emperors managed to create one of the largest empires ever to exist in the territories of Asia and the fifth largest empire in the world.

Theories of Emotion - Robert Plutchik
2013-10-22

Emotion: Theory, Research, and Experience, Volume 1: Theories of Emotion, presents broad theoretical perspectives representing all major schools of thought in the study of the nature of emotion. The contributions contained in the book are characterized under three major headings - evolutionary context, psychophysiological context, and dynamic context. Subjects that are discussed include general psycho-evolutionary theory of emotion; the affect system; the biology of emotions and other feelings; and emotions as transitory social roles. Psychologists, sociobiologists, sociologists, psychiatrists, ethologists, and students the allied fields will find the text a good reference material.

The Cop and the Anthem - O. Henry
2020-08-26

While some try to get out of prison, Soapy, the only character in O. Henry's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically

presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

The Martyrdom of Min - William Winwood READE 1872

Kautilya's Arthashastra Kautilya 2009-01-01
Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in

systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

The Indian Struggle, 1920-1948 Subhas

Chandra Bose 1997-10-09

This volume narrates the political upheavals of the inter-war period, further enriched by Netaji's reflections on the key themes Indian history and a finely etched assessment of Mahatma Gandhi's role in it.

Little Women - Louisa May Alcott 1926

Around the World in 80 days Jules Verne 1881

Around the World in Eighty Days, an adventure novel first published in 1873, was written by the French writer Jules Verne. Phileas Fogg is a rich Englishman living in London, whose life moves strictly by the clock. He employs a new servant, Passepartout, after his previous servant makes the silly mistake of serving shaving water two degrees cold. Later that day, Phileas goes to the

Reform Club as usual, where he gets into an argument with his whist partners who debate whether one can travel all around the world in eighty days. He bets a fortune to prove that he can accomplish the feat, being unaware that a look-alike has recently robbed a bank.

Hope Is the Thing with Feathers Emily

Dickinson 2019-02-12

Part of a new collection of literary voices from Gibbs Smith, written by, and for, extraordinary women—to encourage, challenge, and inspire. One of America's most distinctive poets, Emily Dickinson scorned the conventions of her day in her approach to writing, religion, and society. Hope Is the Thing with Feathers is a collection from her vast archive of poetry to inspire the writers, creatives, and leaders of today.

Mission India - A P J Abdul Kalam 2015-11-10
Mission India: A Vision For Indian Youth has been written with the intention of challenging the Indian youth to bring about a positive change in the country by 2020. Kalam starts off by telling the readers that there has never been a time in Indian history such as this, where the nation has 540 million youth and 20 million Indians across the globe. He also states that several developed countries have directed their efforts towards setting up research centers across the country, which has benefited

scientists, engineers, and professionals from various spheres. Kalam and Rajan tell the readers about their goal to make India one among the five top economic powers in the world by 2020. In the beginning of this book, Kalam presents the readers with a question as to whether India can become a developed country. He then provides insights into the current situation in the country, and explains that this goal is a realistic one. In the subsequent chapters, Kalam and Rajan begin to examine the five industries that need to become reasonably self-sufficient in the coming years, and each chapter tells the readers what can be done to bring a positive change in each industry. They also tell the readers about the current education system in the country, and the latest technology that can be used to improve the quality of education. The readers are also given insights into the present healthcare industry and infrastructural system, which are trademarks of a developed nation. Kalam and Rajan conclude

by telling every individual and organization about the role they can play in transforming the nation by 2020

The Ickabog - 2020-11-10

From J.K. Rowling, a warm, fast-paced, funny fairy tale of a fearsome monster, thrilling adventure, and hope against all odds. Once upon a time there was a tiny kingdom called Cornucopia, as rich in happiness as it was in gold, and famous for its food. From the delicate cream cheeses of Kurdsburg to the Hopes-of-Heaven pastries of Chouxville, each was so delicious that people wept with joy as they ate

them. But even in this happy kingdom, a monster lurks. Legend tells of a fearsome creature living far to the north in the Marshlands... the Ickabog. Some say it breathes fire, spits poison, and roars through the mist as it carries off wayward sheep and children alike. Some say it's just a myth... And when that myth takes on a life of its own, casting a shadow over the kingdom, two children - best friends Bert and Daisy - embark on a great adventure to untangle the truth and find out where the real monster lies, bringing hope and happiness to Cornucopia once more. Featuring full color illustrations by children from across the United States and Canada, this original fairy tale from one of the world's most celebrated storytellers will captivate readers of all ages.

Song of the Brook - Alfred Tennyson Baron Tennyson 1881

The Sign of the Four Sir Arthur Conan Doyle
1891

To Sir, With Love E. R. Braithwaite 2014-01-14
This schoolroom drama that inspired the classic Sidney Poitier film is "a microcosm of the racial issues . . . A dramatic picture of discrimination" (Kirkus Reviews). With opportunities for black men limited in post-World War II London, Rick Braithwaite, a former Royal Air Force pilot and Cambridge-educated engineer, accepts a teaching position that puts him in charge of a class of angry, unmotivated, bigoted white teenagers whom the system has mostly abandoned. When his efforts to reach these troubled students are met with threats, suspicion, and derision, Braithwaite takes a radical new approach. He will treat his students as people poised to enter the adult world. He will teach them to respect themselves and to call him "Sir." He will open up vistas before them that they never knew existed. And over the course of a remarkable year, he will touch the lives of his students in extraordinary ways, even as they in turn, unexpectedly and profoundly,

Downloaded from forgeworks.ca on by guest

touch his. Based on actual events in the author's life, *To Sir, With Love* is a powerfully moving story that celebrates courage, commitment, and vision, and is the inspiration for the classic film starring Sidney Poitier.

