding why we don't change, psychotherapist and sociologist Ross Ellenhorn insists. His decades-long career as a pioneer in helping people overcome extreme psychiatric experiences and problematic substance use issues - especially those whom the behavioural healthcare system has failed - especially those whom the mental healthcare system has failed - has led him to develop an effective, long-term method to achieve transformation, from the simplest shifts to the most profound. In *How We Change*, Ellenhorn looks to the evolutionary imperatives driving us. We are wired to double down on the familiar because of what he calls the Fear of Hope - the act of protecting ourselves from further disappointment. He identifies the '10 Reasons Not to Change' to help us see why we behave the way we do, making it clear that there is nothing broken inside us - it's how we're built. By addressing this little known reality, he gives us hope and helps us work toward the change we seek. Ellenhorn speaks to the core of our insecurities and fears about ourselves, with a humour and kindness. By turning our judgements about self-destructive behaviours into curious questions about them, he teaches us to think about our actions to discover what we truly want - even if we're going about getting it in the

wrong way. *How We Change* is a brilliant approach that will forever alter our perspective and help us achieve the transformation we truly seek.

Writing to Learn - William Zinsser 2013-04-30

This is an essential book for everyone who wants to write clearly about any subject and use writing as a means of learning.

The Power of Writing It Down - Allison Fallon 2021-01-12

Discover the power of (finally) getting unstuck, claiming your clarity, and becoming the person whose life you want to live—all through a simple self-care practice you can build into your daily routine. For anyone who's trying to make sense of their life, who wants to get unstuck from the patterns that hold them back, hear this incredible news: everything you need for the freedom you want is entirely within reach. This practice and pathway is free, it's readily available every day of your life, it takes just minutes of your time, and anyone can do it. Author, writing coach, and speaker Allison Fallon's life transformed when she discovered the power of a daily writing practice. As it turns out, using your words is one of the most powerful means you have for unlocking your life. *The Power of Writing It Down* is your guide to this transformative tool available to us all. In as little as five to twenty minutes a day, scientific research shows this daily practice can help you: Identify your ruts and create new neurological grooves toward better habits Find fresh motivation and take ownership of your life Heal from past pain and trauma Relieve anxiety and depression Contextualize life's setbacks and minor frustrations Live a more confident, balanced, and healthy life ...and so much more Drawing from years of coaching hundreds through the writing process—from first-timers to New York Times bestselling authors—Allison shares tried and tested practices for getting started, staying inspired, and using this simple habit to shift how you feel and show up to your life. Pen and paper is simply the method, but the reward is the real magic: new depths of self-discovery, creativity, and intentionality for living.

Write It Down Make It Happen - Henriette Anne Klauser 2001-08-12

A simple and effective guide to turning your dreams into reality by taking matters into your own hands, filled with down-to-earth tips and easy exercises. In *Write It Down, Make It Happen*, Henriette Anne Klauser, PhD, explains how simply writing down your goals in life is the first step toward achieving them. Writing can even help you understand what you want. In this book, you will read stories about ordinary people who witnessed miracles large and small unfold in their lives after they performed the basic act of putting their dreams on paper. Klauser's down-to-earth tips and easy exercises are sure to get your creative juices flowing. Before you know it, you'll be writing your own ticket to success. With *Write It Down, Make It Happen* you can find the perfect mate, buy your dream house, get a great new job, wake up happier, travel the world, or even have a better relationship with your teenager.

Find Your Why - Simon Sinek 2017-09-05

Start With Why has led millions of readers to rethink everything they do - in their personal lives, their careers and their organizations. Now *Find Your Why* picks up where *Start With Why* left off. It shows you how to apply Simon Sinek's powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we're there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As *Start With Why* has spread around the world, countless readers have asked me the same question: How can I apply *Start With Why* to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, *Find Your Why* can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

Why I Write - George Orwell 2021-01-01

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider

selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the *Orwell's Essays* series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' - 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' - and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can - and must - be rediscovered with every age.' — Irish Times

Find More Time - Laura Stack 2007-12-18

You have a sink full of dishes to wash, three loads of laundry to do, seventeen bills to pay, thirty-six e-mails to answer, a big stack of novels on the nightstand you'd love to read, and zero minutes of free time. You can't add more hours to the day, but Laura Stack, *The Productivity Pro*®, will help you make the most of the time you have and get things done. *The Productivity Pro*® helps you determine what you have under control and where you need to improve. Are you good at managing your bills but can't find time to exercise? Do you get your kids to all their activities but end up constantly behind on laundry? Laura Stack shows you how to improve every area of your life. Whether you need help on just a few things or feel like your life is totally out of control, *Find More Time* will help you organize your space, time, and information to reduce your stress and create and sustain a productive home environment, so you'll have more time to enjoy your life.

