Zoya - Ashish Deshwal

Hi! My name is Ashish Deshwal. I want to write a story. I can leave my B. Com's study. Finally I got a story who's name is Rohan. Rohan wants to become a writer. He never wrote a single line. He is in love with a girl. For whom he can do anything. Anything doesn't mean some kind of bad work he wants to do every good work which Zoya wants to do. He thought Zoya's story his own story. Apart from that here I means, Ashish thinks that both of their story is mine. Finally a new story begins from here. The story name is - Zoya: "That girl's story who become mine."

The Boy on the Highway - Nadya Frank

A snarky con-woman. A teenage heir. His family's deadly secrets. Will

she find the truth before they're both dead? ██████ "Terrific...I think she is becoming one of my favorite authors." Amazon reviewer A shot cracked the quiet. The teenager in faded jeans and sneakers watched as his father slid onto the gravel, legs outstretched, back against the car. The kid came back to his senses and broke into a run just as the shooter raised his rifle. When Zoya Volkova, a small-time con-artist, witnesses a shooting at one of Moscow's back roads, she picks up the teenager from the attacked car and helps him escape the assassins who murdered his father. The boy, Kirill Dolin, is back with his obscenely wealthy family, but now Zoya with her dingy Mercedes becomes a target for ruthless hitmen. After her plan to lie low fails, the only way to stay safe is to find out who put a hit on Kirill's father. Only Kirill's newly widowed mother Rimma doesn't appreciate Zoya's sieving through the family history. The investigator on the assassination case treats Zoya with suspicion because of her criminal past. And none of them seems to realize that Kirill's life is still in danger. Digging deeper into the Dolins' past, Zoya stumbles into alarming details about the family. The disturbing truth about their relationship and business makes everyone a suspect—including people who swear to protect Kirill now. Still aching after losing her own brother years ago, Zoya pledges to stop at nothing to keep the boy safe. But how can a petty con artist go up against a corrupt police force, Moscow's wealthiest families, and the omnipotent Russian mafia? And will she get her answers before the innocent life is taken? Psychological suspense meets crime thriller in this dark page-turner with unpredictable twists. Perfect for fans of Laura Lippman, Karin Slaughter, and Lisa Gardner. What readers are saying about *The Boy on the Highway*: "Not only is the story fast paced and thrilling, but it enlightens about the everyday life in contemporary Russia." Amazon reviewer, ██████ "What a fantastic psychological family drama. A real page-turner. It had me hooked from page one until the last page and kept me awake until the early hours to finish it." Amazon reviewer, ██████ "Wow, what a rollercoaster ride! suspenseful, interesting, and I love a book that keeps me guessing until the very end." Amazon reviewer, ██████ "Atmospheric thriller with Russian setting. Captivating thriller and murder investigation..." Amazon

reviewer, ██████ "Suspense thriller that constantly has you on the edge of your seat. You will be glued to your seat with the suspense and non-stop danger and all the twists and turns." Amazon reviewer, ██████

Zoya - Danielle Steel 2014-11-20

1917. La Révolution d'Octobre met la Russie à feu et à sang. Zoya, petite-cousine du tsar, fuit à Paris. Mais la France, en guerre, ne lui offre pas l'accueil escompté. Alors Zoya travaille et tente de réaliser son rêve : devenir ballerine. Bientôt, ce sera le départ pour l'Amérique, le tourbillon des Années folles, les affres de la Grande Dépression... Telle une étoile filante, Zoya traverse le siècle et ses grands bouleversements. *The Girl from Moscow's Edge* - Nadya Frank 2021-04-20