History for Kids - Dinobibi Publishing
2019-07-11

If you want to discover the captivating history of ancient Ming Dynasty, China, then keep reading.. China is one of the longest settled

areas of the world; therefore, inventions, art, culture, and society have changed multiple times and in many ways from the beginning of Ancient China to now. The Ming Dynasty, only one dynasty of twelve dynasties in China, advanced trade expansion, inventions, art, and culture. The Ming Dynasty lasted for 276 years, with more than ten Emperors influencing the government and social structure to help formulate the Chinese culture and economic power we see today. The Ming Dynasty shows periods of extreme growth, wealth, and poverty due to wars, natural disasters, and greed. The dynasty was fraught with power struggles from by and from emperors, whether by force or pure ignorance. Eventually, the Ming Dynasty came to a halt due to spying, power grabs, and disinterest in the throne, allowing a new era to enter and gain more domination of surrounding countries and trade. Let Dinobibi guide you through a discovery of this amazing dynasty, its ups and downs, successes and turmoil, through

dozens of emperors, battles, and the construction of one of the most important structures of the known world- The Great Wall of China. Let get the book now to learn more about Ming Dynasty

Mongolian Empire - Dinobibi Publishing 2019-08-10

Most people believe the Mongolian Empire was a small tribe known for looting, robbing, and

pillaging. The Mongols used to be little more than nomads prowling the harsh and often barren steppes of Mongolia, but this all changed when a great leader, Genghis Khan, took control. The Mongols were innovative and creative in everything they did beyond just warfare. They owed their successes to their military tactics and impressive art of war, which relied heavily on incredible horsemanship, archery, and other fighting skills. But they also created an immersive world full of ideas, inventions, and art. The Mongolian Empire was a state built by folks who knew how to keep up with the times. The Mongols put to use many ideas and technologies of the day and were very much capable of making these things work for them. Adversity usually gives birth to strength, and the Mongols are a fine example of this principle in practice. Let Dinobibi guide you through a discover of the story of the Mongol Empire, a great testament to how empires rise and fall, exemplifying a process that has been part of the

human experience for millennia.

Rajmohan's Wife and Sultana's Dream -

Bankim Chandra Chatterjee 2021-04-21

Rajmohan's Wife and Sultana's Dream

(1864/1908) features the debut novel of Indian writer Bankim Chandra Chatterjee and a story by Bengali writer, feminist, and educator Rokeya Sakhawat Hossain. Rajmohan's Wife, Chattopadhyay's only work in English, launched his career as a leading Bengali intellectual and political figure. Written in English, Sultana's Dream originated as a way of passing time for its young author while her husband was away on work. Initially published in The Indian Ladies Magazine, Sultana's Dream helped establish Rokeya's reputation as a leading figure in Bengali arts and culture. Rajmohan's Wife is the story of Matangini, a beautiful woman married to a violent, jealous man. Unable to marry the man she loves—who happens to be her own sister's husband—she settles for the villainous Rajmohan, an abusive man who rules his middle-

class Bengali household with an iron fist. With the help of her friend Kanak, Matangini does her best to avoid her husband's wrath, illuminating the importance of solidarity among women faced with oppression. Vindictive and cruel, Rajmohan secretly enacts a plan to rob Madhav, his brother-in-law, in order to obtain and invalidate a will. Sultana's Dream is set in Ladyland is a feminist utopia ruled by women, a perfect civilization with no need for men, who remain secluded and without power. Free to develop their own society, women have invented flying cars, perfected farming to the point where no one must work, and harnessed the energy of the sun. With men under control, there is no longer fear, crime, or violence. Ultimately, Ladyland is a world made to mirror our own, a satirical exploration of the absolute power wielded by men over women, and a political critique of Bengali society at large. Sultana's Dream is more than a science fiction story; it is an act of resistance made by a woman who would shape

the lives of her people through advocacy, education, and activism for generations to come. With a beautifully designed cover and professionally typeset manuscript, this edition of Bankim Chandra Chatterjee and Rokeya Sakhawat Hossain's Rajmohan's Wife and Sultana's Dream is a classic of Bengali literature and utopian science fiction reimagined for modern readers.

How the First Letter Was Written - Rudyard Kipling 2015-05-01

Original and unabridged text of Rudyard Kipling's timeless classic. With refreshingly new illustrations. If you have ever asked, "how did the camel get his hump?" If you have ever wondered, "how did the leopard get his spots?" Then you are a very special kind of curious

person who will love the answers in these books.

Free Culture - Lawrence Lessig 2016-07-30
Lawrence Lessig, "the most important thinker on intellectual property in the Internet era", masterfully argues that never before in human history has the power to control creative progress been so concentrated in the hands of the powerful few, the so-called Big Media. Never before have the cultural powers- that-be been able to exert such control over what we can and can't do with the culture around us. Our society defends free markets and free speech; why then does it permit such top-down control? To lose our long tradition of free culture, Lawrence Lessig shows us, is to lose our freedom to create, our freedom to build, and, ultimately, our freedom to imagine.