Fratelli Tutti - Pope Francis 2020-11-05

With Pen In Hand Henriette Anne Klauser 2003-01-07

Offers inspirational guidance on how to use therapeutic writing to overcome pain, outlining writing techniques on how to privately collect thoughts and work through challenges that fall under such headers as, "Writing a Letter of Goodbye," "Interviewing Your Body," and "Rapid-Writing." Original. 35,000 first printing.

Narrative of the Life of Frederick Douglass, an American Slave - Frederick Douglass 2019-06-12

Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. *Narrative of the Life of Frederick Douglass* encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

Sometimes I Lie Alice Feeney 2018-03-13

My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Oh Boy, You're Having a Girl - Brian A Klems 2013-03-18

Rules for Raising Little Girls "As the father of a daughter, I wish I'd read this very funny book sooner, if only to know that it's OK for a grown man to wear a tutu." - Dave Barry "Required reading for any parent who doesn't know pants from leggings." - Dan Zevin, author of *Dan Gets a Minivan: Life at the Intersection of Dude and Dad* It's easy to imagine how you'd raise a boy--all the golf outings, lawnmower lessons, and Little League championships you'd attend--but playing dad to a little princess may take some education. In *Oh Boy, You're Having a Girl*, Brian, a father of three girls, shares his tactics for surviving this new and glittery world. From baby dolls and bedtime rituals to potty training and dance recitals, he leads you through all the trials and tribulations you'll face as you're raising your daughter. He'll also show you how to navigate your way through tough situations, like making sure that she doesn't start dating until she's fifty. Complete with commandments for restroom trips and properly participating in a tea party, *Oh Boy, You're Having a Girl* will brace you for all those hours playing house--and psych you up for the awesomeness of raising a daughter who has you lovingly wrapped

around her little finger. "Somehow, Brian Klems has taken one of the most traumatic situations known to a father--having a daughter--and made it into something so completely hilarious you'll laugh until you've got oxygen deprivation!" - W. Bruce Cameron, author of *8 Simple Rules for Dating My Teenage Daughter*

It Works! The Famous Little Red Book that Makes Your Dreams Come True... - R. H. Jarret 2021

Write It Down, Make It Happen Henriette Anne Klauser 2012-12-11

Too often, people drift through life with a feeling of frustration, longing to find some adventure or purpose in life, envious of those whose lives seem exciting. In *WRITE IT DOWN, MAKE IT HAPPEN*, Henriette Anne Klauser shows you how to write your own lifescipt. Simply writing down your goals in life is the first step towards achieving them. The 'writing it down' part is not about time management; it is not a 'to-do today' list that will make you feel guilty if you don't get everything done. Rather, writing it down is about clearing your head, identifying what you want and setting your intent. You can 'make it happen' purely by believing in the possibility. In *WRITE IT DOWN, MAKE IT HAPPEN*, there are stories from ordinary people who witnessed miracles large and small unfold in their lives after they performed the basic act of putting their goals on paper.

How to Read Like a Writer - Mike Bunn

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

Make It Rain! - Areva Martin 2018-03-20

NATIONAL BESTSELLER What if you could get in front of millions of prospects with the avid endorsement of famous influencers--without spending a dime? It's happening right in front of you every day. Guest experts on TV, radio, podcasts, blogs, and live streaming are getting local and national exposure for their business and brand that they could never have afforded to reach with ads. For a decade, Areva Martin has used the media to build a huge platform that expanded the influence and power of her brand exponentially. Media appearances on Dr. Phil, Anderson Cooper 360, The Doctors, CNN, MSNBC, FOX, and more have virtually eliminated the need of a marketing budget for her thriving law firm and non-profit organization, while securing her place as one of America's most sought after thought leaders. In *Make It Rain!* Areva breaks the silence to reveal what insiders know about the power of media appearances to revolutionize a business and brand and get your core message out to the people who need it most. You'll learn how to: Match your brand to the right audience and media venues Craft pitches producers can't resist Jump on breaking news shows Pivot and speak in

soundbites like the pros Amplify every interview with social media Turn appearances into platform and become a rainmaker Never before have there been more ways to build a presence that matters. Whether you are the executive of a corporation, the author of an upcoming book, the owner of a rapidly growing small business, or the public face of a local nonprofit or association, if you have a business to build or people you want to help, nothing beats using the media to create the visibility, influence, and power you need. Are you ready to Make It Rain!?