"A fast read with character development and forward moving action...Tantalizing...Zoya is a gem" Amazon Reviewer ██████ She finds him on the icy garage floor. The bare lamp under the ceiling illuminates his stillness, the pale color of his skin. He's splayed on his stomach, one leg bent, head turned to the side. His cheek rests in a puddle of his own blood... Zoya Volkova's hopes for a better life are ruined when her friend Mikha is murdered in their workplace, a small garage in Moscow's sketchy outskirts. Mikha wasn't just Zoya's buddy and co-worker. He was an indispensable part of the heist they've planned, the job that was supposed to bring them millions and change their lives forever. Was Mikha murdered by one of the rich Muscovites they scammed for a car repair in that very garage? Or was it a revenge from the local crime boss they planned to rip-off? The only thing Zoya knows for sure: she can't sleep peacefully until she finds out who killed her friend. It doesn't help that the only two people she trusts would benefit from Mikha's death. Her boyfriend Yegor finally gets the coveted leadership in the team. Her ex-girlfriend-now-bestie Mariam now has all the reasons to convince Zoya to step away from the dangerous heist plans. Caught up in a whirlwind of mistrust, Zoya finds a lead just before the news about her family shatters her world forever. Grieving and devastated, she needs to make sure whoever killed Mikha won't come for her and the people she cares about. Racing against time, at odds with the police, a local mafia, and her own conscience, Zoya is determined to find her answers and

punish Mikha's murderer. A riveting, character-driven mystery for fans of Lisa Gardner and Karin Slaughter. What readers say: "Suspense and mystery...are enough to keep those pages turning...truly a gifted author" Amazon Reviewer [REDACTED] "Great characters, brilliant story line...full of twists and turns which keep you guessing...This should be on every person's must read list." Amazon Reviewer [REDACTED] "This unusual crime thriller delivers a gritty dose of Moscow's seedy underworld." Goodreads Reviewer [REDACTED]

Things We Left Unsaid - Zoya Pirzad 2012-05-01

Deep in an Iranian suburb, made rich by the booming oil industry, Clarice Ayvazian lives a comfortable life surrounded by the gentle bickering of her children and her gossiping friends and relatives. Happy being at the heart of her family, she devotes herself to their every need. But when an enigmatic Armenian family move in across the street, something begins to gnaw at Clarice's contentment: a feeling that there may be more to life - and to her - than this. Dizzy with the sweltering heat and simmering emotions, Clarice begins to feel herself come alive to possibilities previously unimaginable. Set in Iran prior to the Islamic revolution, Zoya Pirzad's award-winning novel crafts an intimate portrait of family life - its joys and its compromises - and how we find a happiness that endures. For fans of Anne Tyler, *Things We Left Unsaid* is a humorous and pointed insight into the hopes and aspirations of Iranians in the years that led to the Islamic Revolution.

Zephyr Effect - Zoya Kai 2019-04-03

The legend of Zephyr is feared like no other. That name has echoed through time like a ghost, raising hairs on the necks of those who know the stories. For a thousand years, parents have whispered his name in bedtime stories to frighten naughty children into behaving. Warriors chant his name to conjure their courage and defeat their own demons. Everyone knows the legend of Zephyr. But there are few who know the truth.

Little Daughter - Zoya Phan 2009-04-20

Zoya Phan was born in the remote jungles of Burma, to the Karen ethnic group. For decades the Karen have been under attack from Burma's military junta; Zoya's mother was a guerrilla soldier, her father a freedom activist. She lived in a bamboo hut on stilts by the Moei River; she hunted for edible fungi with her much-loved adopted brother, Say Say. Many Karen are Christian or Buddhist, but Zoya's parents were animist, venerating the spirits of forest, river and moon. Her early years were blissfully removed from the war. At the age of fourteen, however, Zoya's childhood was shattered as the Burmese army attacked. With their house in flames, Zoya and her family fled. So began two terrible years of running from guns, as Zoya joined thousands of refugees hiding in the jungle. Her family scattered, Zoya sought sanctuary across the border in a Thai refugee camp. Conditions in the camp were difficult, and Zoya now had to care for her ailing mother. Zoya, a gifted pupil, was eventually able to escape, first to Bangkok and then, with her enemies still pursuing her, in 2004 she fled to the UK and claimed asylum. The following year, at a 'free Burma' march, she was plucked from the crowd to appear on the BBC, the first of countless interviews with the world's media. She became the face of a nation enslaved, rubbing shoulders with presidents and film stars. By turns uplifting, tragic and entirely gripping, this is the extraordinary true story of the girl from the jungle who became an icon of a suffering land.

Zoya - Sapna Mangla 2020-10-20

""Zoya"" is my first long story, inspired by my heart. It reflects the values of a girl struggling to maintain relationships along with her career and ultimately came out to be a winner. Sapna Mangla, Gangtok, Sikkim. The

story of this novel revolves around Zoya, an ambitious girl with passion for science. The conflict appears when life throws some challenges to her in the form of familial-commitments. It compels Zoya, who is a person of deep family values, to split her time between work and family. But is it easy for an ambitious girl? No. Zoya's story is a very relatable story in every sense of the word - and I am sure that every reader will see his or her own self in Zoya and enjoy this story a great deal. Happy reading!

Agitation to Legislation - Zoya Hasan 2018-04-28

The past few years have seen the street emerge as one of the most volatile and engaging sites of a politics in flux. Mass protests, widespread networks, and quick mobilization in the age of social media have instilled a new life in protests and agitations, engendering an entirely new brand of rights agenda in India today. Grassroots activism along with organized, collective action has influenced several landmark legislations, often resulting in progressive outcomes and policies. *Agitation to Legislation* finds that such a progression is not so sudden. It examines ways in which social mobilizations influence legislative trajectory, opening up modes of direct engagement between the state and its citizens, between the government and the governed. It simultaneously focuses on political actors and processes that help expand rights and accountability and at the same time resist any attempt to increase representation of under-represented groups. Positive outcomes have depended on political responses and party strategies, either appropriating or reinforcing or disregarding the scale and intensity of public protests and collective action.

Their wishes were simple and modest. Fate had other things in store though, and she can be a real bitch sometimes.- All he wanted was to get the job done and somehow to endure those long months playing nanny to a spoiled little rich girl. Without strangling her with his bare hands in the process. Well, it is going to be much easier said than done.- All she wanted was to escape the past and live like any other nineteen-year-old girl. Her plan definitely didn't include the arrogant, tattooed savage, with his awful mohawk hair and lack of social graces, whose only mission was

to stick real close and mess up her life. But, people aren't always what they seem to be, are they?

Space Between Us - Zoya Pirzad 2014-02-06

In a small town on the edge of the Caspian Sea, Edmond Lazarian and his best friend Tahereh pass their days playing together, drifting between the delights of beachcombing and the joys of the sherbet shop. Although Edmond is Armenian and Tahereh is the Muslim daughter of the school's janitor, they remain blissfully unaware of the disquiet that ripples the surface calm of their close-knit community. Yet years later, when Edmond's daughter chooses a Muslim to marry, tensions inevitably build. Unable to keep sidestepping the prejudices around him, Edmond is finally forced to make a choice, and one that will haunt him for years to come. For fans of Anne Tyler, *The Space Between Us* is a poignant, wistful story about belonging and otherness, pride and prejudice, and the

pressures and family expectations that inform our decisions. Brilliantly painting the landscape of intricate social conventions and private emotional conflict, Pirzad has produced an intimate portrait of ordinary Iranians living everyday lives.

My Aunt i e Zoya - Tania Senko 2015-03-29

Groomed for the stage since childhood, Zoya Frank-Paradowski exceeded her mother's expectations. Her raw talent, coupled with her beauty, led her to success in ballet, theatre, film, and opera under her stage name, Zoya Valevska. Having escaped the new Soviet, post-Russian Revolution, regime, and subsequently blacklisted by the Communists, she flourished in European film and opera. Twice married to wealthy men, although wealthy in her own right, Zoya joined the rich and famous, jet setting about Europe. Her film career skyrocketed until the booming German movie industry came to a grinding halt when Hitler began to expand his Third Reich. She fled to Great Britain, as her husband was a citizen of Great Britain, and she became a citizen as well. During World War II, she joined E.N.S.A., an organization to provide entertainment for the British armed forces, where she sang and performed Russian dances. While in Great Britain, Zoya also sang opera and was dubbed the Russian Nightingale. After an amicable divorce from her second husband, Zoya relocated to Paris, post World War II. It was in the city of lights that she continued to shine, recognized and admired by her fans. A born flirt, she met the love of her life in her 50's and continued a long relationship with him. Although it ended tragically, Zoya, no stranger to adversity, lived life to the fullest, until her death. Always in awe of my aunt and my godmother, I remember her fondly, in my heart, and in these written pages. She truly lived up to her name, which means "life."