On Writing - Stephen King 2014-12

Bird by Bird Anne Lamott 2007-12-18

From the acclaimed New York Times bestselling author: An essential volume for generations of writers young and old. The twenty-fifth anniversary edition of this modern classic will continue to spark creative minds for years to come. For a quarter century, more than a million readers—scribes and scribblers of all ages and abilities—have been inspired by Anne Lamott’s hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne’s father—also a writer—in the iconic passage that gives the book its title: “Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he’d had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother’s shoulder, and said, ‘Bird by bird, buddy. Just take it bird by bird.’”

The Plot Jean Hanff Korelitz 2021-05-11

**** NEW YORK TIMES BESTSELLER! **** The Tonight Show Summer Reads Winner **** A New York Times Notable Book of 2021 **** "Insanely readable." —Stephen King Hailed as "breathtakingly suspenseful," Jean Hanff Korelitz’s *The Plot* is a propulsive read about a story too good not to steal, and the writer who steals it. Jacob Finch Bonner was once a promising young novelist with a respectably published first book. Today, he’s teaching in a third-rate MFA program and struggling to maintain what’s left of his self-respect; he hasn’t written—let alone published—anything decent in years. When Evan Parker, his most arrogant student, announces he doesn’t need Jake’s help because the plot of his book in progress is a sure thing, Jake is prepared to dismiss the boast as typical amateur narcissism. But then . . . he hears the plot. Jake returns to the downward trajectory of his own career and braces himself for the supernova publication of Evan Parker’s first novel: but it never comes. When he discovers that his former student has died, presumably without ever completing his book, Jake does what any self-respecting writer would do with a story like that—a story that absolutely needs to be told. In a few short years, all of Evan Parker’s predictions have come true, but Jake is the author enjoying the wave. He is wealthy, famous, praised and read all over the world. But at the height of his glorious new life, an e-mail arrives, the first salvo in a terrifying, anonymous campaign: You are a thief, it says. As Jake struggles to understand his antagonist and hide the truth from his readers and his publishers, he begins to learn more about his late student, and what he discovers both amazes and terrifies him. Who was Evan Parker, and how did he get the idea for his “sure thing” of a novel? What is the real story behind the plot, and who stole it from whom?

College Success - Amy Baldwin 2020-03

Writing Down the Bones - Natalie Goldberg 2016-02-02

For more than thirty years Natalie Goldberg has been challenging and cheering on writers with her books and workshops. In her groundbreaking first book, she brings together Zen meditation and writing in a new way. Writing practice, as she calls it, is no different from other forms of Zen practice—“it is backed by two thousand years of studying the mind.” This thirtieth-anniversary edition includes new forewords by Julia Cameron and Bill Addison. It also includes a new preface in which Goldberg reflects on the enduring quality of the teachings here. She writes, “What have I learned about writing over these thirty years? I’ve written fourteen books, and it’s the practice here in *Bones* that is the foundation, sustaining and building my writing voice, that keeps me honest, teaches me how to endure the hard times and how to drop below discursive thinking, to taste the real meat of our minds and the life around us.”

Think Again Adam Grant 2021-02-02

#1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning

requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I’ve never felt so hopeful about what I don’t know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people’s minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there’s another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval—and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people’s minds—and our own. As Wharton’s top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he’s right but listen like he’s wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You’ll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don’t have to believe everything we think or internalize everything we feel. It’s an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don’t know is wisdom.

The Help - Kathryn Stockett 2011

Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

Feeling & Knowing - Antonio Damasio 2021-10-26

From one of the world’s leading neuroscientists: a succinct, illuminating, wholly engaging investigation of how biology, neuroscience, psychology, and artificial intelligence have given us the tools to unlock the mysteries of human consciousness “One thrilling insight after another ... Damasio has succeeded brilliantly in narrowing the gap between body and mind.” —The New York Times Book Review In recent decades, many philosophers and cognitive scientists have declared the problem of consciousness unsolvable, but Antonio Damasio is convinced that recent findings across multiple scientific disciplines have given us a way to understand consciousness and its significance for human life. In the forty-eight brief chapters of *Feeling & Knowing*, and in writing that remains faithful to our intuitive sense of what feeling and experiencing are about, Damasio helps us understand why being conscious is not the same as sensing, why nervous systems are essential for the development of feelings, and why feeling opens the way to consciousness writ large. He combines the latest discoveries in various sciences with philosophy and discusses his original research, which has transformed our understanding of the brain and human behavior. Here is an indispensable guide to understanding how we experience the world within and around us and find our place in the universe.