Zoya's Story - John Follain 2003-04-15

Kabul was always more beautiful in the snow. Even the piles of rotting rubbish in my street, the only source of food for the scrawny chickens and goats that our neighbors kept outside their mud houses, looked beautiful to me after the snow had covered them in white during the long night. Though she is only twenty-three, Zoya has witnessed and endured more tragedy and terror than most people experience in a lifetime. Born

in a land ravaged by war, she was robbed of her parents when they were murdered by Muslim fundamentalists. Devastated, she fled Kabul with her grandmother and started a new life in exile in Pakistan. She joined the Revolutionary Association of the Women of Afghanistan (RAWA), an organization that challenged the crushing edicts of the Taliban government, and she took destiny into her own hands, joining a dangerous, clandestine war to save her nation. Direct and unsentimental, Zoya vividly brings to life the realities of growing up in a Muslim culture, the terror of living in a perpetual war zone, the pain of losing those she has loved, the horrors of a woman's life under the Taliban, and the discovered healing and transformation that lead her on a path of resistance.

Zoya - Danielle Steel 2009-02-25

Against the backdrop of the Russian Revolution and World War I Europe, Zoya, young cousin to the Tsar, flees St. Petersburg to Paris to find safety. Her entire world forever changed, she faces hard times and joins the Ballet Russe in Paris. And then, when life is kind to her, Zoya moves on to a new and glittering life in New York. The days of ease are all too brief as the Depression strikes, and she loses everything yet again. It is her career, and the man she meets in the course of it, which ultimately save her, as she rebuilds her life through the war years and beyond. And it is her family that comes to mean everything to her. From the roaring twenties to the 1980's, Zoya remains a rare and spirited woman whose legacy will live on.

Undaunted - Zoya Phan 2010-05-04

Once a royal kingdom and then part of the British Empire, Burma long held sway in the Western imagination as a mythic place of great beauty. In recent times, Burma has been torn apart and isolated by one of the most brutal dictatorships in the world. Now, Zoya of the, a young member of the Karen tribe in Burma, bravely comes forward with her astonishingly vivid story of growing up in the idyllic green mansions of the jungle, and her violent displacement by the military junta that has controlled the country for almost a half century. This same cadre has also relentlessly hunted Zoya and her family across borders and continents. Undaunted tells of Zoya's riveting adventures, from her unusual childhood in a fascinating remote culture, to her years on the run, to her emergence as an activist icon. Named for a courageous Russian freedom fighter of World War II, Zoya was fourteen when Burmese aircraft bombed her peaceful village, forcing her and her family to flee through the jungles to a refugee camp just over the border in Thailand. After being trapped in refugee camps for years in poverty and despair, her family scattered: as her father became more deeply involved in the struggle for freedom, Zoya and her sister left their mother in the camp to go to a college in Bangkok to which they had won scholarships. But even as she attended classes, Zoya, the girl from the jungle, had to dodge police and assume an urban disguise, as she was technically an illegal immigrant and subject to deportation. Although, following graduation, she obtained a comfortable job with a major communications company in Bangkok, Zoya felt called back to Burma to help her mother and her

people, millions of whom still have to live on the run today in order to survive—in fact, more villages have been destroyed in eastern Burma than in Darfur, Sudan. After a plot to kill her was uncovered, in 2004 Zoya escaped to the United Kingdom, where she began speaking at political conferences and demonstrations—a mission made all the more vital by her father’s assassination in 2008 by agents of the Burmese

regime. Like Ayaan Hirsi Ali, Zoya has become a powerful spokesperson against oppressors, undaunted by dangers posed to her life. Zoya’s love of her people, their land, and their way of life fuels her determination to survive, and in *Undaunted* she hauntingly brings to life a lost culture and world, putting faces to the stories of the numberless innocent victims of Burma’s military