Learn Like a Pro - Barbara Oakley PhD 2021-06-01

A book for learners of all ages containing the best and most updated advice on learning from neuroscience and cognitive psychology. Do you spend too much time learning with disappointing results? Do you find it difficult to remember what you read? Do you put off studying because it’s boring and you’re easily distracted? This book is for you. Dr. Barbara Oakley and Olav Schewe have both struggled in the past with their learning. But they have found techniques to help them master any

material. Building on insights from neuroscience and cognitive psychology, they give you a crash course to improve your ability to learn, no matter what the subject is. Through their decades of writing, teaching, and research on learning, the authors have developed deep connections with experts from a vast array of disciplines. And it's all honed with feedback from thousands of students who have themselves gone through the trenches of learning. Successful learners gradually add tools and techniques to their mental toolbox, and they think critically about their learning to determine when and how to best use their mental tools. That allows these learners to make the best use of their brains, whether those brains seem "naturally" geared toward learning or not. This book will teach you how you can do the same.

The Cost of Knowing Brittney Morris 2021-04-06

Four starred reviews! Dear Martin meets *They Both Die at the End* in this gripping, evocative novel about a Black teen who has the power to see into the future, whose life turns upside down when he foresees his younger brother's imminent death, from the acclaimed author of *SLAY*. Sixteen-year-old Alex Rufus is trying his best. He tries to be the best employee he can be at the local ice cream shop; the best boyfriend he can be to his amazing girlfriend, Talia; the best protector he can be over his little brother, Isaiah. But as much as Alex tries, he often comes up short. It's hard for him to be present when every time he touches an object or person, Alex sees into its future. When he touches a scoop, he has a vision of him using it to scoop ice cream. When he touches his car, he sees it years from now, totaled and underwater. When he touches Talia, he sees them at the precipice of breaking up, and that terrifies him. Alex feels these visions are a curse, distracting him, making him anxious and unable to live an ordinary life. And when Alex touches a photo that gives him a vision of his brother's imminent death, everything changes. With Alex now in a race against time, death, and circumstances, he and Isaiah must grapple with their past, their future, and what it means to be a young Black man in America in the present.

Iron Annie - Luke Cassidy 2022-01-11

****LONGLISTED FOR THE DESMOND ELLIOTT PRIZE**** An uncompromising, darkly humorous look at life in the criminal underworld of the Irish border from a major new Irish literary voice. Dundalk—The Town, to locals—took Aoife in when she left home at eighteen. Now she's gone from a small-time slinger of hash to a bona fide player in Dundalk's criminal underworld. Aoife's smart, savvy, and cool under pressure. Except, that is, when it comes to Annie. Annie is mysterious and compelling, and Aoife is desperate to impress her and keep her close. Unfortunately, not everyone in The Town shares Aoife's opinion of Annie. So much so that when Aoife's friend and associate, the Rat King, approaches her about off-loading ten kilos of stolen coke, he specifically tells her to keep Annie out of it. Aoife doesn't want to do the job without Annie, though, so she lands on an idea. Annie has contacts in the UK, and sure it'd be better to get the coke as far away from Dundalk as possible. At first, everything goes to plan. But when Annie decides she'd like to stay in the UK, Aoife makes a decision that changes everything, and finds her whole world turned upside down. Gritty yet tender, tragic yet hopeful, *Iron Annie* crackles with energy, warmth, and heart. A VINTAGE CRIME/BLACK LIZARD ORIGINAL.

Click! - Annabel Monaghan 2007-11-27

Inspired by "The Secret, Click!" is designed to teach teens that they have the power to change their lives and manifest what they want, whether its an A in chemistry or a date to the prom.

Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to

the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Worthy - Nancy Levin 2016-08-02

When we feel that we aren't enough, or that we aren't good enough, we also fear that we'll never have enough. Money. We love it. We hate it. If we don't have enough, we're struggling to get more. If we do have it, we're fighting to hold on to it. Why does money have to be such a source of anxiety? Is it possible to find peace? Yes! According to master integrative coach Nancy Levin, the real key to creating financial freedom isn't changing what we do, it's changing our limiting beliefs about how we feel—and that requires more than just learning how to invest. In *Worthy*, Nancy makes an essential, eye-opening connection: the state of our net worth is a direct reflection of our self-worth. Then she shows us how to get to the root of the problem and do the internal work that's needed to replace feelings of unworthiness with a solid sense of our own value. Filled with inspiring real-life stories and thought-provoking questions and answers, her 10-step plan helps us to: • Get real about the money issues we face every day • Examine the excuses we use to avoid creating the life we really want • Be willing to see ourselves as worthy of abundance in all its forms • Take back our financial power—and watch amazing things start to happen Whether we're looking for financial ease or a new relationship with money and ourselves, *Worthy* will give us the tools to clear the path for wholeness, fulfillment, and richness in all areas of our lives, not just in our bank accounts.

The Great Mental Models: General Thinking Concepts - Farnam Street 2019-12-16

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in *The Great Mental Models* series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada
